(b) For purposes of calculating Consolidated EBITDA and any financial ratios or tests, including the Total Net Leverage Ratio, the Total Net Secured Leverage Ratio, the Total Net First Lien Leverage Ratio and the Fixed Charge Coverage Ratio, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith, subject to clause (d) of this Section 1.08) that have been made (i) during the applicable Test Period or (ii) subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of Consolidated EBITDA or any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into Holdings, the Borrowers or any of the other Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.08, then the Total Net Leverage Ratio, Total Net Secured Leverage Ratio, the Total Net First Lien Leverage Ratio, the Fixed Charge Coverage Ratio and Consolidated EBITDA shall be calculated to give pro forma effect thereto in accordance with this Section 1.08.

(c) Whenever pro forma effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Responsible Officer of the Lead Borrower and may include, for the avoidance of doubt, the amount of “run rate” cost savings, operating expense reductions and synergies projected by the Lead Borrower in good faith to be realized as a result of specified actions taken, committed to be taken or expected to be taken (calculated on a pro forma basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period) relating to such Specified Transaction, and “run rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements), net of the amount of actual benefits realized during such period from such actions; provided that (A) such amounts are reasonably identifiable (in the good faith determination of the Lead Borrower), (B) such actions are taken, committed to be taken or expected to be taken within twelve (12) months after the date of such Specified Transaction, (C) no amounts shall be added pursuant to this clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a pro forma adjustment or otherwise, with respect to such

period, (D) such “run rate” costs savings, operating expense reductions and synergies added back pursuant to this Section 1.08(c) in any Test Period shall, when aggregated with the amount of any add-back to Consolidated EBITDA pursuant to clauses (a)(x), (a)(xi), (a)(xiii) and (a)(xviii) of the definition of the term “**Consolidated EBITDA**” for such period, in each case, solely to the extent such items are not otherwise permitted to be reflected on pro forma financial statements prepared in compliance with Regulation S-X as in effect on December 31, 2020, not exceed an aggregate amount equal to 25% of Consolidated EBITDA, calculated after giving effect thereto, for such Test Period determined on a Pro Forma Basis, and (E) it is understood and agreed that, subject to compliance with the other provisions of this Section 1.08(c), amounts to be included in pro forma calculations pursuant to this Section 1.08(c) may be included in Test Periods in which the Specified Transaction to which such amounts relate to is no longer being given pro forma effect pursuant to Section 1.08(b).

(d) In the event that Holdings, the Borrowers or any other Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by repurchase, redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Total Net Secured Leverage Ratio, the Total Net Leverage Ratio and the Total Net First Lien Leverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Total Net Secured Leverage Ratio, the Total Net Leverage Ratio and the Total Net First Lien Leverage Ratio, as applicable, shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date such calculation is being made had been the applicable rate for the entire period (taking into account any Swap Contract applicable to such Indebtedness). Interest on a Capitalized Lease shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Lead Borrower to be the rate of interest implicit in such Capitalized Lease in accordance with GAAP or IFRS, as applicable. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a Term SOFR, BBSY Bid or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Lead Borrower may designate.

(e) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Total Net Secured Leverage Ratio, the Total Net Leverage Ratio, the Total Net First Lien Leverage Ratio and the Fixed Charge Coverage Ratio; or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “**LCT Election**”), the date of determination of whether any such action is permitted hereunder shall be deemed to be the date the definitive agreement for such Limited Condition Transaction is entered into (the “**LCT Test Date**”), and if, after giving Pro Forma Effect to the Limited Condition Transaction, any Borrower or any of the other Restricted Subsidiaries would

have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been satisfied as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been satisfied as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any event or transaction occurring after the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, repurchase, defeasance, satisfaction and discharge or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction (a “**Subsequent Transaction**”) in connection with which a ratio, test or basket availability calculation must be made on a Pro Forma Basis or giving Pro Forma Effect to such Subsequent Transaction, for purposes of determining whether such ratio, test or basket availability has been complied with under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith have been consummated.

(b) For purposes of determining the Total Net Leverage Ratio, the Total Net Secured Leverage Ratio, the Total Net First Lien Leverage Ratio and the Fixed Charge Coverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars at the currency exchange rates used in preparing the Borrowers’ financial statements corresponding to the Test Period with respect to the applicable date of determination and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP or IFRS, as applicable, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

All certificates and other statements required to be made by any director, officer, employee or member of management of a Loan Party pursuant to any Loan Document are and will be made on the behalf of such Loan Party and not in such officer's, director's, employee's or member of management's individual capacity.

Section 1.11 Payment or Performance. When the payment of any obligation or the performance of any action, covenant, duty or obligation under any Loan Document is stated to be due or performance required on a day which is not a Business Day (other than as described in the definition of "Interest Period" and in Section 2.12(b)), the date of such payment or performance shall extend to the immediately succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 1.12 Status of Obligations. In the event that Holdings, a Borrower or a Subsidiary Guarantor shall at any time issue or have outstanding any Subordinated Indebtedness, Holdings or the Lead Borrower shall take, or cause such Borrower or such Subsidiary Guarantor to take, all such actions as shall be necessary to cause the Obligations to constitute senior indebtedness (or such equivalent term) in respect of such Subordinated Indebtedness and to enable the Administrative Agent on behalf of the Secured Parties, and solely at the direction of the Required Lenders, to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness in accordance with the applicable subordination agreement. Without limiting the foregoing, the Obligations are hereby designated as "senior indebtedness" and as "designated senior indebtedness" and words of similar import under and in respect of any indenture or other agreement or instrument under which such Subordinated Indebtedness of any Loan Party is outstanding and are further given all such other designations as shall be required under the terms of such Subordinated Indebtedness in order that the Administrative Agent on behalf of the Secured Parties, and solely at the direction of the Required Lenders, may have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness in accordance with the applicable subordination agreement.

Section 1.13 Australian Banking Code of Practice. The parties agree that the Banking Code of Practice published by the Australian Bankers' Association (as amended, revised or amended and restated from time to time) does not apply to the Loan Documents and the transactions contemplated thereby.

Section 1.14 Rates. The interest rate on Loans denominated in Dollars may be determined by reference to a benchmark rate that is, or may in the future become, the subject of regulatory reform or cessation. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission or determination of the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person

or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service. The Administrative Agent will, in keeping with industry practice, continue using its current rounding practices in connection with the Base Rate, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR. In connection with the use or administration of Term SOFR, the Administrative Agent will, with the consent of the Lead Borrower, have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

Section 1.15 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its equity interests at such time.

ARTICLE II THE COMMITMENTS AND BORROWINGS

Section 2.01 The Loans. (a) *The Term Borrowings*. Subject to the terms and conditions set forth herein, each Term Lender with an Initial Term Commitment severally agrees to make to the applicable Borrowers a single loan denominated in Dollars equal to such Lender's Initial Term Commitment on the Restatement Date. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Initial Term Loans may be Base Rate Loans or Term SOFR Loans, as further provided herein. Notwithstanding the foregoing or anything else to the contrary contained in this Agreement, any Lender may (A) exchange, continue or rollover all or a portion of its "**Term Loans**" under and as defined in the Existing Credit Agreement in connection with this Agreement becoming effective pursuant to a cashless settlement mechanism or such other mechanism as approved by Borrower, the Administrative Agent and such Lender or (B) make all or a portion of its Term Loans pursuant to the reallocation mechanism set forth in Section 10.27.

(b) *The Revolving Credit Borrowings*. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans denominated in Dollars or Australian dollars to the Borrowers from time to time, on any Business Day prior to the Maturity Date with respect to the Revolving Credit Facility in an aggregate Dollar Amount not to exceed at any time outstanding the amount of such Revolving Credit Lender's Revolving Credit Commitment as then in effect; provided that after giving effect to any Revolving Credit Borrowing, the aggregate Outstanding Amount of the Revolving Credit Loans of any Revolving Credit Lender, plus such Revolving Credit Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all L/C Obligations, plus such Revolving Credit Lender's Pro Rata Share or other applicable share provided for under this Agreement of the Outstanding Amount of all Swing Line Loans, shall not exceed such Revolving Credit Lender's Revolving Credit Commitment as then in effect; *provided* that the aggregate principal amount of Revolving Credit Loans made or otherwise outstanding on the Restatement Date shall not exceed \$20,000,000 (exclusive of Letter of Credit Exposure and amounts used to finance Transaction Expenses). Revolving Credit Loans may be Base Rate Loans, Term SOFR Loans or BBSY Rate Loans, as further provided herein. All Revolving Credit Loans will be made by Revolving Credit Lenders

(including both Extending Revolving Credit Lenders and Non-Extending Revolving Credit Lenders, to the extent that both Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments are then outstanding) in accordance with their Pro Rata Shares (acting as a single Class for purposes of this [Section 2.01](#)) or other applicable share provided for under this Agreement until the Maturity Date with respect to the Non-Extended Revolving Credit Commitments; thereafter, all Revolving Credit Loans will be made by the Extending Revolving Credit Lenders in accordance with their Pro Rata Shares or other applicable share provided for under this Agreement. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Credit Loans. Notwithstanding the foregoing or anything else to the contrary contained in this Agreement, any Lender may (A) exchange, continue or rollover all or a portion of its “**Revolving Loans**” and “**Revolving Loan Commitments**” under and as defined in the Existing Credit Agreement in connection with this Agreement becoming effective pursuant to a cashless settlement mechanism or such other mechanism as approved by Borrower, the Administrative Agent and such Lender or (B) make all or a portion of its Revolving Loans and/or Revolving Commitments available pursuant to the reallocation mechanism set forth in [Section 10.27](#).

Section 2.02 Borrowings, Conversions and Continuations of Loans. (a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Loans of a given Class from one Type to the other (in the case of Loans other than BBSY Rate Loans), and each continuation of Term SOFR Loans and BBSY Rate Loans shall be made upon the Lead Borrower’s irrevocable written notice to the Administrative Agent substantially in the form of a Loan Notice or in writing in any other form acceptable to the Administrative Agent, in each case appropriately completed and signed by a Responsible Officer of the Lead Borrower (*provided* that the notice in respect of the initial Borrowings on the Restatement Date, or in connection with any Permitted Acquisition or other acquisition permitted under this Agreement, or in connection with any Borrowing or Extension, as applicable, under an Incremental Amendment, Refinancing Amendment, amendment in respect of Replacement Term Loans or Extension Amendment, may be conditioned on, with respect to the funding of the initial Borrowing under this Agreement, the closing of the Transaction or, with respect to any future Borrowing under this Agreement, such Permitted Acquisition or other acquisition or any such Borrowing or Extension under an Incremental Amendment, Refinancing Amendment, amendment in respect of Replacement Term Loans or Extension Amendment, as applicable). Each such notice must be received by the Administrative Agent not later than (i) 2:00 p.m. (New York City time) three (3) Business Days prior to the requested date of any Borrowing or continuation of Term SOFR Loans or BBSY Rate Loans (or conversion of Base Rate Loans to Term SOFR Loans), (ii) 10:00 a.m. (New York City time) on the requested date of any Borrowing of Base Rate Loans (or conversion of Term SOFR Loans to Base Rate Loans) and (iii) 10:00 a.m. (New York City time) on the Restatement Date with respect to any Loans incurred on the Restatement Date (or, in any case, such shorter period of time as agreed to by the Administrative Agent in its reasonable discretion). Except as provided in [Sections 2.14](#) and [2.15](#), each Borrowing of or continuation of Term SOFR Loans or BBSY Rate Loans or the conversion to Term SOFR Loans, as applicable, shall be in a principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof in the case of Term Loans or Revolving Credit Loans. Except as provided in [Sections 2.03\(c\)](#), [2.04\(c\)](#), [2.14](#) and [2.15](#) each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof. Each Loan Notice shall specify (i) the Class of the Borrowing requested and whether the Lead Borrower is requesting the making of new Loans of the respective Class, a conversion of Term Loans or Revolving Credit Loans (of a given Class) from one Type to the other, or a continuation of Term SOFR Loans or BBSY Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans or Revolving Credit Loans are to be converted (v) if applicable, the duration of the Interest Period with respect thereto and (vi) the applicable Borrower of such Loans. If the Lead Borrower fails to specify a Type of Loan in a Loan Notice or fails to give a timely notice requesting

a conversion or continuation, then, with respect to Dollar-denominated Loans only, the applicable Term Loans or Revolving Credit Loans shall be made as, or converted to, Base Rate Loans (unless the Loan being continued is a Term SOFR Loan or BBSY Rate Loan, in which case it shall be continued as a Term SOFR Loan or BBSY Rate Loan (as the case may be) with an Interest Period of one month). Any such automatic conversion of Dollar-denominated Loans to Base Rate Loans or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Term SOFR Loans or BBSY Rate Loans. If the Lead Borrower requests a Borrowing of or continuation of Term SOFR Loans or BBSY Rate Loans or a conversion to Term SOFR Loans, as applicable, in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each Lender under the applicable Class of the amount of its Pro Rata Share of such Class of Loans, and if no timely notice of a conversion or continuation is provided by the Lead Borrower, the Administrative Agent shall notify each such Lender of the details of any automatic conversion to Base Rate Loans or continuation of Loans described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 3:00 p.m. (New York City time), in each case on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or, if such Borrowing is an initial Credit Extension on the Restatement Date, Section 4.01), the Administrative Agent shall make all funds so received available to the Borrowers in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrowers on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrowers and, to the extent such wire transfer is to be made to an account of the Borrowers not previously on the books of the Administrative Agent, subject to applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act and the Australian Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth); *provided* that if, on the date the Loan Notice with respect to such Borrowing is given by the Lead Borrower, there are L/C Borrowings or Swing Line Loans outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrowers as provided above.

(c) Except as otherwise provided herein, a Term SOFR Loan may be converted, and a Term SOFR Loan or BBSY Rate Loan may be continued, only on the last day of an Interest Period for such Term SOFR Loan or BBSY Rate Loan unless any Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Required Lenders may require that no Loans may be converted to Term SOFR Loans, or continued as Term SOFR Loans or BBSY Rate Loans, as applicable, with an Interest Period in excess of one month.

(d) The Administrative Agent shall promptly notify the Lead Borrower and the Lenders of the interest rate applicable to any Interest Period for Term SOFR Loans and BBSY Rate Loans upon determination of such interest rate. The determination of the Term SOFR and the BBSY Bid by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Lead Borrower and the Lenders of any change in the "Prime Rate" used in determining the Base Rate under clause (b) of the definition thereof promptly following the public announcement of such change.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans of a given Class from one Type to the other, and all continuations of Term Loans or Revolving Credit Loans of a given Class as the same Type, there shall not be more than eight (8) Interest Periods in effect unless otherwise agreed between the Lead Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, a Refinancing Amendment, an Extension Amendment or an amendment to this Agreement in respect of Replacement Term Loans, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established; *provided further*, that the maximum number of Interest Periods in effect at any time for all Classes shall not exceed twelve (12) Interest Periods in the aggregate unless otherwise agreed between the Lead Borrower and the Administrative Agent.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with clause (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrowers on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and each Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrowers until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrowers, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, (x) for Loans in Dollars, the Federal Funds Rate and (y) for Loans in Australian Dollars, the rate notified to such Lender to be that which expresses as a percentage rate per annum, the cost to the Administrative Agent of funding the Lender's participation in that Loan from whatever source it may reasonably select, in each case, plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(h) The Administrative Agent, in its sole discretion from time to time, may elect, pursuant to arrangements between the Administrative Agent and any Revolving Credit Lender, to advance funds to the Borrowers on behalf of such Revolving Credit Lender. To the extent that the Administrative Agent so advances funds on behalf of a Revolving Credit Lender, and is not reimbursed therefore on the same Business Day as such advance is made, the Administrative Agent

shall be entitled to retain for its account all interest accrued on such advance from the day such advance was made until reimbursed by the applicable Revolving Credit Lender

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitment. Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (x) from time to time on any Business Day during the period from the Restatement Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or Australian Dollars (which, in the case of a commercial Letter of Credit, shall be issued on sight basis only) for the account of the Borrowers (*provided* that any Letter of Credit may be for the account of Holdings or any Restricted Subsidiary of Holdings, so long as the Lead Borrower is the applicant with respect thereto) and to amend or extend Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (y) to honor drafts under the Letters of Credit and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; *provided* that L/C Issuers shall not be obligated to make any L/C Credit Extensions with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of the applicable L/C Credit Extension, (w) the Revolving Credit Exposure of any Lender would exceed such Lender's Revolving Credit Commitments, (x) the Outstanding Amount of all L/C Obligations would exceed the Letter of Credit Sublimit or (y) the Letter of Credit giving rise to such L/C Credit Extension has a stated expiry date after the Maturity Date with respect to Non-Extended Revolving Credit Commitments and the aggregate stated amount of all Letters of Credit having stated expiry dates after such Maturity Date, when added to the aggregate Revolving Credit Exposure of all Extending Revolving Credit Lenders (exclusive of L/C Obligations) as of such date, would exceed the aggregate amount of the Extended Revolving Credit Commitments then in effect. Within the foregoing limits, and subject to the terms and conditions hereof, each Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly each Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. Each Appropriate Lender's risk participation in each outstanding Letter of Credit shall be automatically adjusted on each Maturity Date for any of the Revolving Credit Facilities as, and to the extent, provided in Section 2.06(d).

(i) [Reserved].

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Restatement Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Restatement Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) subject to Section 2.03(b)(ii), the expiry date of such requested Letter of Credit would occur (i) in the case of standby Letters of Credit, more than twelve months after the date of issuance (or, in the case of any Auto-Renewal Letter of Credit or any other Letter of Credit that has been extended in accordance with this Section 2.03, the last renewal thereof) and (ii) in the case of a commercial Letter of Credit, more than 180 days after the date of issuance or (or, in the case of any Auto-Renewal Letter of Credit or any other Letter of Credit that has been extended in accordance with this Section 2.03, the last renewal thereof), unless, in each case, the relevant L/C Issuer has approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (1) all the Revolving Credit Lenders and the applicable L/C Issuer have approved such expiry date or (2) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized on or before the date such requested Letter of Credit is issued;

(D) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer;

(E) such Letter of Credit is in an initial amount less than \$100,000 (or, in each case, such lesser amount as is acceptable to the applicable L/C Issuer in its sole discretion); or

(F) any Revolving Credit Lender is a Defaulting Lender at such time, unless such L/C Issuer has entered into arrangements reasonably satisfactory to it and the Lead Borrower to eliminate such L/C Issuer's risk with respect to the participation in Letters of Credit by such Defaulting Lender, including reallocation of the Defaulting Lender's Pro Rata Share of the outstanding L/C Obligations pursuant to Section 2.19 or by Cash Collateralizing such Defaulting Lender's Pro Rata Share or other applicable share provided for under this Agreement of the L/C Obligations.

(iii) An L/C Issuer shall be under no obligation to amend or extend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended or extended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment or extension to such Letter of Credit.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit. Each Letter of Credit shall be issued, extended or amended, as the case may be, upon the written request of the Lead Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Such Letter of Credit Application must be received by the relevant L/C Issuer and the Administrative Agent not later than 12:30 p.m. (New York City time) at least two (2) Business Days prior to the proposed issuance date or date of amendment or extension, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount thereof; (c) the expiry

date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder and (g) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment or extension of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (1) the Letter of Credit to be amended or extended; (2) the proposed date of amendment or extension thereof (which shall be a Business Day); (3) the nature of the proposed amendment or the length of extension and (4) such other matters as the relevant L/C Issuer may reasonably request.

(i) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Lead Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant L/C Issuer of confirmation from the Administrative Agent that the requested issuance, amendment or extension is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of any Borrower, Holdings or any other Restricted Subsidiary, as applicable, or enter into the applicable amendment or extension, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Pro Rata Share or other applicable share provided for under this Agreement multiplied by the amount of such Letter of Credit, which risk participation shall survive the Letter of Credit Expiration Date in the event any L/C Obligations are outstanding on such date with respect to Letters of Credit described in Section 2.03(a)(ii)(3).

(ii) If the Lead Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve month period (commencing with the date of issuance of such Letter of Credit) (or such shorter period for any Letter of Credit with an expiration date that is less than twelve months from the date of the issuance thereof) by giving prior written notice to the beneficiary thereof not later than a day (the "**Nonrenewal Notice Date**") in each such twelve month period to be agreed upon at the time such Letter of Credit is issued; *provided, further*, that in no event shall the renewal period extend beyond the Letter of Credit Expiration Date except to the extent set forth in Section 2.03(a)(ii)(3). Unless otherwise directed by the relevant L/C Issuer, the Lead Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time prior to an expiry date that is, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized, not later than the applicable Letter of Credit Expiration Date; *provided* that the relevant L/C Issuer shall not permit any such renewal if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received written notice on or before the day that is five (5) Business Days before the Nonrenewal Notice Date from the Administrative Agent or the

Lead Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iii) Promptly after its delivery of any Letter of Credit or any amendment or extension to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Lead Borrower and the Administrative Agent a true and complete copy of such Letter of Credit, amendment or extension.

(c) Drawings and Reimbursements; Funding of Participations. Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Lead Borrower and the Administrative Agent thereof. Not later than (1) 2:00 p.m. (New York City time) on the second Business Day immediately following any payment by an L/C Issuer under a Letter of Credit if the Lead Borrower receives notice by 5:00 p.m. (New York City time) on the date of payment and (2) if clause (1) does not apply, on the third Business Day following such notice (each such date, an “**Honor Date**”), the Borrowers shall reimburse such L/C Issuer in Dollars, in each case, through the Administrative Agent in an amount equal to the amount of such drawing, with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed on the date of such payment or disbursement. If the Borrowers fail to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”), and the amount of such Appropriate Lender’s Pro Rata Share thereof or other applicable share provided for under this Agreement. In such event, the Lead Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans, in each case to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Term SOFR Loans, BBSY Rate Loans or Base Rate Loans but subject to the amount of the unutilized portion of the Revolving Credit Commitments of the Appropriate Lenders and subject to the conditions set forth in Section 4.02 (other than the delivery of a Loan Notice).

(i) Each Appropriate Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer in Dollars at the Administrative Agent’s Office for payments in an amount equal to its Pro Rata Share or other applicable share provided for under this Agreement of any Unreimbursed Amount not later than 1:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(ii), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan in the form of a Base Rate Loan to the Borrowers in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(ii) With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrowers shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender’s payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(i) shall be deemed payment in respect of its participation in such L/C Borrowing

and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iii) Until each Appropriate Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such amount shall be solely for the account of the relevant L/C Issuer.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, any Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, (C) any reduction or termination of the Revolving Credit Commitments or (D) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Lead Borrower of a Loan Notice). No making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(v) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(i), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to (x) in connection with Letters of Credit drawn in Dollars, the Federal Funds Rate from time to time in effect and (y) in connection with Letters of Credit drawn in Australian Dollars, the rate notified to such Lender to be that which expresses as a percentage rate per annum, the cost to such L/C Issuer of funding such Lender's participation in that Revolving Credit Loan or L/C Advance from whatever source it may reasonably select, in each case, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Revolving Credit Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(v) shall be conclusive absent manifest error.

(d) Repayment of Participations. (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(e), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrowers or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the

Administrative Agent will distribute to such Lender its Pro Rata Share or other applicable share provided for under this Agreement thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding and any differential in the interest payable to such Lender attributable to the Applicable Rate for such Lender's L/C Advance as an Extending Revolving Credit Lender or a Non-Extending Revolving Credit Lender, as applicable) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share or other applicable share provided for under this Agreement thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to (x) in connection with Letters of Credit drawn in Dollars, the Federal Funds Rate from time to time in effect and (y) in connection with Letters of Credit drawn in Australian Dollars, the rate notified to the Administrative Agent to be that which expresses as a percentage rate per annum, the cost to the L/C Issuer of funding such Lender's Pro Rata Share from whatever source it may reasonably select. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(c) Obligations Absolute. The obligation of the Borrowers and the Lenders to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Person (including any Loan Party) may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law or as a result of an Australian Insolvency Event;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit;

(vi) in the case of the obligations of any Lender, (i) the failure of any condition precedent set forth in Section 4.02 to be satisfied (each of which conditions precedent the Lenders hereby irrevocably waive) or (ii) any adverse change in the condition (financial or otherwise) of any Loan Party; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party or Lender;

provided that the foregoing shall not excuse any L/C Issuer from liability to the Borrowers to the extent of any direct damages (as opposed to consequential, special or punitive damages, claims in respect of which are waived by the Borrowers to the extent permitted by applicable Laws) suffered by the Borrowers that are caused by acts or omissions by such L/C Issuer's gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction by final and nonappealable judgment) when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(f) Role of L/C Issuers. Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any draft, demand, certificate or other document expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender or Loan Party for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction by final and nonappealable judgment); or (iii) the absence of due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude such Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (vii) of Section 2.03(e) or clauses (i) through (iii) of this Section 2.03(f); *provided* that anything in such clauses to the contrary notwithstanding, the Borrowers may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to consequential, special, punitive or exemplary, damages suffered by any Borrower which such Borrower proves were caused by such L/C Issuer's willful misconduct, bad faith or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit (in each case, as are determined by a court of competent jurisdiction by final and nonappealable judgment). In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument

transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. If (i) as of the Letter of Credit Expiration Date, any Letter of Credit may for any reason remain outstanding and partially or wholly undrawn, (ii) any Event of Default occurs and is continuing and the Administrative Agent or the Required Lenders require the Borrowers to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or (iii) an Event of Default set forth under Section 8.01(f) occurs and is continuing, then the Borrowers shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the Letter of Credit Expiration Date, as the case may be), and shall do so not later than 3:00 p.m. (New York City time) on (x) in the case of the immediately preceding clauses (i) and (ii), (1) the Business Day that any Borrower receives notice thereof, if such notice is received on such day prior to 11:00 a.m. (New York City time) or (2) if clause (1) above does not apply, the Business Day immediately following the day that any Borrower received such notice and (y) in the case of the immediately preceding clause (iii), the Business Day on which an Event of Default set forth under Section 8.01(f) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any prior right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrowers will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrowers. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(g) is cured or otherwise waived in accordance with Section 10.01, then so long as no other Event of Default has occurred and is continuing, all Cash Collateral pledged to Cash Collateralize such Letter of Credit shall be refunded to the Borrowers.

(h) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Lead Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(i) Letter of Credit Fees. The Borrowers shall pay to the Administrative Agent (i) for any period prior to the date of any Extension Amendment, for the account of each Revolving Credit Lender in accordance with its Pro Rata Share (if any) or other applicable share provided for under this Agreement, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate applicable to Revolving Credit Loans maintained as Term SOFR Loans or BBSY Rate Loans then in effect for the applicable Class or Classes of the respective Revolving Credit Lender's Revolving Credit Commitments times the maximum face amount of such Letter of Credit (whether or not such maximum face amount is then in effect under such Letter of Credit, if such maximum face amount increases periodically pursuant to the terms of such Letter

of Credit) and (ii) for any period commencing on and after the date of any Extension Amendment (and for so long as the Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments resulting from such Extension Amendment (or any Revolving Credit Exposure thereunder) remain outstanding), for the account of each Non-Extending Revolving Credit Lender and each Extending Revolving Credit Lender under each such Class in accordance with its Other Allocable Share of the Non-Extended Revolving Credit Commitments and the Extended Revolving Credit Commitments, respectively, that result pursuant to such Extension Amendment, a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the Applicable Rate applicable to Revolving Credit Loans maintained as Term SOFR Loans or BBSY Rate Loans then in effect in respect of such Non-Extended Revolving Credit Commitments or Extended Revolving Credit Commitments, as the case may be, times the Allocable Revolving Share of the Non-Extending Revolving Credit Lenders or the Extending Revolving Credit Lenders, as the case may be, of the daily maximum face amount of such Letter of Credit (whether or not such maximum face amount is then in effect under such Letter of Credit, if such maximum face amount increases periodically pursuant to the terms of such Letter of Credit). Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable in Dollars on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Maturity Date for the Non-Extended Revolving Credit Commitments (with respect to the fees accrued for the accounts on the Non-Extending Revolving Credit Lenders), on any other relevant Maturity Date (for any applicable Revolving Credit Commitments then expiring), or the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate applicable to Revolving Credit Loans maintained as Term SOFR Loans or BBSY Rate Loans then in effect during any quarter, the daily maximum face amount of each Letter of Credit shall be computed and multiplied by such Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(j) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Borrowers shall pay directly to each L/C Issuer for its own account a fronting fee with respect to each Letter of Credit issued by it equal to 0.125% per annum (or such other amount as is agreed in a separate writing between the relevant L/C Issuer and the Lead Borrower) of the maximum face amount of such Letter of Credit. Such fronting fees shall be (x) computed on a quarterly basis in arrears and (y) due and payable on the last Business Day of each of March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrowers shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(k) Conflict with Letter of Credit Application. Notwithstanding anything else to the contrary in this Agreement, in the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control. No Issuer Document shall (x) contain any representations or warranties, covenants or events of default not set forth in this Agreement (and to the extent inconsistent herewith, shall be rendered null and void) and (y) all representations and warranties, covenants and events of default contained therein shall contain standards, qualifications, thresholds and exceptions for materiality that are otherwise consistent with this Agreement (and, to the extent inconsistent herewith, shall be deemed to incorporate such standards, qualifications, thresholds and exceptions contained herein without action by any other party).

(1) Addition of an L/C Issuer. A Revolving Credit Lender or any Affiliate thereof, in each case reasonably acceptable to the Lead Borrower and the Administrative Agent, pursuant to a written agreement among the Lead Borrower, the Administrative Agent and such Revolving Credit Lender or Affiliate thereof, shall be an additional L/C Issuer. The Administrative Agent shall notify the Revolving Credit Lenders under the applicable Facility of any such additional L/C Issuer under such Facility.

(m) Letters of Credit issued for Holdings or Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or any Restricted Subsidiary, the Borrowers shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of Holdings and/or any Restricted Subsidiary inures to the benefit of the Borrowers, and that the Borrowers' business derives substantial benefits from the businesses of Holdings and such Restricted Subsidiaries.

Section 2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender agrees to make loans in Dollars (each such loan, a "**Swing Line Loan**") to the Borrowers from time to time on any Business Day after the Restatement Date until the Maturity Date for the Revolving Credit Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Revolving Credit Commitment; *provided* that (i) after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender (other than the relevant Swing Line Lender solely in its capacity as such), plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lender's Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect and (ii) notwithstanding the foregoing, the Swing Line Lender shall not be obligated to make any Swing Line Loans at a time when a Revolving Credit Lender is a Defaulting Lender, unless the Swing Line Lender has entered into arrangements reasonably satisfactory to it and the Lead Borrower to eliminate the Swing Line Lender's fronting exposure (after giving effect to Section 2.19(b)) with respect to the Defaulting Lender's participation in such Swing Line Loans, including by cash collateralizing, or obtaining a backstop letter of credit from an issuer reasonably satisfactory to the Swing Line Lender to support, such Defaulting Lender's Pro Rata Share of the outstanding amount of Swing Line Loans; *provided further* that, the Borrowers shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. The Borrowers shall repay to the Swing Line Lender each Defaulting Lender's portion (after giving effect to Section 2.19(b)) of each Swing Line Loan promptly following demand by the Swing Line Lender. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Swing Line Loans shall be denominated in Dollars. Immediately upon the making of a Swing Line Loan, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Pro Rata Share times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Lead Borrower's irrevocable notice to the Swing Line Lender and the Administrative Agent in the form

of a Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Lead Borrower. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 2:00 p.m. (New York City time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000 or a whole multiple of \$100,000 in excess thereof, and (ii) the requested borrowing date, which shall be a Business Day (or, in any case, such shorter period of time as agreed to by the Swing Line Lender in its reasonable discretion). Promptly after receipt by the Swing Line Lender of any Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (in writing) of the contents thereof. Subject to the terms and conditions hereof, the Swing Line Lender will, not later than 4:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrowers.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrowers (which hereby irrevocably authorize the Swing Line Lender to so request on their behalf), that each Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Lead Borrower with a copy of the applicable Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Loan Notice available to the Administrative Agent in Same Day Funds for the account of the Swing Line Lender at the Administrative Agent's Office not later than 4:00 p.m. (New York City time) on the day specified in such Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrowers in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the Federal Funds Rate from time to time in effect. A certificate of the Swing Line

Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, any Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrowers for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

Section 2.05 Prepayments.

(a) Optional.

(i) The Borrowers may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Term Loans or Revolving Credit Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Administrative Agent not later than 2:00 p.m. (New York City time) (A) three (3)

Business Days prior to any date of prepayment of Term SOFR Loans or BBSY Rate Loans and (B) on the day of prepayment of Base Rate Loans (or, in any case, such shorter period of time as agreed to by the Administrative Agent in its reasonable discretion); (2) any partial prepayment of Term SOFR Loans or BBSY Rate Loans shall be in a principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and, in the case of a prepayment of Term Loans, the manner in which such prepayment shall be applied to repayments thereof required pursuant to Section 2.07(a); provided that in the event such notice fails to specify the manner in which the respective prepayment of Term Loans shall be applied to repayments thereof required pursuant to Section 2.07(a), such prepayment of Term Loans shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a). The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. Any prepayment of a Term SOFR Loan or a BBSY Rate Loan shall be accompanied by all accrued interest thereon and any additional amounts required pursuant to Section 3.05. Each prepayment of the Loans of a given Class pursuant to this Section 2.05(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(ii) The Borrowers may, upon notice by the Lead Borrower to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; *provided* that (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 2:00 p.m. (New York City time) on the date of the prepayment (or such later time as agreed to by the Swing Line Lender in its reasonable discretion), and (2) any such prepayment shall be in a minimum principal amount of \$100,000 or a whole multiple of \$100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Lead Borrower, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Lead Borrower may rescind, or extend the date for prepayment specified in, any notice of prepayment under Section 2.05(a)(i), if such prepayment would have resulted from a refinancing of all or any portion of any Facility or Facilities which refinancing shall not be consummated or shall otherwise be delayed.

(iv) Voluntary prepayments of any Class of Term Loans permitted hereunder shall be applied to the remaining scheduled installments of principal thereof pursuant to Section 2.07(a) in a manner determined at the sole discretion of the Lead Borrower and specified in the notice of prepayment, and, subject to the other limitations expressly set forth in this Agreement, the Lead Borrower may elect to apply voluntary prepayments of Term Loans to one or more Class or Classes of Term Loans selected by the Lead Borrower in its sole discretion (*provided* that such voluntary prepayments of the Term Loans shall be made pro rata within any such Class or Classes selected by the Lead Borrower). In the event that the Lead Borrower does not specify the order in which to apply prepayments to

reduce scheduled installments of principal or as between Classes of Term Loans, the Lead Borrower shall be deemed to have elected that such prepayment be applied to reduce the scheduled installments of principal in direct order of maturity on a pro rata basis among Class(es) of Term Loan.

(v) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default has occurred and is continuing, the Borrowers may prepay the outstanding Term Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon acquisition by the Borrowers) (or Holdings or any of its Subsidiaries other than any Borrower may purchase such outstanding Term Loans, which shall be automatically and permanently cancelled immediately upon such acquisition) on the following basis:

(A) Any Borrower Party shall have the right to make a voluntary prepayment of Term Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offer or Borrower Solicitation of Discounted Prepayment Offer (any such prepayment, the **"Discounted Loan Prepayment"**), in each case made in accordance with this Section 2.05(a)(v); provided that no Borrower Party shall initiate any action under this Section 2.05(a)(v) in order to make a Discounted Loan Prepayment (other than with respect to actions under this Section 2.05(a)(v) in order to make the first Discounted Loan Prepayment hereunder) unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Loan Prepayment as a result of a prepayment made by a Borrower Party on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date such Borrower Party was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the any Borrower Party's election not to accept any Solicited Discounted Prepayment Offers.

(B) Subject to the proviso to clause (A) above, any Borrower Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days' notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Borrower Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the **"Specified Discount Prepayment Amount"**) with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the **"Specified Discount"**) of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this clause), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount

Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Borrower Party to, and with the consent of, the Auction Agent) (the “**Specified Discount Prepayment Response Date**”).

(1) Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(2) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this clause (B) to each Discount Prepayment Accepting Lender on the Discounted Prepayment Effective Date in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to clause (2) above; *provided that*, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within four (4) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower Party shall be due and payable by

such Borrower Party on the Discounted Prepayment Effective Date in accordance with clause (F) below (subject to clause (J) below).

(C) Subject to the proviso to subclause (A) above, any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Loans (the “**Discount Range Prepayment Amount**”), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this clause), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by such Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Borrower Party to, and with the consent of, the Auction Agent) (the “**Discount Range Prepayment Response Date**”). Each Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender's Term Loans (the “**Submitted Amount**”) such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(1) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subclause (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent within the Discount Range by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted

Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subclause (3)) at the Applicable Discount (each such Lender, a “**Participating Lender**”).

(2) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender on the Discounted Prepayment Effective Date in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided* that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within six (6) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(D) Subject to the proviso to subclause (A) above, any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the "**Solicited Discounted Prepayment Amount**") and the Class or Classes of Term Loans the Borrowers are willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this clause), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by such Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to such Lenders (which date may be extended for a period not exceeding three (3) Business Days upon notice by the Borrower Party to, and with the consent of, the Auction Agent) (the "**Solicited Discounted Prepayment Response Date**"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (for example, an offer of 99% of the outstanding principal amount would equate to a 1% discount to par) (the "**Offered Discount**") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate principal amount and Classes of such Term Loans (the "**Offered Amount**") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount with respect to the applicable Solicited Discounted Prepayment Offer.

(1) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower Party in its sole discretion (the "**Acceptable Discount**"), if any. If the Borrower Party elects in its sole discretion to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "**Acceptance Date**"), such Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from such Borrower

Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(2) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within four (4) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(a)(v)(D). If the Borrower Party elects to accept any Acceptable Discount, then the Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Borrower Party will prepay outstanding Term Loans pursuant to this subclause (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the Classes to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of

the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subclause (F) below (subject to subclause (J) below).

(E) In connection with any Discounted Loan Prepayment, the Borrowers and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment the payment of customary, reasonable and documented fees and out-of-pocket expenses from a Borrower Party in connection therewith.

(F) If any Term Loan is prepaid in accordance with clauses (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date without premium or penalty; *provided* that in no event shall the Revolving Credit Facility be utilized to fund any Discounted Loan Prepayment. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 2:00 p.m. (New York City time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant Class of Term Loans pursuant to Section 2.07(a) in an amount equal to the principal amount of the applicable Term Loans in accordance with Section 2.05(a)(iv); provided that to the extent prepayments are applied to scheduled installments of principal other than in direct order of maturity, the applicable Borrower Party shall so specify in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(a)(v) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Term Loans of such Lenders in accordance with their respective Pro Rata Share or other applicable share provided for under this Agreement. The aggregate principal amount of the Classes and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.05(a)(v), the relevant Borrower Party shall either (I) make a representation to the Lenders that it does not possess material non-public information with respect to the Borrowers and the other Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or (II) disclose that it cannot make such representation, in which case, each assigning Lender shall be deemed to acknowledge and agree that in connection with such assignment, (1) Holdings, the Borrowers and the other Subsidiaries then may have, and later may come into possession of, material non-public information, (2) such Lender has independently and, without reliance on Holdings, the Borrowers or any of the other Subsidiaries (including, without limitation, the

applicable Borrower Party), the Administrative Agent or any other Agent-Related Persons, made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the material non-public information, (3) none of Holdings, the Borrowers or any of the other Subsidiaries shall be required to make any representation that it is not in possession of material non-public information, (4) none of Holdings, the Borrowers or any of the other Subsidiaries (including, without limitation, the applicable Borrower Party), the Administrative Agent or any other Agent-Related Persons shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Holdings, the Borrowers or any of the other Subsidiaries (including, without limitation, the applicable Borrower Party), the Administrative Agent and any other Agent-Related Persons, under applicable Laws or otherwise, with respect to the nondisclosure of the material non-public information and (5) that the material non-public information may not be available to the Administrative Agent or the other Lenders.

(G) To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(a)(v), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(a)(v), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) The Borrowers and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(a)(v) by itself or through any Affiliate of the Auction Agent and expressly consent to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Loan Prepayment provided for in this Section 2.05(a)(v) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any

prepayment to a Lender, as applicable, pursuant to this Section 2.05(a)(v) shall not constitute a Default under Section 8.01 or otherwise).

(b) Mandatory.

(i) Within fifteen (15) Business Days after the date financial statements are required to be delivered pursuant to Section 6.01(a), the Borrowers shall, subject to clause (b)(vi) of this Section 2.05, prepay an aggregate principal amount of Term Loans in an amount (the “**ECF Payment Amount**”) equal to (A) 50.0% (such percentage as it may be reduced as described below, the “**ECF Percentage**”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ending on December 31, 2025) minus (B) the sum of (x) all voluntary prepayments of Term Loans, Refinancing Equivalent Debt and Incremental Equivalent Debt during such fiscal year (to the extent not deducted pursuant to this clause (B) in respect of the prior year) or after such fiscal year end and prior to the time the payment pursuant to this Section 2.05(b) is due (including the amount of any voluntary prepayments or cancellation of Term Loans, Refinancing Equivalent Debt and Incremental Equivalent Debt made at a discount to par (in an amount equal to the discounted amount actually paid in respect of the principal amount of such Indebtedness)) and (y) all voluntary prepayments of Revolving Credit Loans or other revolving credit facilities during such fiscal year (to the extent not deducted pursuant this clause (B) in respect of the prior year) or after such fiscal year end and prior to the time the payment pursuant to this Section 2.05(b) is due, in each case to the extent the Revolving Credit Commitments or any other revolving credit facility commitments are permanently reduced by the amount of such payments, and in the case of each of the immediately preceding clauses (x) and (y), to the extent such prepayments are not financed with the proceeds of incurrences of long-term Indebtedness (other than Revolving Credit Borrowings); *provided that* (x) the ECF Percentage shall be 25% if the Total Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.00:1.00 and (y) the ECF Percentage shall be 0% if the Total Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 1.00:1.00.

(ii) (A) If (x) Holdings or any Restricted Subsidiary Disposes of any property or assets pursuant to Section 7.05(f) or (j) (or in a Disposition not permitted by this Agreement) or (y) any Casualty Event occurs, which results in the realization or receipt by Holdings or such Restricted Subsidiary of Net Cash Proceeds, the Borrowers shall prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clause (b)(vi) of this Section 2.05, an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds realized or received; *provided that* if at the time that any such prepayment would be required, any Borrower or any Restricted Subsidiary is required to repay, redeem or repurchase or offer to repay, redeem or repurchase Indebtedness that is secured on a pari passu basis (but without regard to control of remedies) with the Obligations pursuant to the terms of the documentation governing or evidencing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Indebtedness required to be repaid, redeemed or repurchased or offered to be so repurchased, “**Other Applicable Indebtedness**”), then such Borrower or such Restricted Subsidiary may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; *provided that* the portion of such Net Cash Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net

Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase, redemption or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(b)(ii)(A) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased, redeemed or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; *provided, further*, that no prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrowers shall have, on or prior to the applicable date that prepayment of Term Loans would have otherwise been required pursuant to this Section 2.05(b)(ii)(A), given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.05(b)(ii)(B).

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Lead Borrower, the Borrowers may reinvest all or any portion of such Net Cash Proceeds in assets useful for its or any Restricted Subsidiary's business (x) within twelve (12) months following receipt of such Net Cash Proceeds or (y) if Holdings, the Borrowers or any other Restricted Subsidiary enters into a legally binding commitment to reinvest such Net Cash Proceeds within twelve (12) months following receipt thereof, within one hundred and eighty (180) days after such twelve (12) month-period; *provided*, that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (iv) and (vi) of this Section 2.05(b), an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Lead Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05(b)(ii).

(iii) (A) If any Borrower or any Restricted Subsidiary incurs or issues any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.03, the Borrowers shall prepay an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds and (B) if any Borrower incurs or issues any Refinancing Term Loans, Refinancing Revolving Credit Loans, Refinancing Equivalent Debt or Replacement Term Loans to refinance all or a portion of any Class (or Classes) of Loans resulting in Net Cash Proceeds (as opposed to such Refinancing Term Loans, Refinancing Revolving Credit Loans, Refinancing Equivalent Debt or Replacement Term Loans arising out of an exchange or conversion of existing Term Loans or Revolving Credit Loans for or into such Refinancing Term Loans, Refinancing Revolving Credit Loans, Refinancing Equivalent Debt or Replacement Term Loans), the Borrowers shall cause to be prepaid an aggregate principal amount of such Class (or Classes) of Loans in an amount equal to 100% of the Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrowers of such Net Cash Proceeds.

(iv) Except as may otherwise be set forth in any Refinancing Amendment, any Extension Amendment, any Incremental Amendment or any amendment in respect of Replacement Term Loans, (A) each prepayment of Term Loans pursuant to this Section

2.05(b) shall be applied ratably to each Class of Term Loans (*provided* that (i) any prepayment of Term Loans with the Net Cash Proceeds of, or in exchange for or conversion into, Refinancing Term Loans, Refinancing Revolving Credit Loans, Refinancing Equivalent Debt or Replacement Term Loans shall be applied solely to each applicable Class or Classes of Term Loans being refinanced as selected by the Lead Borrower, and (ii) any Class of Extended Term Loans, Refinancing Term Loans, New Term Loans and Replacement Term Loans may specify that one or more other Classes of Term Loans may be prepaid prior to such Class of Extended Term Loans, Refinancing Term Loans, New Term Loans or Replacement Term Loans), (B) with respect to each Class of Term Loans, each prepayment pursuant to clauses (i) through (iii) of this Section 2.05(b) shall be applied first, to accrued interest and fees due on the amount of such prepayment of such Class of Term Loans, second, to the next eight (8) scheduled installments of principal of such Class of Term Loans in direct order of maturity and third to the remaining scheduled installments of principal (including the final payment thereof due on the applicable maturity date) of such Class of Term Loans on a pro rata basis; and (C) each such prepayment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares of such prepayment, subject to clauses (vi) and (vii) of this Section 2.05(b).

(v) If for any reason the aggregate Revolving Credit Exposures of any Facility at any time exceeds the aggregate Revolving Credit Commitments then in effect for such Facility (including as a result of the termination of any Revolving Credit Commitments on the applicable Maturity Date thereof), the Borrowers shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations with respect to such Facility in an aggregate amount equal to such excess; *provided* that the Borrowers shall not be required to Cash Collateralize the L/C Obligations of such Facility pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans for such Facility, such aggregate Outstanding Amount exceeds the aggregate Revolving Credit Commitments for such Facility then in effect. After the date of any Extension Amendment (and for so long as the Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments resulting from such Extension Amendment (or any Revolving Credit Exposure thereunder) remain outstanding), if for any reason, at any time during the five (5) Business Day period immediately preceding the applicable Maturity Date for any Non-Extended Revolving Credit Commitments, (x) the Non-Extending Revolving Credit Lenders with such Non-Extended Revolving Credit Commitments' Allocable Revolving Share of the Revolving Credit Exposure attributable to L/C Obligations and Swing Line Loans exceeds (y) the amount of the Extended Revolving Credit Commitments minus the Extending Revolving Credit Lenders' Allocable Revolving Share of the total Revolving Credit Exposure at such time, then the Borrowers shall promptly prepay or cause to be promptly prepaid Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount necessary to eliminate such excess; *provided further* that the Borrowers shall not be required to Cash Collateralize the L/C Obligations pursuant to this sentence unless after the prepayment in full of the Revolving Credit Loans and Swing Line Loans such excess has not been eliminated. Further, if for any reason, at any time during the five (5) Business Day period immediately preceding the applicable Maturity Date for any Class of Revolving Credit Commitments where there exist one or more other Classes of Revolving Credit Commitments with a later Maturity Date or Maturity Dates, and if at such time there are outstanding Letters of Credit under such respective Class or Classes, then the Borrowers shall prepay (in accordance with this Section 2.05) outstanding Revolving Credit Loans and Swing Line Loans and/or Cash Collateralize the L/C Obligations as is needed so that, after giving effect thereto, the

Revolving Credit Exposure of the Revolving Credit Lenders with such later Maturity Dates will not, after giving effect to the reallocations which will be required pursuant to Section 2.06(d), exceed the amount of their respective Revolving Credit Commitments as in effect on (and after giving effect to) the Maturity Date of such sooner maturing Revolving Credit Commitments.

(vi) Notwithstanding any other provisions of this Section 2.05(b), (A) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(b)(ii) (a “**Foreign Disposition**”), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a “**Foreign Casualty Event**”) or Excess Cash Flow attributable to Subsidiaries (other than with respect to any Australian Subsidiary) would be prohibited or delayed by (I) applicable local Law or (II) the constituent documents of any Foreign Subsidiary and other material agreements, in any case, from being repatriated to the Borrowers (if repatriation were attempted), an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) for so long as (x) the applicable local Law would not permit repatriation to Holdings or the Borrowers (the Lead Borrower hereby agrees to use commercially reasonable efforts to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation) or (y) the constituent documents of the applicable Subsidiary (including as a result of minority ownership) or other material agreements will not permit repatriation to Holdings or the Borrowers (and so long as any such prohibition on upstreaming proceeds is not entered into by any Borrower or any Subsidiary principally for the purpose of taking advantage of the foregoing restriction), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow would be permitted under the applicable local Law or applicable constituent documents or other material agreements, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation would be permitted) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (B) to the extent that the Lead Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow attributable to Foreign Subsidiaries would have an adverse tax consequence if repatriation were attempted (other than a *de minimis* amount) (including as a result of the operation of Section 956 of the Code and taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) for Holdings and its Subsidiaries, taken as a whole (as determined in good faith by the Lead Borrower and in consultation with the Administrative Agent), with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(b) until such time as it would be permitted to repatriate such amount without incurring such adverse tax consequences (at which time the Borrowers shall make a payment to repay the Term Loans to the extent provided herein). For the avoidance of doubt, nothing in this Section 2.05(b) shall require the repatriation of Excess Cash Flow or Net Proceeds from a Foreign Subsidiary to Holdings or the Borrowers.

(vii) The Lead Borrower shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans pursuant to Section 2.05(b)(i), (ii) or (iii), at least three (3) Business Days prior to the date on which such payment is due; *provided* that the Lead Borrower may rescind, or extend the date for prepayment specified in, any notice

of prepayment under Section 2.05(b)(iii) if such prepayment would have resulted from a refinancing of all or any portion of any Facility or Facilities, which refinancing shall not be consummated or shall otherwise be delayed. Such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Appropriate Lender of the contents of the Lead Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share or other applicable share provided for under this Agreement of the prepayment. Each Appropriate Lender may elect (in its sole discretion) to decline all (but not less than all) of its Pro Rata Share or other applicable share provided for under this Agreement of the prepayment (such amounts so declined, the "**Declined Amounts**") of any mandatory prepayment (other than any mandatory prepayment made under Section 2.05(b)(iii)(B)) by giving notice of such election in writing (each, a "**Rejection Notice**") to the Administrative Agent by 12:00 p.m. (New York City time), on the date that is one (1) Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed to constitute an acceptance of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the total amount of such mandatory prepayment of Term Loans. Upon receipt by the Administrative Agent of such Rejection Notice, the Administrative Agent shall immediately notify the Lead Borrower of such election. Any Declined Amount by any Lender shall be retained by the Borrowers and the other Restricted Subsidiaries and/or applied by any Borrower or any of the other Restricted Subsidiaries in any manner not inconsistent with the terms of this Agreement (such Declined Amounts retained and/or applied by the Borrowers and the other Restricted Subsidiaries, the "**Borrower Retained Prepayment Amounts**").

(c) Interest, Funding Losses, Etc. All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Term SOFR Loan or BBSY Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Term SOFR Loan or BBSY Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Term SOFR Loans or BBSY Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Term SOFR Loan or BBSY Rate Loan prior to the last day of the Interest Period therefor, the Borrowers may, in their sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made hereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from any Borrower or any other Loan Party) to immediately apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrowers may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction (or, in any case, such shorter period of time as agreed to by the Administrative Agent in its reasonable discretion), (ii) any such partial reduction shall be in an aggregate amount of \$100,000 or any whole multiple of \$100,000 in excess thereof or, if less, the entire amount thereof and (iii) if, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the Revolving Credit Commitments, then in any such case the Letter of Credit Sublimit or the Swing Line Sublimit shall be automatically reduced by the amount of such excess. Notwithstanding the foregoing, the Lead Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all or any portion of any Facility or Facilities, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory. The Initial Term Commitment of each Term Lender shall be automatically and permanently reduced to \$0 upon the making of such Term Lender's Initial Term Loans on the Restatement Date pursuant to Section 2.01. The Revolving Credit Commitments shall terminate on the applicable Maturity Date for each such Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of the unused portion of the Letter of Credit Sublimit and the Swing Line Sublimit and all Lenders of the termination or reduction of unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of any Revolving Credit Commitments shall be paid on the effective date of such termination.

(d) Termination of Non-Extended Revolving Credit Commitments. After the date of an Extension Amendment (and for so long as the Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments resulting from such Extension Amendment (or any Revolving Credit Exposure thereunder) remain outstanding), on the Maturity Date of any Non-Extended Revolving Credit Commitments resulting from such Extension Amendment, such Non-Extended Revolving Credit Commitments will terminate and the Non-Extending Revolving Credit Lenders with respect thereto will have no further obligation to make Revolving Credit Loans or Swing Line Loans or to fund L/C Advances pursuant to Section 2.03(c); *provided* that the foregoing will not release any such Non-Extending Revolving Credit Lender from any such obligation to fund Revolving Credit Loans, Swing Line Loans or L/C Advances that were required to be performed on or prior to the Maturity Date of such Non-Extended Revolving Credit Commitments. On the Maturity Date with respect to such Non-Extended Revolving Credit Commitments, all Swing Line Loans and L/C Advances shall be deemed to be outstanding with respect to (and reallocated under) the Extended Revolving Credit Commitments and the Pro Rata Shares or other applicable share provided for under this Agreement of the Revolving Credit Lenders shall be determined after giving effect to the termination of such Non-Extended Revolving Credit Commitments (in each case, subject to Section 2.05(b)(v)). On and after the Maturity Date of such Non-Extended Revolving Credit Commitments, the Extending Revolving Credit Lenders of the applicable Class of Extended Revolving Credit Commitments will be required, in accordance with their Pro Rata Shares or other applicable share provided for under this Agreement, to fund their participation in Swing Line Loans pursuant to Section 2.04(c) and fund L/C Advances pursuant to Section 2.03(c) in respect of

Unreimbursed Amounts, in each case, arising on or after such date, regardless of whether any Default existed on the Maturity Date with respect to such Non-Extended Revolving Credit Commitments; *provided* that the Revolving Credit Exposure of each Extending Revolving Credit Lender does not exceed such Extending Revolving Credit Lender's Revolving Credit Commitment.

(e) Termination of Revolving Credit Commitments. On the Maturity Date of any Class of Revolving Credit Commitments, such Revolving Credit Commitments will terminate and the respective Lenders who held such terminated Revolving Credit Commitments will have no obligation to make, or participate in, extensions of credit (whether the making of Revolving Credit Loans or Swing Line Loans or the issuance of Letters of Credit) made pursuant to such Revolving Credit Commitments after such Maturity Date; *provided* that, except as expressly provided in the immediately succeeding sentence, (x) the foregoing shall not release any Revolving Credit Lender from liability it may have for its failure to fund Revolving Credit Loans, Swing Line Loans or L/C Advances that were required to be performed by it on or prior to such Maturity Date and (y) the foregoing will not release any Revolving Credit Lender from any obligation to fund its portion of L/C Advances with respect to Letters of Credit or of the risk participation in any Swing Line Loans with respect to Swing Line Loans, issued or made, respectively, prior to such Maturity Date. If on the Maturity Date applicable to any Revolving Credit Commitments there exist additional Revolving Credit Commitments, which have a later Maturity Date or later Maturity Dates, then all Swing Line Loans, L/C Advances and participations in Letters of Credit and Swing Line Loans shall be deemed outstanding with respect to (and reallocated under) such additional Revolving Credit Commitments and the Pro Rata Shares of the Revolving Credit Lenders shall be determined to give effect to the termination of the Revolving Credit Commitments with respect to which the Maturity Date has occurred in each case so long as, after giving effect to such reallocation, no Revolving Credit Lender shall have a Revolving Credit Exposure which exceeds such Lender's Revolving Credit Commitments which have not matured prior to such date.

Section 2.07 Repayment of Loans.

(a) Term Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (i) on the last Business Day of each March, June, September and December, an aggregate amount equal to (A) with respect to each such payment date occurring on or prior to the last business day of December, 2027, commencing with the last Business Day of December, 2025, 1.875% of the aggregate principal Dollar Amount of all Initial Term Loans outstanding on the Restatement Date, and (B) with respect to each such payment date occurring thereafter, 2.50% of the aggregate principal Dollar Amount of all Initial Term Loans outstanding on the Restatement Date (in each case as such repayment amount shall be reduced as a result of the application of prepayments in accordance with the order of priority determined under Section 2.05); *provided* that at the time of any effectiveness of any Extension Amendment with respect to the Initial Term Loans, the scheduled amortization with respect to the Initial Term Loans set forth above shall be reduced ratably to reflect the percentage of Initial Term Loans converted to Extended Term Loans pursuant to such Extension Amendment (but will not affect the amount of amortization received by a given Lender with outstanding Initial Term Loans), (ii) the amortization for any new Class of Term Loans established pursuant to an Incremental Amendment, a Refinancing Amendment, an Extension Amendment or an amendment to this Agreement in respect of Replacement Term Loans (if any) as shall be agreed in accordance with the terms and conditions hereof and specified in such Incremental Amendment, Refinancing Amendment, Extension Amendment or amendment to this Agreement in respect of Replacement Term Loans, as applicable, and (iii) on the Maturity Date for each Class of Term Loans, the aggregate principal amount of all such Term Loans outstanding on such date; *provided* that the repayments under this clause may be adjusted to account for the addition of any New Term Loans, including any increase

to payments to the extent, and as required pursuant to, the terms of any applicable Incremental Amendment involving a Term Loan Increase to any Class of Term Loans.

(b) Revolving Credit Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (i) on the applicable Maturity Date for the Revolving Credit Facilities of a given Class the aggregate principal amount of all of the Revolving Credit Loans of such Class outstanding on such date, (ii) after the date of an Extension Amendment, on the Maturity Date with respect to any Non-Extended Revolving Credit Commitments of a given Class, the aggregate principal amount of all related Non-Extended Revolving Credit Loans of such Class outstanding on such date and (iii) after the date of an Extension Amendment, on the Maturity Date with respect to the Extended Revolving Credit Commitments of a given Class, the aggregate principal amount of all related Extended Revolving Credit Loans of such Class outstanding on such date.

(c) Swing Line Loans. The Borrowers shall repay their Swing Line Loans on the earlier to occur of (i) the date five (5) Business Days after such Swing Line Loan is made and (ii) the Maturity Date for the Revolving Credit Facility.

Section 2.08 Interest. (a) Subject to the provisions of Section 2.08(b), (i) each Term SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Term SOFR for such Interest Period plus the Applicable Rate, (ii) each BBSY Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the BBSY Bid for such Interest Period plus the Applicable Rate, (iii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate and (iv) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans.

(b) The Borrowers shall pay interest on past due amounts hereunder owing at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws (*provided*, for the avoidance of doubt, that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender). Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law or an Australian Insolvency Event in relation to an Australian Loan Party.

(d) All computations of interest hereunder shall be made in accordance with Section 2.10.

Section 2.09 Fees.

(a) Commitment Fee. With respect to each Class of Revolving Credit Commitments, the Borrowers shall pay to the Administrative Agent (i) for any period prior to the date on which an Extension Amendment becomes effective, for the account of each Revolving Credit Lender under each Class of Revolving Credit Commitments then in effect in accordance with its Pro Rata Share, a commitment fee equal to clause (c) of the Applicable Rate with respect to commitment

fees then in effect for each such Class of Revolving Credit Commitments times the actual daily amount by which the aggregate Revolving Credit Commitments for each such Class exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans (for the avoidance of doubt, excluding any Swing Line Loans) under each such Class and (B) the Outstanding Amount of L/C Obligations for each such Class and (ii) for any period after the date on which an Extension Amendment becomes effective (and for so long as the Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments resulting from such Extension Amendment (or any Revolving Credit Exposure thereunder) remain outstanding), for the account of each Non-Extending Revolving Credit Lender and each Extending Revolving Credit Lender under each Class of Non-Extended Revolving Credit Commitments and Extended Revolving Credit Commitments resulting from such Extension Amendment in accordance with its Other Allocable Share of such Non-Extended Revolving Credit Commitments and such Extended Revolving Credit Commitments, respectively, a commitment fee equal to the Applicable Rate with respect to commitment fees in respect of such Non-Extended Revolving Credit Commitments or the Extended Revolving Credit Commitments, as the case may be, times the Allocable Revolving Share of the Non-Extending Revolving Credit Lenders or the Extending Revolving Credit Lenders, as the case may be, of the actual daily amount by which the aggregate Revolving Credit Commitments for each such Class exceed the sum of (A) the Outstanding Amount of Revolving Credit Loans (for the avoidance of doubt, excluding any Swing Line Loans) under each such Class and (B) the Outstanding Amount of L/C Obligations under each such Class; *provided* that any commitment fee accrued with respect to any of the Revolving Credit Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrowers so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrowers prior to such time; and provided further that no commitment fee shall accrue on any of the Revolving Credit Commitments under any Facility of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fees for the Revolving Credit Facility shall accrue at all times from the date hereof (or from the date on which Revolving Credit Commitments for the applicable Facility come into effect in accordance with the terms hereof) until the Original Revolving Credit Maturity Date or the applicable Maturity Date for such Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the last Business Day of December, 2025, and on the applicable Maturity Date for such Facility (and on the Maturity Date for any Non-Extended Revolving Credit Commitments (with respect to commitment fees accrued for the accounts of Non-Extending Revolving Credit Lenders) and the Maturity Date for Extended Revolving Credit Commitments (with respect to commitment fees accrued for the accounts of Extending Revolving Credit Lenders) for any such Facility in respect of which an Extension Amendment has been effected). The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) **Other Fees.** The Borrowers shall pay to the Agents and the Lead Arrangers such fees as shall have been separately agreed upon in writing (including pursuant to the Fee Letter) in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Lead Borrower and the applicable Agent or Lead Arranger, as the case may be).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans and BBSY Rate Loans shall be made on the basis of a year of three hundred and sixty-five (365) days or three hundred and sixty-six (366) days, as the case may be, and actual days elapsed. All other

computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. In computing interest on any Loan, the day such Loan is made or converted to a Loan of a different Type shall be included for purposes of calculating interest on a Loan of such different Type and the date such Loan is subsequently repaid or converted to a Loan of a different Type, as the case may be, shall be excluded. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness. (a) Subject to Section 10.07(c), the Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as a non-fiduciary agent for the Borrowers. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note or Notes payable to such Lender, which shall, subject to Section 10.07(c), evidence such Lender's Loans of the applicable Class or Classes in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice, accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its account or accounts pursuant to Sections 2.11(a) and (b), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrowers under this Agreement and the other Loan Documents.

(d) Notwithstanding anything to the contrary contained above in this Section 2.11 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request, maintain, obtain or produce a Note evidencing its Loans to the Borrowers shall affect or in any manner impair the obligations of the Borrowers to pay the Loans (and all related Obligations) incurred by the

Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Loan Documents.

Section 2.12 Payments Generally. (a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment in Dollars and in Same Day Funds not later than 2:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that, if such extension would cause payment of interest on or principal of Term SOFR Loans or BBSY Rate Loans, as applicable, to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless any Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that such Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that such Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(i) If any Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds (x) for payments in Dollars, at the Federal Funds Rate from time to time in effect and (y) for payments in Australian Dollars, the rate notified by the Administrative Agent to be that which expresses as a percentage rate per annum, the cost to the Administrative Agent of funding the payment from whatever source it may reasonably select; and

(ii) If any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrowers to the date such amount is recovered by the Administrative Agent (the "**Compensation Period**") at a rate per annum equal to (x) for payments in Dollars, at the Federal Funds Rate from time to time in effect and (y) for payments in Australian Dollars, the rate notified by the Administrative Agent to be that which expresses as a percentage rate per annum, the cost to the Administrative Agent of funding the payment from whatever source it may reasonably select. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon),

then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrowers, and the Borrowers shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share or other applicable share provided for under this Agreement of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

(h) Notwithstanding anything to the contrary contained in this Agreement or any other Loan Documents, proceeds that constitute assets of an Affected Subsidiary shall not be applied to any Obligations of a U.S. Person (such Obligations, "**U.S. Obligations**") unless constituting a payment made by, and at the direction of, a Loan Party. Proceeds that constitute assets of an Affected Subsidiary which are not applied to the U.S. Obligations in accordance with the terms of the immediately preceding sentence shall instead be applied to any Obligations under this

Agreement (or any other Loan Documents) of Loan Parties that are not U.S. Persons in the order of priority as otherwise determined pursuant to this Agreement (or any other Loan Documents, as applicable).

Section 2.13 Sharing of Payments, Etc. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its Pro Rata Share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, with each of them in accordance with their respective Pro Rata Share; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's Pro Rata Share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The provisions of this clause shall not be construed to apply to (A) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement as in effect from time to time or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Laws, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Credit Extensions. (a) The Lead Borrower may at any time or from time to time after the Restatement Date, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) one or more additional tranches of term loans (the "**New Term Loans**"), which may be of the same Class as any existing Class of Term Loans (a "**Term Loan Increase**") or a separate Class of Term Loans (collectively with any Term Loan Increase, the "**New Term Commitments**") or (ii) one or more increases in the amount of the Revolving Credit Commitments (each such increase, a "**Revolving Commitment Increase**" or the "**New Revolving Credit Commitments**"); *provided* that (i) except as provided in the immediately following clause (ii), both immediately before and immediately after the effectiveness of any Incremental Amendment referred to below, (A) no Event of Default shall exist and (B) the conditions precedent in Section 4.02(a) shall be satisfied (for this purpose without regard to the exclusion of the applicability of this condition to Borrowings pursuant to Incremental Amendments by operation of the lead-in paragraph of Section 4.02) or (ii) with respect to any incurrence of Loans pursuant to an Incremental Amendment the purpose of which is to finance a Limited Condition Transaction (or if the Required Lenders otherwise consent), (I) no Event of Default shall exist, and the condition precedent in Section 4.02(a) shall be satisfied, in each case as of the date the definitive documentation for such transaction is executed, (II) no Event of Default under Section

8.01(a) or Section 8.01(f) shall have occurred and be continuing after giving effect thereto and (III) the Borrowers shall have satisfied such other conditions to funding as may be required by the applicable Lenders providing the Loans to be funded pursuant to such Incremental Amendment (which conditions described in this clause (III) may be waived or omitted in full or in part by the applicable lenders providing such Loans).

Each tranche of New Term Loans shall be in an aggregate principal amount that is not less than \$1,000,000 (provided that such amount may be less than \$1,000,000 if such lesser amount is approved by the Administrative Agent or such amount represents all remaining availability under the limit set forth in the next sentence) and each New Revolving Credit Commitments shall be in an aggregate principal amount that is not less than \$1,000,000 (provided that such amount may be less than \$1,000,000 if such lesser amount is approved by the Administrative Agent or such amount represents all remaining availability under the limit set forth in the next sentence). Notwithstanding anything to the contrary herein, the aggregate principal amount of the New Term Loans at the time of incurrence or issuance thereof, when added to the aggregate principal amount of New Revolving Credit Commitments and any Incremental Equivalent Debt incurred or issued substantially simultaneously with the incurrence of such New Term Loans and/or New Revolving Credit Commitments, as applicable, shall not exceed the Available Incremental Amount at the time of incurrence or issuance thereof.

(b) The terms and provisions of New Term Commitments or New Revolving Credit Commitments, as the case may be (and the Loans in respect of the foregoing), of any Class shall be as agreed between the Lead Borrower and the lenders providing such New Term Commitments or New Revolving Credit Commitment; provided, that:

(i) [reserved],

(ii) New Term Loans shall not mature earlier than the Original Term Loan Maturity Date (prior to any extension thereto),

(iii) New Term Loans shall have a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Initial Term Loans (prior to any extension thereto),

(iv) the currency, discounts, premiums, fees, optional prepayment and redemptions terms and, subject to clauses (ii) and (iii) above, the maturity date and amortization schedule, in each case, applicable to any New Term Loans shall be determined by the Borrowers and the Lenders thereunder, and (y) the New Revolving Credit Commitments shall be on the same terms (excluding OID, upfront fees and arrangement, structuring or other fees payable in connection therewith) and pursuant to the same documentation applicable to the Revolving Credit Facility,

(v) the interest rate (including margin and floors) applicable to any New Term Loans will be determined by the Borrowers and the Lenders providing such New Term Loans; *provided* that if the All-In Yield applicable to any such New Term Loans exceeds the All-In Yield of the Initial Term Loans made on the Restatement Date at such time by more than 50 basis points, then the interest rate margins for the Initial Term Loans shall be increased to the extent necessary so that the All-In Yield of the Initial Term Loans is equal to the All-In Yield of such New Term Loans minus 50 basis points; *provided* that any increase in All-In Yield to any Initial Term Loan due solely to the application or imposition of a Term SOFR or Base Rate floor on any New Term Loan shall be effected, at the Lead Borrower's option, (x) through an increase in (or implementation of, as applicable) any

Term SOFR or Base Rate floor applicable to such Initial Term Loan, (y) through an increase in the Applicable Rate for such Initial Term Loan or (z) any combination of (x) and (y) above, and in each case, solely to the extent that the application or imposition of such floor would cause an increase in the interest rate then in effect under the Initial Term Loans,

(vi) the New Term Loans may provide for the ability to participate on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) in any voluntary repayments or prepayments of principal of Term Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment of such New Term Loans under Section 2.05(b)(i)(B)) in any mandatory repayments or prepayments of principal of Term Loans hereunder,

(vii) such New Term Loans or New Revolving Credit Commitments, as applicable, shall be incurred or issued by the Borrowers and shall not be subject to any Guarantee by any Person other than a Loan Party;

(viii) in the case of New Term Loans or New Revolving Commitments that are secured, (A) the obligations in respect thereof shall not be secured by any Lien on any asset other than any asset constituting Collateral, and (B) the security agreements relating to such Indebtedness shall be substantially the same as the Collateral Documents (with such differences as are appropriate to reflect the nature of such Indebtedness and are otherwise reasonably satisfactory to the Administrative Agent);

(ix) except as set forth above, terms of any such New Term Commitments (and the Loans in respect thereof) shall be no more favorable to the New Lenders than those applicable to the Term Loans (except for (1) covenants or other provisions applicable only to periods after the Latest Maturity Date of the Term Loans, and (2) pricing, fees, rate floors, premiums, optional prepayment or redemption terms); *provided* that (A) except as provided in preceding clauses (i) through (vi), the terms and conditions applicable to such New Term Commitments, New Term Loans, New Revolving Credit Commitments and New Revolving Credit Loans may be different from those of the Term Loans and the Revolving Credit Loans, as applicable, to the extent either (x) such differences are reasonably acceptable to the Administrative Agent or (y) reflect market terms and conditions at the time of incurrence or issuance thereof as determined by the Lead Borrower and the Administrative Agent (it being understood that those terms differing from those with respect to the Term Loans and the Revolving Credit Loans, as applicable, that are applicable only to periods after the Latest Maturity Date of the Term Loans and the Revolving Credit Loans, as applicable, are acceptable) and (B) in the case of a Term Loan Increase or a Revolving Commitment Increase, the terms, provisions and documentation of such Term Loan Increase or a Revolving Commitment Increase shall be identical (other than with respect to upfront fees and OID and arrangement, structuring, underwriting, ticking or similar fees payable in connection therewith) to the applicable Term Loans or Revolving Credit Commitments being increased, in each case, as existing on the respective Incremental Facility Closing Date.

(c) Each notice from the Lead Borrower pursuant to this Section shall set forth the requested amount and proposed terms of the relevant New Term Loans or New Revolving Credit Commitments and the date on which the Lead Borrower proposes that the same shall be effective (each, an “**Incremental Amount Date**”). New Term Loans may be made, and New Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender shall have

any obligation to make a portion of any New Term Loan or to provide any portion of any New Revolving Credit Commitments) or by any Additional Lender; *provided*, that no Additional Lender that is an Affiliated Lender or an Affiliated Debt Fund, shall be permitted to make or provide (x) New Revolving Credit Commitments or (y) New Term Loans, unless the requirements of Section 10.07(h) and (i) (as applicable) shall be met, assuming that the making or provision of such New Term Loans is an assignment of such New Term Loans to such Person. Commitments in respect of New Term Loans and New Revolving Credit Commitments shall become Commitments (or in the case of a New Revolving Credit Commitments to be provided by an existing Revolving Credit Lender, an increase in such Lender's applicable Revolving Credit Commitment) under this Agreement pursuant to an amendment (an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Lead Borrower, each existing Lender agreeing to provide such Commitment, if any, each Additional Lender agreeing to provide such Commitment, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14. The effectiveness of (and, in the case of any Incremental Amendment for New Term Loans or New Revolving Credit Commitments, any Credit Extension under) any Incremental Amendment shall be subject to the satisfaction on the date thereof (each, an "**Incremental Facility Closing Date**") of each of the conditions as the Lead Borrower and the Lenders providing such Commitment shall agree, including, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (a) (i) customary officer's certificates and board resolutions and (ii) customary opinions of counsel to the Loan Parties, in each case, consistent with those delivered on the Restatement Date (other than changes to legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent) and (b) supplemental or reaffirmation agreements and/or such amendments to the Collateral Documents and/or the Guaranty as may be reasonably requested by the Administrative Agent (including Mortgage amendments (if applicable)) in order to ensure that any New Term Commitment or New Revolving Credit Commitments (as applicable) are provided with the benefit of the applicable Loan Documents. The Borrowers shall use the proceeds (if any) of the New Term Loans, New Revolving Credit Commitments and Letters of Credit issued pursuant to any New Revolving Credit Commitments for any purpose not prohibited by this Agreement. No Lender shall be obligated to provide any New Term Loans or New Revolving Credit Commitments unless it so agrees.

(d) Upon any Incremental Facility Closing Date on which New Revolving Credit Commitments are effected through the establishment of a new Class of Revolving Credit Commitments pursuant to this Section 2.14, (i) if, on such date, there are any Revolving Credit Loans under any other Class of Revolving Credit Commitments then outstanding, such Revolving Credit Loans shall be prepaid from the proceeds of a new Borrowing of the New Revolving Credit Loans under such new Class of New Revolving Credit Commitments in such amounts as shall be necessary in order that, after giving effect to such Borrowing and all such related prepayments, all Revolving Credit Loans under all Revolving Credit Facilities then existing (including such New Revolving Credit Commitments) will be held by all Lenders under all such Revolving Credit Facilities (including New Revolving Credit Lenders) ratably in accordance with their respective Pro Rata Shares under all Revolving Credit Facilities (after giving effect to the establishment of such New Revolving Credit Commitments), (ii) in the case of any other Revolving Credit Commitment then existing, there shall be an automatic adjustment to the participations hereunder in Letters of Credit and Swing Line Loans held by each Lender under such Revolving Credit Facilities so that each such Lender shares ratably in such participations in accordance with their respective Pro Rata Shares under all Revolving Credit Commitments (after giving effect to the

establishment of such New Revolving Credit Commitments), (iii) each New Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (iv) each New Revolving Credit Lender shall become a Lender with respect to the New Revolving Credit Commitments and all matters relating thereto. Upon any Incremental Facility Closing Date on which New Revolving Credit Commitments are effected through a Revolving Commitment Increase, if, on the date of such increase, there are any Revolving Credit Loans outstanding under the applicable Class, each of the Revolving Credit Lenders under such Class shall assign to each of the New Revolving Credit Lenders, and each of the New Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders under such Class, at par, such interests in the Revolving Credit Loans outstanding under such Class on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans under such Class will be held by existing Revolving Credit Lenders under such Class and New Revolving Credit Lenders under such Class in accordance with their respective Pro Rata Shares under such Class after giving effect to the addition of such New Revolving Credit Commitments to the Revolving Credit Commitments under such Class. The Administrative Agent and the Lenders hereby agree that neither the minimum borrowing and prepayment requirements in Sections 2.02 and 2.05(a) of this Agreement, nor Section 2.13, shall apply to the transactions effected pursuant to the two preceding sentences.

(e) Any New Term Commitment (other than with respect to the Term Loan Increase) shall be designated a separate Class of Term Loans for all purposes of this Agreement. This Section 2.14 shall supersede any provisions in Section 2.05, Section 2.12, Section 2.13, Section 8.03 or Section 10.01 to the contrary.

Section 2.15 Refinancing Amendments. (a) The Lead Borrower may, at any time or from time to time after the Restatement Date, by notice to the Administrative Agent (a “**Refinancing Loan Request**”), request (A) (i) the establishment of one or more new Classes of term loans under this Agreement (any such new Class, “**New Refinancing Term Commitments**”) or (ii) increases to one or more existing Classes of term loans under this Agreement (any such increase to an existing Class, collectively with New Refinancing Term Commitments, “**Refinancing Term Commitments**”), or (B) increases to one or more existing Classes of Revolving Credit Commitments (any such increase to an existing Class, “**Refinancing Revolving Credit Commitments**”, and collectively with any Refinancing Term Commitments, “**Refinancing Commitments**”), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, as selected by the Lead Borrower, any one or more then existing Class or Classes of Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, “**Refinanced Debt**”), whereupon the Administrative Agent shall promptly deliver a copy of each such notice to each of the Lenders.

(b) Any Refinancing Term Loans made pursuant to New Refinancing Term Commitments made on a Refinancing Facility Closing Date shall be designated a separate Class of Refinancing Term Loans or Refinancing Revolving Credit Commitments, as applicable, for all purposes of this Agreement. On any Refinancing Facility Closing Date on which any Refinancing Term Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing Term Lender of such Class shall make a Term Loan to the Borrowers (a “**Refinancing Term Loan**”) in an amount equal to its Refinancing Term Commitment of such Class and (ii) each Refinancing Term Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term Commitment of such Class and the Refinancing Term Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Revolving Credit Commitments of any Class are effected, subject to the satisfaction of the terms and conditions in this Section 2.15, (i) each Refinancing

Revolving Credit Lender of such Class shall make its Refinancing Revolving Credit Commitment available to the Borrowers (any Loan incurred thereunder, a “**Refinancing Revolving Credit Loan**” and collectively with any Refinancing Term Loan, a “**Refinancing Loan**”) and (ii) each Refinancing Revolving Credit Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Credit Commitment of such Class and the Refinancing Revolving Credit Loans of such Class made pursuant thereto.

(c) Each Refinancing Loan Request from the Lead Borrower pursuant to this Section 2.15 shall set forth the requested amount and proposed terms of the relevant Refinancing Term Loans or Refinancing Revolving Credit Commitments and identify the Refinanced Debt with respect thereto. Refinancing Term Loans may be made, and Refinancing Revolving Credit Commitments may be provided, by any existing Lender (but no existing Lender shall have any obligation to make any portion of any Refinancing Term Loan or any obligation to provide any portion of any Refinancing Revolving Credit Commitments) or by any Additional Lender; *provided*, that no Additional Lender that is an Affiliated Lender or an Affiliated Debt Fund, shall be permitted to make or provide (x) Refinancing Revolving Credit Commitments or (y) Refinancing Term Loans unless the requirements of Section 10.07(h) and (i) (as applicable) shall be met, assuming that the making or provision of such Refinancing Term Loans is an assignment of such Refinancing Term Loans to such Person (each such existing Lender or Additional Lender providing such Commitment or Loan, a “**Refinancing Revolving Credit Lender**” or “**Refinancing Term Lender**,” as applicable, and, collectively, “**Refinancing Lenders**”).

(d) The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction on the date thereof (a “**Refinancing Facility Closing Date**”) of each of the following conditions, together with any other conditions set forth in such Refinancing Amendment:

(i) after giving effect to such Refinancing Commitments, the conditions of Section 4.02(a) and (b) shall be satisfied (it being understood that all references to “the date of such Credit Extension” or similar language in such Section 4.02 shall be deemed to refer to the applicable Refinancing Facility Closing Date),

(ii) each Refinancing Commitment shall be in an aggregate principal amount that is not less than \$1,000,000 (provided that such amount may be less than \$1,000,000 if such amount is equal to (x) the entire outstanding principal amount of Refinanced Debt that is in the form of Term Loans or (y) the entire outstanding principal amount of Refinanced Debt (or commitments with respect thereto) that is in the form of Revolving Credit Commitments and/or Revolving Credit Exposure thereunder),

(iii) to the extent reasonably requested by the Administrative Agent, the receipt by the Administrative Agent of (A) (I) customary officer’s certificates and board resolutions and (II) customary opinions of counsel to the Loan Parties, in each case, consistent with those delivered on the Restatement Date (other than changes to legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably satisfactory to the Administrative Agent) and (B) supplemental or reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent (including Mortgage amendments, if applicable) in order to ensure that any Refinancing Term Commitment or Refinancing Revolving Credit Commitments (as applicable) are provided with the benefit of the applicable Loan Documents, and

(iv) the Refinancing Term Loans made pursuant to any increase in any existing Class of Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under the respective Class so incurred on a pro rata basis (based on the principal amount of each Borrowing) so that each Lender under such Class will participate proportionately in each then outstanding Borrowing of Term Loans under such Class in accordance with its Pro Rata Share.

(e) The terms and provisions of the Refinancing Term Commitments or Refinancing Revolving Credit Commitments, as the case may be (and the Loans in respect of the foregoing), of any Class shall be as agreed between the Lead Borrower and the lenders providing such Refinancing Term Commitments or Refinancing Revolving Credit Commitment; provided, that:

(i) if secured, such Refinancing Term Commitments and Refinancing Revolving Credit Commitments may not be (I) secured by any assets other than Collateral or (II) guaranteed by any Person other than a Guarantor or (III) secured by security documentation that is more restrictive to the Borrowers and the Guarantors than the Loan Documents,

(ii) Refinancing Term Loans shall not mature earlier than the Maturity Date of the applicable Refinanced Debt as then in effect,

(iii) Refinancing Term Loans shall have a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the applicable Refinanced Debt,

(iv) the currency, discounts, premiums, fees, optional prepayment and redemptions terms and, subject to clauses (ii) and (iii) above, the amortization schedule applicable to any Refinancing Term Loans shall be determined by the Lead Borrower and the Lenders thereunder, and (y) the currency, discounts, premiums, fees and optional prepayment and redemptions terms applicable to any Refinancing Revolving Credit Commitments shall be determined by the Lead Borrower and the Lenders thereunder,

(v) the interest rate (including margin and floors) applicable to any Refinancing Term Loans or Refinancing Revolving Credit Commitments will be determined by the Lead Borrower and the Lenders providing such Refinancing Term Loans or such Refinancing Revolving Credit Commitments,

(vi) the Refinancing Term Loans may provide for the ability to participate on a pro rata basis or less than pro rata basis (but not greater than a pro rata basis) in any voluntary repayments or prepayments of principal of Term Loans hereunder and on a pro rata basis or less than a pro rata basis (but not greater than a pro rata basis except in the case of a prepayment under Section 2.05(b)(i)(B)) in any mandatory repayments or prepayments of principal of Term Loans hereunder,

(vii) the Maturity Date of any Class of Refinancing Revolving Credit Commitments shall be no earlier than the maturity of the applicable Refinanced Debt and will require no scheduled amortization or mandatory commitment reduction prior to the maturity of the applicable Refinanced Debt,

(viii) with respect to any Refinancing Revolving Credit Commitments, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates

on Refinancing Revolving Credit Commitments (and related outstandings), (B) repayments required upon the Maturity Date of any Revolving Credit Commitments and (C) repayments made in connection with a permanent repayment and termination of commitments (subject to clause (3) below)) of Revolving Credit Loans with respect to Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a pro rata basis with all other Revolving Credit Commitments, (2) subject to the provisions of Section 2.06(d) to the extent dealing with Swing Line Loans or Letters of Credit which mature or expire after a Maturity Date when there exist Revolving Credit Commitments with a later Maturity Date, all Swing Line Loans and Letters of Credit shall be participated by all Lenders with Revolving Credit Commitments (including, without limitation, such New Revolving Credit Commitments) in accordance with their respective Pro Rata Shares of the Revolving Credit Commitments (and except as provided in Section 2.06(d)), without giving effect to changes thereto on an earlier Maturity Date with respect to Swing Line Loans theretofore incurred and Letters of Credit theretofore issued) and (3) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Refinancing Revolving Credit Commitments after the associated Refinancing Facility Closing Date shall be made on a pro rata basis with all other Revolving Credit Commitments, except that the Borrowers shall be permitted, in their sole discretion, to permanently repay and terminate commitments of any such Class on greater than a pro rata basis (x) as compared to any other Class with a later Maturity Date than such Class and (y) as compared to any other Class in connection with the refinancing thereof with Refinancing Revolving Credit Commitments,

(ix) Refinancing Term Loans shall not have a greater principal amount than the principal amount of the applicable Refinanced Debt plus any accrued but unpaid interest and fees on such Refinanced Debt plus existing commitments unutilized under such Refinanced Debt to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Debt and any defeasance costs and any reasonable fees and expenses (including OID, upfront fees and arrangement, underwriting, structuring or other similar fees) incurred in connection with the issuance of such Refinancing Term Loans,

(x) Refinancing Revolving Credit Commitments shall not have a greater principal amount of Commitments than the principal amount of the utilized Commitments of the applicable Refinanced Debt plus any accrued but unpaid interest and fees on such Refinanced Debt plus existing commitments unutilized under such Refinanced Debt to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Debt and any defeasance costs and any reasonable fees and expenses (including OID, upfront fees and arrangement, underwriting, structuring or other similar fees) incurred in connection with the issuance of such Refinancing Revolving Credit Commitments or Refinancing Revolving Credit Loans,

(xi) except as set forth above, the material terms and conditions of any such Refinancing Term Commitments or Refinancing Revolving Credit Commitments (and the Loans in respect thereof) shall be (taken as a whole) no more favorable (as reasonably determined by the Lead Borrower in good faith) to the Refinancing Lenders providing such Refinancing Term Commitments or Refinancing Revolving Credit Commitments, as applicable, than those applicable to the applicable Refinanced Debt (except for (1) covenants or other provisions applicable only to periods after the Maturity Date of the

applicable Refinanced Debt and (2) pricing, fees, rate floors, premiums, optional prepayment or redemption terms) unless such terms and conditions reflect market terms and conditions for such Refinancing Term Commitments or Refinancing Revolving Credit Commitments, as applicable, at the time of incurrence or issuance thereof (in each case, as determined by the Lead Borrower and the Administrative Agent in good faith), and

(xii) notwithstanding the foregoing, Refinancing Term Commitments of the kind described in Section 2.15(a)(A)(ii) (and the Refinancing Term Loans made pursuant thereto) and Refinancing Revolving Credit Commitments of the kind described in Section 2.15(a)(B)(ii) (and the Refinancing Revolving Credit Loans made pursuant thereto) shall form part of the same Class as, and have identical terms to, the applicable Class of Term Loans or Revolving Credit Commitments (as applicable) to which they apply.

(f) Commitments in respect of Refinancing Term Loans and Refinancing Revolving Credit Commitments shall become Commitments under this Agreement pursuant to an amendment (a “**Refinancing Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Lead Borrower, each existing Lender agreeing to provide such Commitment, if any, each Additional Lender agreeing to provide such Commitment, if any, and the Administrative Agent. The Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.15. The Borrowers will use the proceeds, if any, of the Refinancing Term Loans and Refinancing Revolving Credit Commitments in exchange for, or to extend, renew, replace, repurchase, retire or refinance, and shall permanently terminate applicable commitments under, the applicable Refinanced Debt, in each case, in accordance with Section 2.05(b)(i)(B).

(g) Upon any Refinancing Facility Closing Date on which Refinancing Revolving Credit Commitments are effected through the establishment of a new Class of Revolving Credit Commitments pursuant to this Section 2.15, (a) if, on such date, there are any Revolving Credit Loans under any Class of Revolving Credit Commitments then outstanding, such Revolving Credit Loans shall be prepaid from the proceeds of a new Borrowing of the Refinancing Revolving Credit Loans under such new Class of Refinancing Revolving Credit Commitments in such amounts as shall be necessary in order that, after giving effect to such Borrowing and all such related prepayments, all Revolving Credit Loans under all Revolving Credit Facilities then existing (including such Refinancing Revolving Credit Commitments) will be held by all Lenders under all such Revolving Credit Facilities (including Lenders providing such Refinancing Revolving Credit Commitments) ratably in accordance with their respective Pro Rata Share under all Revolving Credit Facilities (after giving effect to the establishment of such Refinancing Revolving Credit Commitments), (b) in the case of any other Revolving Credit Commitment then existing, there shall be an automatic adjustment to the participations hereunder in Letters of Credit and Swing Line Loans held by each Lender under such Revolving Credit Facilities so that each such Lender shares ratably in such participations in accordance with their respective Pro Rata Shares under all Revolving Credit Commitments (after giving effect to the establishment of such Refinancing Revolving Credit Commitments), (c) each Refinancing Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Credit Loan and (d) each Refinancing Revolving Credit Lender shall become a Lender with respect to the Refinancing Revolving Credit Commitments and all matters relating thereto. Upon any Refinancing Facility Closing Date on which Refinancing Revolving Credit Commitments are effected through the increase to any existing Class of Revolving Credit Commitments pursuant to this Section 2.15, if, on the date of such increase, there

are any Revolving Credit Loans outstanding under the applicable Class, each of the Revolving Credit Lenders under such Class shall be deemed to assign to each of the Refinancing Revolving Credit Lenders, and each of the Refinancing Revolving Credit Lenders shall purchase from each of the Revolving Credit Lenders under such Class, at par, such interests in the Revolving Credit Loans outstanding under such Class on such Refinancing Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans under such Class will be held by existing Revolving Credit Lenders under such Class and Refinancing Revolving Credit Lenders under such Class in accordance with their respective Pro Rata Shares under such Class after giving effect to the addition of such Refinancing Revolving Credit Commitments to the Revolving Credit Commitments under such Class. The Administrative Agent and the Lenders hereby agree that neither the minimum borrowing and prepayment requirements in Sections 2.02 and 2.05(a) of this Agreement, nor Section 2.13, shall apply to the transactions effected pursuant to the two preceding sentences.

(h) Any New Refinancing Term Commitment or New Refinancing Revolving Credit Commitment shall be designated a separate Class of Term Loans or Revolving Credit Commitments, as applicable, for all purposes of this Agreement.

(i) In lieu of incurring any Refinancing Term Loans, the Lead Borrower may, upon notice to the Administrative Agent, at any time or from time to time after the Restatement Date issue, incur or otherwise obtain (A) secured Indebtedness in the form of one or more series of senior secured notes that are secured on a pari passu basis with the Obligations (but without regard to the control of remedies) (such notes, “**Permitted Pari Passu Secured Refinancing Debt**”), (B) secured Indebtedness in the form of one or more series of second lien (or other junior lien) secured notes or second lien (or other junior lien) secured loans (such notes or loans, “**Permitted Junior Secured Refinancing Debt**”) and (C) senior unsecured or subordinated unsecured Indebtedness in the form of one or more series of unsecured or subordinated notes or loans (such notes or loans, “**Permitted Unsecured Refinancing Debt**” and together with Permitted Pari Passu Secured Refinancing Debt and Permitted Junior Secured Refinancing Debt, “**Refinancing Equivalent Debt**”), in each case, in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, any existing Class or Classes of Loans (such Loans, “**Refinanced Loans**”).

(i) Any Refinancing Equivalent Debt:

(A) (1) shall not have a final scheduled maturity date earlier than the Maturity Date of the Refinanced Loans, (2) shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of the applicable Refinanced Loans, (3) shall not be guaranteed by Persons other than Guarantors, (4) if in the form of subordinated Permitted Unsecured Refinancing Debt, shall be subject to a subordination agreement or provisions as reasonably agreed by the Administrative Agent and the Lead Borrower, (5) shall not have a greater principal amount than the principal amount of the Refinanced Loans plus any accrued but unpaid interest and fees on such Refinanced Loans plus existing commitments unutilized under such Refinanced Loans to the extent permanently terminated at the time of incurrence of such new Indebtedness plus the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such Refinanced Loans and any defeasance costs and any reasonable fees and expenses (including OID, upfront fees or similar fees) incurred in connection with the issuance of such Refinancing Equivalent Debt, and (6) the covenants and events of default applicable to such Refinancing Equivalent Debt shall not be, when taken as a whole, materially more favorable,

to the holders of such Indebtedness than those applicable to the Refinanced Loans (except for covenants or other provisions applicable only to periods after the Maturity Date for such Refinanced Loans) unless such covenants and events of default for such Refinancing Equivalent Debt are reflective of market terms and conditions for the type of Indebtedness incurred or issued at the time of issuance or incurrence thereof (in each case, as determined by the Lead Borrower and the Administrative Agent in good faith); *provided* that a certificate of the Lead Borrower delivered to the Administrative Agent at least three (3) Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material covenants of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has reasonably determined in good faith that such covenants and defaults satisfy the foregoing requirement shall be conclusive evidence that such covenants and defaults satisfy the foregoing requirement unless the Administrative Agent notifies the Lead Borrower within such three (3) Business Day period that it disagrees with such determination (including a reasonably detailed description of the basis upon which it disagrees).

(B) (1) if either Permitted Pari Passu Secured Refinancing Debt or Permitted Junior Secured Refinancing Debt, shall be subject to security agreements substantially the same as the Collateral Documents (with such differences as are appropriate to reflect the nature of such Refinancing Equivalent Debt and are otherwise reasonably satisfactory to the Administrative Agent and the Lead Borrower), (2) if Permitted Pari Passu Secured Refinancing Debt, (x) shall be secured by all or a portion of the Collateral on a pari passu basis (but without regard to control of remedies) with the Obligations and shall not be secured by any property or assets other than the Collateral, and (y) shall be subject to a First Lien Intercreditor Agreement or to other customary intercreditor arrangements reasonably acceptable to the Lead Borrower and the Administrative Agent, and (3) if Permitted Junior Secured Refinancing Debt, (x) shall be secured by all or a portion of the Collateral on a second priority (or other junior priority) basis to the Liens securing the Obligations and shall not be secured by any property or assets other than the Collateral, and (y) shall be subject to a Second Lien Intercreditor Agreement or to other customary intercreditor agreements or arrangements reasonably acceptable to the Lead Borrower and the Administrative Agent.

(C) shall be incurred, and the proceeds thereof used, solely to repay, repurchase, retire or refinance the Refinanced Loans and terminate the corresponding commitments thereunder in accordance with Section 2.05(b)(i)(B).

(j) This Section 2.15 shall supersede any provisions in Section 2.05, Section 2.12, Section 2.13, Section 8.03 or Section 10.01 to the contrary.

Section 2.16 [Reserved].

Section 2.17 Extended Term Loans. (a) The Lead Borrower may at any time and from time to time request that all or a portion of the Term Loans of a given Class (each, an “**Existing Term Loan Facility**”) be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Loans (any such Term Loans which have been so converted, “**Extended Term Loans**”) and to provide for other terms consistent with this Section 2.17. In order to establish any Extended Term Loans, the Lead Borrower shall provide an Extension Request to the

Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Facility) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under such applicable Existing Term Loan Facility (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring, underwriting, ticking, consent, amendment or other similar fees payable in connection therewith that are not generally shared with the relevant Lenders) and offered to each Lender under such Existing Term Loan Facility in accordance with its Pro Rata Share with respect thereto and (y) be identical to the Term Loans under the Existing Term Loan Facility from which such Extended Term Loans are to be converted, except that: (i) the scheduled amortization payments of principal, if any, and/or scheduled final maturity date of the Extended Term Loans shall be as set forth in the applicable Extension Amendment, subject to the provisos below, (ii) the All-In Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, funding discounts, OID, prepayment premiums or otherwise) may be different than the All-In Yield for the Term Loans of such Existing Term Loan Facility, in each case, to the extent provided in the applicable Extension Amendment, (iii) the applicable Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Term Loans), and (iv) Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory repayment terms (other than as to scheduled amortization and final maturity date) as may be agreed by the Lead Borrower and the Lenders thereof; *provided* that no Extended Term Loans may be optionally prepaid or mandatorily repaid (other than scheduled amortization and in the case of a prepayment under Section 2.05(b)(iii)(B)) prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Facility from which they were converted) are repaid in full, unless such prepayment or repayment is in accordance with the theretofore existing provisions of this Agreement or is accompanied by at least a pro rata prepayment or repayment of such other Term Loans, as applicable; *provided, further*, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Term Loan Extension Series at the time of establishment thereof be earlier than the final maturity of the Existing Term Loan Facility being extended and (B) scheduled amortization applicable to such Extended Term Loans shall not exceed (or occur on different dates than) the scheduled amortization (exclusive of payments required at maturity) which previously applied to the Term Loans that are being extended (which regular amortization in the same amounts (or lesser amounts, if agreed by the applicable Extending Term Lenders) may continue after the final maturity of the Existing Term Loan Facility being extended) at any time prior to the final maturity of the Existing Term Loan Facility being extended. Any Class of Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, a “**Term Loan Extension Series**”) of Extended Term Loans for all purposes of this Agreement; *provided* that any Extended Term Loans converted from an Existing Term Loan Facility may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series (in which case scheduled amortization with respect thereto shall be proportionally increased). Each Term Loan Extension Series of Extended Term Loans incurred under this Section 2.17 shall be in an aggregate principal amount that is not less than \$1,000,000 (or, in the case of any Class of Term Loans with an entire outstanding principal amount of less than \$1,000,000 that is to be extended in full, such outstanding principal amount) (unless such extension is made pursuant to clause (e) below) and the Borrowers may impose an Extension Minimum Condition with respect to any Extension Request for Extended Term Loans, which may be waived by the Lead Borrower in its sole discretion.

(b) The Lead Borrower shall provide the applicable Extension Request (which may be in the form of a term sheet posted to a website for the benefit of the Lenders) at least five (5) Business Days prior to the date on which Lenders under the Existing Term Loan Facility are requested to respond (although any changes to terms previously announced shall only require two (2) Business Days’ notice), and shall agree to such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent, in each case acting reasonably to

accomplish the purposes of this Section 2.17. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Facility converted into Extended Term Loans pursuant to any Extension Request or offer made pursuant to clause (e) below. Any Lender (each, an “**Extending Term Lender**”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Facility subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, a “**Term Loan Extension Election**”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Facility which it has elected to request be converted into Extended Term Loans (subject to any customary minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate principal amount of Term Loans under the Existing Term Loan Facility in respect of which applicable Term Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Term Loans requested to be extended pursuant to the Extension Request, Term Loans subject to Term Loan Extension Elections shall be converted to Extended Term Loans on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate principal amount of Term Loans included in each such Term Loan Extension Election.

(c) Extended Term Loans shall be established pursuant to an Extension Amendment amending the terms of this Agreement among the Lead Borrower, the Administrative Agent and each Extending Term Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.17(a) above and reasonably satisfactory to the Administrative Agent. Each such Extension Amendment shall include representations (x) as to the accuracy of representations and warranties set forth in Article V of this Agreement and in the other Loan Documents in all material respects immediately before and after giving effect to such Extension Amendment and the transactions contemplated thereby and (y) that no Default shall have occurred and be continuing as of the effective date of such Extension Amendment, after giving effect to such Extension Amendment and the transactions contemplated thereby. The effectiveness of any Extension Amendment shall be subject to any applicable Extension Minimum Condition (unless waived by the Lead Borrower) and, to the extent reasonably requested by the Administrative Agent, be subject to receipt by the Administrative Agent of (i) customary board resolutions and officers’ certificates consistent with those delivered on the Restatement Date, (ii) customary opinions of counsel to the Loan Parties consistent with those delivered on the Restatement Date (other than changes to legal opinions resulting from a change in law, change in fact or change in counsel’s form of opinion reasonably acceptable to the Administrative Agent) and (iii) supplemental or reaffirmation agreements and/or such amendments to the Collateral Documents and/or the Guaranty as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Term Loans are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each such Extension Amendment. Each of the parties hereto hereby (A) agrees that, notwithstanding anything to the contrary set forth in Section 10.01, this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent reasonably required to (i) reflect the existence and terms of the Extended Term Loans incurred pursuant thereto (including changes and additional terms as agreed by the relevant Lenders and permitted pursuant to Section 2.17(a)) and (ii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.17, and the Lenders hereby expressly and irrevocably, for the benefit of all parties hereto, authorize the Administrative Agent to enter into such Extension Amendment and (B) consents to the transactions contemplated by this Section 2.17 (including payment of interest, fees or premiums in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Amendment).

(d) No conversion of Loans pursuant to any Term Loan Extension in accordance with this Section 2.17 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(e) Notwithstanding anything to the contrary contained above, at any time following the establishment of a Term Loan Extension Series (and so long as the last sentence of Section 2.17(b) was not applicable thereto), the Borrowers may offer any Lender of the relevant Existing Term Loan Facility (without being required to make the same offer to any or all other Lenders) who failed to make a Term Loan Extension Election in respect of all or a portion of its Term Loans on or prior to the date specified in the Extension Request relating to such Term Loan Extension Series the right to convert all or any portion of its Term Loans under the respective Existing Term Loan Facility into Extended Term Loans under such Term Loan Extension Series; *provided* that (A) such offer and any related acceptance (x) shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent, (y) shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring, underwriting, ticking, consent and amendment or other fees payable in connection therewith that are not generally shared with the relevant Lenders) to those offered to the Lenders who agreed to convert their Term Loans under the Existing Term Loan Facility into Extended Term Loans pursuant to the respective Extension Request and (z) shall result in proportionate increases to the scheduled amortization payments, if any, otherwise owing with respect to the Term Loan Extension Series, (B) any Lender which agrees to an extension pursuant to this clause (e) shall enter into a joinder agreement to the respective Extension Amendment in form and substance reasonably satisfactory to the Administrative Agent and the Lead Borrower and executed by such Lender, the Administrative Agent and the Lead Borrower (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such joinder agreement) and (C) the Term Loans of any such Lender that are converted pursuant to this clause (e) shall be in an aggregate principal amount that is not less than \$1,000,000 (or, if the amount of such Lender's outstanding Term Loans is less than \$1,000,000, such lesser amount), unless each of the Lead Borrower and the Administrative Agent otherwise consents.

(f) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given Term Loan Extension Series to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of a Term Loan Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Amendment, then the Administrative Agent, the Lead Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, notwithstanding anything to the contrary set forth in Section 10.01, enter into an amendment to this Agreement and the other Loan Documents (each, a “**Corrective Term Loan Extension Amendment**”) within 15 days following the effective date of such Extension Amendment, which Corrective Term Loan Extension Amendment shall (i) provide for the conversion and extension of Term Loans under the applicable Existing Term Loan Facility in such amount as is required to cause such Lender to hold Extended Term Loans of the applicable Term Loan Extension Series into which such other Term Loans were initially converted, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Amendment in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Lead Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Amendment described in Section 2.17(c)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the last sentence of Section 2.17(c).

(g) This Section 2.17 shall supersede any provisions in Section 2.05, Section 2.12, Section 2.13, Section 8.03 or Section 10.01 to the contrary.

Section 2.18 Extended Revolving Credit Commitments. (a) The Lead Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments (and related Revolving Credit Loans and other related extensions of credit) of a given Class (each, an **“Existing Revolving Credit Loan Facility”**) be converted to extend the scheduled maturity date(s) with respect to all or a portion of such Revolving Credit Commitments (any such Revolving Credit Commitments which have been so converted, **“Extended Revolving Credit Commitments,”** and the revolving loans thereunder, **“Extended Revolving Credit Loans”**) and to provide for other terms consistent with this Section 2.18. In order to establish any Extended Revolving Credit Commitments, the Lead Borrower shall provide an Extension Request to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolving Credit Loan Facility) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall (x) be identical as offered to each Lender under such applicable Existing Revolving Credit Loan Facility (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring, underwriting, ticking, consent and amendment or other similar fees payable in connection therewith that are not generally shared with the relevant Lenders) and offered to each Lender under such Existing Revolving Credit Loan Facility in accordance with its Pro Rata Share with respect thereto and (y) be identical to the Revolving Credit Commitments under the Existing Revolving Credit Loan Facility from which such Extended Revolving Credit Commitments are to be converted, except that: (i) the scheduled amortization payments, if any, of principal, scheduled or mandatory commitment reductions and/or scheduled final maturity date, and the unused line fee in respect, of the Extended Revolving Credit Loans shall be as set forth in the applicable Extension Amendment, subject to the provisos below, (ii) the All-In Yield with respect to the Extended Revolving Credit Loans (whether in the form of interest rate margin, upfront fees, funding discounts, OID, prepayment premiums or otherwise) may be different than the All-In Yield for the Revolving Credit Loans of such Existing Revolving Credit Loan Facility, in each case, to the extent provided in the applicable Extension Amendment, (iii) the applicable Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the Extension Amendment and (iv) Extended Revolving Credit Commitments may have optional prepayment terms (including call protection and prepayment premiums) and mandatory commitment reduction and repayment terms as may be agreed by the Lead Borrower and the Lenders thereof; *provided* that no Extended Revolving Credit Loans or Extended Revolving Credit Commitments, as applicable, may be optionally prepaid or mandatorily repaid (other than scheduled amortizations and in connection with the refinancing thereof with Refinancing Revolving Credit Commitments) or subject to mandatory commitment reductions prior to the Maturity Date which applied to the respective Existing Revolving Credit Loan Facility with respect to which the Extension Request is being made, unless such prepayment, repayment and/or commitment reduction is in accordance with the theretofore existing provisions of this Agreement or is accompanied by at least a pro rata prepayment, repayment and/or commitment reduction, as the case may be, of such other Revolving Credit Loans or Revolving Credit Commitments, as applicable; *provided, further*, that in no event shall the final maturity date of any Extended Revolving Credit Loans of a given Revolving Credit Loan Extension Series at the time of establishment thereof be earlier than the Maturity Date which applied to the respective Existing Revolving Credit Loan Facility with respect to which the Extension Request is being made. Any Class of Extended Revolving Credit Commitments converted pursuant to any Extension Request shall be designated a series (each, a **“Revolving Credit Loan Extension Series”**) of Extended Revolving Credit Commitments for all purposes of this Agreement; *provided* that any Extended Revolving Credit Commitments converted from an Existing Revolving Credit Loan Facility may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolving Credit Loan Extension Series. Each Revolving Credit Loan Extension Series of Extended Revolving Credit Commitments incurred under this Section 2.18 shall be in an aggregate amount that is not less than \$1,000,000 or, if an extension on substantially similar terms

is concurrently made to Revolving Credit Commitments with the same existing maturity, then the aggregate amount for such Classes of Loans extended shall not be less than \$1,000,000 (or, in the case of any Class of Revolving Credit Commitments with an entire outstanding principal amount of less than \$1,000,000 that is to be extended in full, such outstanding principal amount) (unless, in either case, such extension is made pursuant to clause (e) below) and the Borrowers may impose an Extension Minimum Condition with respect to any Extension Request for Extended Revolving Credit Commitments, which may be waived by the Lead Borrower in its sole discretion.

(b) The Lead Borrower shall provide the applicable Extension Request (which may be in the form of a term sheet posted to a website for the benefit of the Lenders) at least five (5) Business Days prior to the date on which Lenders under the Existing Revolving Credit Loan Facility are requested to respond (although any changes to terms previously announced shall only require two (2) Business Days' notice), and shall agree to such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.18. No Lender shall have any obligation to agree to have any of its Revolving Credit Commitments of any Existing Revolving Credit Loan Facility converted into Extended Revolving Credit Commitments pursuant to any Extension Request or offer made pursuant to clause (e) below. Any Lender (each, an **"Extending Revolving Credit Lender"**) wishing to have all or a portion of its Revolving Credit Commitments under the Existing Revolving Credit Loan Facility subject to such Extension Request converted into Extended Revolving Credit Commitments shall notify the Administrative Agent (each, a **"Revolving Credit Extension Election"**) on or prior to the date specified in such Extension Request of the amount of its Revolving Credit Commitments under the Existing Revolving Credit Loan Facility which it has elected to request be converted into Extended Revolving Credit Commitments (subject to any customary minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate amount of Revolving Credit Commitments under the Existing Revolving Credit Loan Facility in respect of which applicable Revolving Credit Lenders shall have accepted the relevant Extension Request exceeds the amount of Extended Revolving Credit Commitments requested to be extended pursuant to the Extension Request, Revolving Credit Commitments subject to Revolving Credit Extension Elections shall be converted to Extended Revolving Credit Commitments on a pro rata basis (subject to rounding by the Administrative Agent, which shall be conclusive) based on the aggregate amount of Revolving Credit Commitments included in each such Revolving Credit Extension Election.

(c) Extended Revolving Credit Commitments shall be established pursuant to an Extension Amendment amending the terms of this Agreement among the Lead Borrower, the Administrative Agent, each Extending Revolving Credit Lender providing an Extended Revolving Credit Commitment thereunder and, to the extent required by Section 10.01, the L/C Issuer and the Swing Line Lender, which shall be consistent with the provisions set forth in Section 2.18(a) above and reasonably satisfactory to the Administrative Agent. Each such Extension Amendment shall include representations (x) as to the accuracy of representations and warranties set forth in Article V of this Agreement and in the other Loan Documents in all material respects immediately before and after giving effect to such Extension Amendment and the transactions contemplated thereby and (y) that no Default shall have occurred and be continuing as of the effective date of such Extension Amendment, after giving effect to such Extension Amendment and the transactions contemplated thereby. The effectiveness of any such Extension Amendment shall be subject to any applicable Extension Minimum Condition (unless waived by the Lead Borrower) and, to the extent reasonably requested by the Administrative Agent, be subject to receipt by the Administrative Agent of (i) customary board resolutions and officers' certificates consistent with those delivered on the Restatement Date, (ii) customary opinions of counsel to the Loan Parties consistent with those delivered on the Restatement Date (other than changes to legal opinions resulting from a

change in law, change in fact or change in counsel's form of opinion reasonably acceptable to the Administrative Agent) and (iii) supplemental or reaffirmation agreements and/or such amendments to the Collateral Documents and/or the Guaranty as may be reasonably requested by the Administrative Agent in order to ensure that the Extended Revolving Credit Commitments are provided with the benefit of the applicable Loan Documents. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each such Extension Amendment. Each of the parties hereto hereby (A) agrees that, notwithstanding anything to the contrary set forth in Section 10.01, this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent reasonably required to (i) reflect the existence and terms of the Extended Revolving Credit Commitments incurred pursuant thereto (including changes and additional terms as agreed by the relevant Lenders and permitted pursuant to Section 2.18(a)) and (ii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section, and the Lenders hereby expressly and irrevocably, for the benefit of all parties hereto, authorize the Administrative Agent to enter into such Extension Amendment and (B) consents to the transactions contemplated by this Section 2.18 (including, for the avoidance of doubt, payment of interest, fees or premiums in respect of any Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Amendment).

(d) No conversion of Revolving Credit Commitments (and related Revolving Credit Loans) pursuant to any Extension Amendment in accordance with this Section 2.18 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(e) Notwithstanding anything to the contrary contained above, at any time following the establishment of a Revolving Credit Loan Extension Series (and so long as the last sentence of Section 2.18(b) was not applicable thereto), the Borrowers may offer any Lender of the relevant Existing Revolving Credit Loan Facility (without being required to make the same offer to any or all other Lenders) who failed to make a Revolving Credit Extension Election in respect of all or a portion of its Revolving Credit Commitments on or prior to the date specified in the Extension Request relating to such Revolving Credit Loan Extension Series the right to convert all or any portion of its Revolving Credit Commitments (and related extensions of credit) under the respective Existing Revolving Credit Loan Facility into Extended Revolving Credit Commitments (and related extensions of credit) under such Revolving Credit Loan Extension Series; *provided* that (A) such offer and any related acceptance (x) shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent and (y) shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring, underwriting, ticking, consent and amendment or other fees payable in connection therewith that are not generally shared with the relevant Lenders) to those offered to the Lenders who agreed to convert their Revolving Credit Commitments under the Existing Revolving Credit Loan Facility into Extended Revolving Credit Commitments pursuant to the respective Extension Request, (B) any Lender which agrees to an extension pursuant to this clause (e) shall enter into a joinder agreement to the respective Extension Amendment in form and substance reasonably satisfactory to the Administrative Agent and the Lead Borrower and executed by such Lender, the Administrative Agent and the Lead Borrower (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such joinder agreement) and (C) the Extended Revolving Credit Commitments of any such Lender that are converted pursuant to this clause (e) shall be in an aggregate amount that is not less than \$1,000,000 (or, if the amount of such Lender's outstanding Revolving Credit Commitments is less than \$1,000,000, such lesser amount), unless each of the Lead Borrower and the Administrative Agent otherwise consents.

(f) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Revolving Credit Commitments of a given Revolving Credit Loan Extension Series to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of a Revolving Credit Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Amendment, then the Administrative Agent, the Lead Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Loan Documents (each, a “**Corrective Revolving Credit Extension Amendment**”) within 15 days following the effective date of such Extension Amendment, which Corrective Revolving Credit Extension Amendment shall (i) provide for the conversion and extension of Extended Revolving Credit Commitments of the applicable Revolving Credit Loan Extension Series into which such other Revolving Credit Commitments were initially converted, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Amendment in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Lead Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Amendment described in Section 2.18(c)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the last sentence of Section 2.18(c).

(g) This Section 2.18 shall supersede any provisions in Section 2.05, Section 2.12, Section 2.13, Section 8.03 or Section 10.01 to the contrary.

Section 2.19 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender of a given Class is a Defaulting Lender:

(a) Waivers and Amendments. That Defaulting Lender’s right to approve or disapprove any amendment, modification, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of Required Lenders, Required Facility Lenders, Required Term Lenders and Required Revolving Credit Lenders;

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article III or otherwise) shall not be paid or distributed to that Defaulting Lender, but will instead be retained by the Administrative Agent in a segregated non-interest bearing account until the Termination Date and shall be applied at such time or times as may be reasonably determined by the Administrative Agent and the Lead Borrower as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to any L/C Issuer or the Swing Line Lender hereunder; third, if so determined by the Administrative Agent or requested by the applicable L/C Issuer, the Swing Line Lender or the Lead Borrower, as applicable, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit or Swing Line Loan; fourth, as the Lead Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, if so determined by the Administrative Agent and the Lead Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy potential future obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders, any L/C Issuer or the Swing Line Lender as a result of any

judgment of a court of competent jurisdiction obtained by any Lender, any L/C Issuer or the Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Lead Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, after the Termination Date, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto;

(c) Certain Fees. That Defaulting Lender shall not be entitled to receive any commitment fee pursuant to Section 2.09 for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(d) if any Letter of Credit Exposure exists, or any Swing Line Loan is outstanding, at the time a Revolving Credit Lender of a given Class becomes a Defaulting Lender then:

(i) all or any part of such Letter of Credit Exposure or outstanding Swing Line Loans shall be reallocated, for each applicable Class or Facility, among the Revolving Credit Lenders that are Non-Defaulting Lenders, in respect of such Class or Facility, in accordance with their respective Revolving Credit Percentages but only to the extent (x) the sum of the Revolving Credit Exposures of all Revolving Credit Lenders that are Non-Defaulting Lenders in respect of such Class or Facility plus such Defaulting Lender's Letter of Credit Exposure does not exceed the aggregate amount of all Non-Defaulting Lenders' Revolving Credit Commitments for the applicable Class or Facility and (y) immediately following the reallocation to a Revolving Credit Lender that is a Non-Defaulting Lender, the Revolving Credit Exposure of such Revolving Credit Lender does not exceed its Revolving Credit Commitment for the applicable Class or Facility at such time;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall, within two (2) Business Days following notice by the Administrative Agent, Cash Collateralize in a manner reasonably satisfactory to the applicable L/C Issuer or Swing Line Lender, as applicable, such Defaulting Lender's Letter of Credit Exposure or Pro Rata Share or other allocable share of any outstanding Swing Line Loan, as applicable (in each case, after giving effect to any partial reallocation pursuant to clause (i) above), in an aggregate amount equal to 100% of such Defaulting Lender's Letter of Credit Exposure or Pro Rata Share or other allocable share of any such Swing Line Loan, as applicable, for so long as such Letter of Credit Exposure or such Swing Line Loan, as applicable, is outstanding;

(iii) the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.03(i) with respect to such Defaulting Lender's Letter of Credit Exposure;

(iv) if the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 2.19(d), then the fees payable to the Revolving Credit Lenders of the applicable Class pursuant to Section 2.03(i) shall be adjusted in accordance with such Non-Defaulting Lenders' Revolving Credit Percentages; and

(v) if any Defaulting Lender's Letter of Credit Exposure is neither Cash Collateralized nor reallocated pursuant to this Section 2.19(d), then, without prejudice to any rights or remedies of any L/C Issuer or any Revolving Credit Lender hereunder, all letter of credit fees payable under Section 2.03(i) with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to each L/C Issuer until such Letter of Credit Exposure is Cash Collateralized and/or reallocated;

(e) Notwithstanding anything to the contrary contained in Section 2.03 or Section 2.04, so long as any Revolving Credit Lender is a Defaulting Lender (i) no L/C Issuer shall be required to issue, amend, extend or increase any Letter of Credit and the Swing Line Lender shall not be required to fund any Swing Line Loan, in each case, unless it is satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the Non-Defaulting Lenders and/or Cash Collateral has been provided by the Borrowers in accordance with Section 2.19(d)(ii), and (ii) participating interests in any such newly issued or increased Letter of Credit or newly made Swing Line Loan shall be allocated among Revolving Credit Lenders of the applicable Class that are Non-Defaulting Lenders in a manner consistent with Section 2.19(d)(i) (and Defaulting Lenders shall not participate therein); and

(f) In the event that the Administrative Agent, the Borrowers, the Swing Line Lender and each L/C Issuer each agrees that a Defaulting Lender has adequately remedied all matters that caused such Revolving Credit Lender to be a Defaulting Lender, then (i) the Letter of Credit Exposure of the Revolving Credit Lenders of the applicable Class shall be readjusted to reflect the inclusion of such Revolving Credit Lender's Revolving Credit Commitments and on such date such Revolving Credit Lender shall purchase at par such of the Revolving Credit Loans of the other Revolving Credit Lenders as the Administrative Agent shall determine may be necessary in order for such Revolving Credit Lender to hold such Revolving Credit Loans in accordance with its Revolving Credit Percentage (*provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender) and (ii) so long as no Event of Default then exists, all funds held as Cash Collateral pursuant to Section 2.19(d)(ii) shall thereafter be promptly returned to the Borrowers. If the Revolving Credit Commitments have been terminated, all other Obligations in respect of the Revolving Credit Facility have been paid in full and no Letters of Credit are outstanding, then all funds held as Cash Collateral shall thereafter be promptly returned to the Borrowers.

Section 2.20 Lead Borrower. Each Borrower hereby irrevocably appoints AKA as the Lead Borrower, and AKA hereby accepts such appointment and agrees to act under this Agreement and the other Loan Documents, as the agent and representative of each Borrower (including itself) for all purposes under this Agreement and the other Loan Documents, including, without limitation, (i) executing amendments hereto, promissory notes, submitting borrowing requests, conversion or continuation notices, disbursement instructions, reports, information, or any other notice or communication to be made or given by any of them under this Agreement or any other Loan Document, and (ii) receiving account statements and other notices and communications to any of them from the Administrative Agent or any Lender. With prior written notice to the Lead Borrower, the Borrowers may designate any other Borrower as Lead Borrower under

this Agreement and the other Loan Documents and such successor Lead Borrower shall assume all rights and obligations of the prior Lead Borrower.

Section 2.21 Designated Borrowers.

(a) Designated Borrowers. The Lead Borrower may at any time, upon not less than fifteen (15) Business Days' notice from the Lead Borrower to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), request to designate any Subsidiary of the Lead Borrower organized under the laws of the United States or Australia or such other jurisdiction reasonably acceptable to the Lead Borrower and the Administrative Agent (an "**Applicant Borrower**") as a Designated Borrower to receive Loans hereunder by delivering to the Administrative Agent (which shall promptly deliver counterparts thereof to each Lender) a Designated Borrower Request and Assumption Agreement. The parties hereto acknowledge and agree that prior to any Applicant Borrower becoming entitled to utilize the credit facilities provided for herein (i) the Administrative Agent and the Lenders that are to provide Commitments and/or Loans in favor of an Applicant Borrower must each agree to such Applicant Borrower becoming a Designated Borrower and (ii) the Administrative Agent and such Lenders shall have received such supporting resolutions, incumbency certificates and other information, in form and substance reasonably satisfactory to the Administrative Agent, as may be required by the Administrative Agent, and Notes signed by such Applicant Borrower to the extent any Lender so requires (the requirements in clauses (i) and (ii) hereof, the "**Designated Borrower Requirements**"). If the Designated Borrower Requirements are met, the Administrative Agent shall send a Designated Borrower Notice to the Lead Borrower and the Lenders specifying the effective date upon which the Applicant Borrower shall constitute a Designated Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Designated Borrower to receive Loans hereunder, on the terms and conditions set forth herein, and each of the parties hereto agrees that such Designated Borrower otherwise shall be a Borrower for all purposes of this Agreement; *provided* that no Loan Notice or Letter of Credit Application may be submitted by or on behalf of such Designated Borrower until the date five (5) Business Days after such effective date (or such shorter period as may be agreed by the Administrative Agent in its sole discretion).

(b) Obligations. Except as specifically provided herein, the Obligations of the Lead Borrower and each of the other Borrowers shall be joint and several in nature (unless such joint and several liability (i) shall result in adverse tax consequences to any such Designated Borrower or (ii) is not permitted by any Law applicable to such Designated Borrower, in which either such case, the liability of such Designated Borrower shall be several in nature) regardless of which such Person actually receives Credit Extensions hereunder or the amount of such Credit Extensions received or the manner in which the Administrative Agent, the L/C Issuer or any Lender accounts for such Credit Extensions on its books and records.

(c) Appointment. Each Subsidiary of the Lead Borrower that is or becomes a "Designated Borrower" pursuant to this Section 2.21 hereby irrevocably appoints the Lead Borrower to act as its agent for all purposes of this Agreement and the other Loan Documents and agrees that (i) the Lead Borrower may execute such documents on behalf of such Designated Borrower as the Lead Borrower deems appropriate in its sole discretion and each Designated Borrower shall be obligated by all of the terms of any such document executed on its behalf, (ii) any notice or communication delivered by the Administrative Agent or the Lender to the Lead Borrower shall be deemed delivered to each Designated Borrower and (iii) the Administrative Agent or the Lenders may accept, and be permitted to rely on, any document, instrument or agreement executed by the Lead Borrower on behalf of each Designated Borrower.

ARTICLE III
TAXES, ADDITIONAL PAYMENTS PROTECTION AND ILLEGALITY

Section 3.01 Taxes. (a) Except as required by Laws, any and all payments by any Borrower or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges imposed by any Governmental Authority, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by net income (however denominated), franchise and branch profits taxes imposed (A) by the jurisdiction (or any political subdivision thereof) under the Laws of which such Agent or Lender is organized or in which its principal office is located or, in the case of any Lender, in which its applicable Lending Office is located, or (B) by reason of any connection between such Agent or Lender and any taxing jurisdiction other than a connection arising solely by having executed or entered into any Loan Document, having received payments thereunder or having been a party to, having performed its obligations under, having received or perfected a security interest under, having entered into any other transaction pursuant to and/or having enforced, any Loan Documents, (ii) any U.S. federal withholding tax that is required to be withheld pursuant to the applicable Law in effect at the time such Lender becomes a party hereto (or changes its applicable Lending Office), except to the extent that such Lender's assignor (if any), immediately prior to the assignment to such Lender, or such Lender, immediately prior to such Lender's change in Lending Office, was entitled to additional amounts in respect of such withholding tax pursuant to this Section 3.01(a), (iii) any taxes imposed as a result of such Agent's or such Lender's failure to comply with the provisions of Section 3.01(b) or Section 3.01(c), (iv) any withholding taxes imposed pursuant to FATCA and (v) additions to tax, penalties and interest on the foregoing amounts in clauses (i) through (iv) of this Section 3.01 (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges and liabilities being hereinafter referred to as "**Taxes**"). Notwithstanding anything contained herein to the contrary, Taxes includes any tax required to be withheld or deducted from any interest or other payment under Division 11A of the Australian Tax Act on payments by any Borrower or any Guarantor to or for the account of any Agent or any Lender under any Loan Document. If a Borrower, a Guarantor or any other applicable withholding agent is required to deduct or withhold any taxes from or in respect of any payment by the applicable Borrower or Guarantor under any Loan Document to any Agent or any Lender, (i) the applicable withholding agent shall make such deductions or withholdings, (ii) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant taxing authority, (iii) to the extent such taxes are Taxes or Other Taxes (as defined below) an additional amount will be payable by the applicable Loan Party as necessary so that after all required deductions and withholdings have been made (including deductions and withholding to additional sums payable under this Section 3.01(a)), each of such Agent or such Lender receives an amount equal to the sum it would have received had no such deductions or withholdings been made, and (iv) within thirty (30) days after the date of any such payment by the any Borrower or any Guarantor (or, if receipts or evidence are not available within thirty (30) days, as soon as practicable thereafter), the applicable Borrower or Guarantor shall furnish to such Agent or Lender (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the applicable Borrower or Guarantor (or other evidence of payment reasonably satisfactory to the Administrative Agent).

(b) Any Agent or Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Agent or Lender, if reasonably requested by Lead Borrower or the Administrative Agent, shall

deliver such other documentation prescribed by applicable Laws or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Agent or Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(c)(i), Section 3.01(c)(iii) and Section 3.01(c)(iv)) shall not be required if in any Agent's or Lender's reasonable judgment such completion, execution or submission would subject any Agent or such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Agent or Lender or any of its Affiliates (it being understood that, in the case of U.S. federal taxes, providing any information currently required by IRS Forms W-8BEN-E, W-8 ECI or W-8IMY shall not be considered prejudicial to the position of a recipient).

(c) Without limiting the generality of the foregoing:

(i) To the extent it is legally eligible to do so, each Lender that is neither a U.S. Person (each a “**Foreign Lender**”) nor an Agent agrees to complete and deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which the Foreign Lender becomes a party hereto (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two (2) accurate, complete and signed copies of whichever of the following is applicable: (i) IRS Form W-8BEN (or IRS Form W-8BEN-E) or successor form certifying that it is entitled to benefits under an income tax treaty to which the United States is a party; (ii) IRS Form W-8ECI or successor form certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States and, in the case of an Agent with respect to payments received on account of any Lender, a U.S. branch withholding certificate on IRS Form W-8IMY or any successor thereto evidencing the Agent's agreement with the Borrowers to be treated as a U.S. Person for U.S. federal withholding purposes pursuant to Treasury Regulation Section 1.1441-1(b)(2)(iv)(A); (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrowers within the meaning of Section 864(d)(4) of the Code, a certificate to that effect in substantially the form attached hereto as Exhibit H-1 (a “**Non-Bank Certificate**”) and an IRS Form W-8BEN (or IRS Form W-8BEN-E) or successor form, certifying that the Foreign Lender is not a United States person; (iv) to the extent a Foreign Lender is not the beneficial owner for U.S. federal income tax purposes, IRS Form W-8IMY (or any successor forms) of the Foreign Lender, accompanied by, as and to the extent applicable, an IRS Form W-8BEN (or IRS Form W-8BEN-E), IRS Form W-8ECI, Non-Bank Certificate in substantially the form attached hereto as Exhibit H-2, Exhibit H-3, or Exhibit H-4 (as applicable) (provided, that if the Foreign Lender is a partnership, the Foreign Lender may provide a Non-Bank Certificate on behalf of its beneficial owners), IRS Form W-9, IRS Form W-8IMY (or other successor forms) and any other required supporting information from each beneficial owner (it being understood that a Foreign Lender need not provide certificates or supporting documentation from beneficial owners if (x) the Foreign Lender is a “qualified intermediary” or “withholding foreign partnership” for U.S. federal income tax purposes and (y) such Foreign Lender is as a result able to establish, and does establish, that payments to such Foreign Lender are, to the extent applicable, entitled to an exemption from or, if an exemption is not available, a reduction in the rate of, U.S. federal withholding taxes without providing such certificates or supporting documentation); or (v) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S.

federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrowers and the Administrative Agent to determine the withholding or deduction required to be made.

(ii) In addition, each such Foreign Lender shall, to the extent it is legally eligible to do so deliver to the Lead Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender or Agent under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender or Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or Agent shall deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable Laws (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender or Agent has complied with such Lender's or Agent's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iv) On or before the date any Agent (or any successor thereto) becomes a party to this Agreement, such Agent shall provide to the Lead Borrower two duly-signed, properly completed copies of the documentation prescribed in clause (i) or (ii) below, as applicable (together with all required attachments thereto): (i) if the Agent is a U.S. Person, executed copies of IRS Form W-9 certifying that such Agent is not subject to U.S. federal backup withholding tax, or (ii) if the Agent is not a U.S. Person, (A) with respect to any payments to be received on its own behalf, executed copies of IRS Form W-8ECI or W-8BEN-E, as applicable, and (B) with respect to payments received on account of any Lender, executed copies of a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement to be treated as a U.S. Person for U.S. federal withholding purposes as contemplated by Section 1.1441(b)(2)(iv) of the United States Treasury Regulations. Each Agent agrees that if any form or certification it previously delivered pursuant to this Section 3.01(c)(iv) expires or becomes obsolete or inaccurate in any material respect, it shall update such form or certification or promptly notify the Lead Borrower in writing of its legal inability to do.

(v) Each Agent or Lender that is a U.S. Person (each a "**U.S. Lender**") agrees, to the extent it is legally eligible to do so, to complete and deliver to the Lead Borrower and the Administrative Agent two (2) copies of accurate, complete and signed IRS Form W-9 or successor form certifying that such U.S. Lender is not subject to United States federal backup withholding tax on or prior to the Restatement Date (or on or prior to the

date it becomes a party to this Agreement) from time to time thereafter if reasonably requested by the Lead Borrower or the Administrative Agent; *provided, however*, that if such Agent or Lender is a disregarded entity for U.S. federal income tax purposes, it shall provide the appropriate withholding form of its owner (together with appropriate supporting documentation).

(vi) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01(c) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so.

(d) [Reserved].

(e) Without duplication of any obligation set forth in Section 3.01(a), the Borrowers agree to pay any and all present or future stamp, court or documentary taxes and any other excise (in the nature of a documentary or similar tax), property, intangible (in the nature of a documentary or similar tax), filing or mortgage recording taxes or charges or similar levies imposed by any Governmental Authority which arise from any payment made under any Loan Document or the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts imposed in connection with an Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document (other than to the extent that any such Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document was made at the request of any Loan Party) (all such non-excluded taxes described in this Section 3.01(e) being hereinafter referred to as “**Other Taxes**”).

(f) Without duplication of any obligation set forth in Section 3.01(a), if any Taxes with respect to any payment of principal or interest received by any Agent or Lender in respect of any Loan Document, or any Other Taxes, are directly asserted against, or required to be deducted or withheld from a payment to, any Agent or Lender, the Borrowers will jointly and severally promptly indemnify and hold harmless such Agent or Lender for the full amount of such Taxes and Other Taxes (and any Taxes and Other Taxes imposed on amounts payable under this Section 3.01), and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted. Payments under this Section 3.01(f) shall be made within ten (10) days after the date the Lead Borrower receives written demand for payment from such Agent or Lender. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by an Agent or a Lender (with a copy to the Administrative Agent) shall be conclusive absent manifest error.

(g) [Reserved].

(h) If the Lead Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded or additional amounts have been payable hereunder, the relevant Lender or the relevant Agent, as applicable, shall cooperate with the Lead Borrower in a reasonable challenge of such Taxes if so requested by the Lead Borrower; *provided* that (i) such Lender or Agent determines in its reasonable discretion that it would not be prejudiced by cooperating in such challenge, (ii) the Borrowers pay all related expenses of such Agent or Lender, (iii) the Borrowers indemnify such Lender or Agent for any liabilities or other costs incurred by such party in connection with such challenge and (iv) the

Borrowers indemnify the relevant Lender or Agent, as applicable, for any Taxes or Other Taxes before any such contest.

(i) If any Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Taxes or Other Taxes as to which it has been indemnified by any Borrower or any Guarantor, as the case may be, or with respect to which any Borrower or any Guarantor, as the case may be, has paid additional amounts pursuant to this Section 3.01, it shall promptly remit such refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by any Borrower or any Guarantor, as the case may be, under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any taxes) incurred by such Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrowers, upon the request of such Agent or such Lender, agree to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (i), in no event will any Agent or Lender be required to pay any amount to the Borrowers pursuant to this clause (i) the payment of which would place the Agent or Lender in a less favorable net after-tax position than the Agent or Lender would have been in if the Tax or Other Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax or Other Tax had never been paid.

(j) [Reserved].

(k) Notwithstanding any other provision of this Agreement, the Borrowers and the Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents, subject to the provisions of this Section 3.01.

(l) With respect to any Lender or Agent's claim for compensation under Section 3.01(f), no Borrower or Guarantor shall be required to compensate such Lender or Agent for any amount incurred more than 180 days prior to the date that such Lender or Agent notifies the Lead Borrower of the event that gives rise to such claim, provided that, if such claim results from a retroactive Change in Law, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(m) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(n) For the avoidance of doubt, the terms "Lender" and "Foreign Lender" shall, for purposes of this Section 3.01, include any L/C Issuer and the Swing Line Lender.

(o) [Reserved].

(p) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any taxes (including interest and penalties) attributable to such Lender's failure to comply with the provisions of Section 10.07(e) relating to the maintenance of a Participant Register and (iii) any taxes (including interest and penalties)

excluded from the definition of “**Taxes**” attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this clause (p).

Section 3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Term SOFR or BBSY Bid, or to determine or charge interest rates based upon the Adjusted Term SOFR, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars or Australian dollars in the applicable interbank market, then, on notice thereof by such Lender to the Lead Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Term SOFR Loans or BBSY Rate Loans or to convert Base Rate Loans to Term SOFR Loans, as applicable, shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay all of such Lender’s Term SOFR Loans or BBSY Rate Loans, as applicable, or convert all of such Lender’s Term SOFR Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate, if applicable), in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loans or BBSY Rate Loans, as applicable, to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loans or BBSY Rate Loans, as applicable, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Adjusted Term SOFR component thereof (if applicable) until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Term SOFR. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03 Inability to Determine Rates; Benchmark Replacement.

(a) If the Administrative Agent or the Required Lenders reasonably determine that for any reason, adequate and reasonable means do not exist for determining the Term SOFR or BBSY Bid for any requested Interest Period with respect to a proposed Term SOFR Loan or BBSY Rate Loan, respectively, or that the Term SOFR or BBSY Bid for any requested Interest Period with respect to a proposed Term SOFR Loan or BBSY Rate Loan, respectively does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits are not being offered to

banks in the relevant interbank market for the applicable amount and the Interest Period of such Term SOFR Loan or BBSY Rate Loan, respectively, the Administrative Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans or BBSY Rate Loans, as applicable, shall be suspended and (y) with respect to Loans denominated in Dollars, in the event of a determination described in the preceding sentence with respect to the Adjusted Term SOFR component of the Base Rate, the utilization of the Adjusted Term SOFR component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing or continuation of Term SOFR Loans or BBSY Rate Loans or conversion to Term SOFR Loans, or, (i) with respect to a Loan denominated in Dollars, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans (determined without reference to the Adjusted Term SOFR component thereof, if applicable) in the amount specified therein and (ii) with respect to a Loan denominated in Australian Dollars, Section 3.10 will apply to such Loan for the applicable Interest Period. The parties to this Agreement shall use commercially reasonable efforts (exercised in good faith) to effect the foregoing in a manner that is intended to comply with the terms of Proposed United States Treasury Regulation Section 1.1001-6 (or any successor or similar Treasury Regulations) such that any actions taken pursuant to this Section 3.03 do not constitute a "significant modification" for purposes of United States Treasury Regulation Section 1.1001-3.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document:

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Lead Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of the then-current Benchmark with a Benchmark Replacement pursuant to this Section 2.09(b)(i) will occur prior to the applicable Benchmark Transition Start Date. Unless and until a Benchmark Replacement is effective in accordance with this clause (i), all Loans shall be converted into Base Rate Loans in accordance with the provisions of Section (h) above.

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right, with the consent of the Lead Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Lead Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes. The Administrative Agent will notify the Lead Borrower and the removal or reinstatement of any tenor of a Benchmark. Any determination, decision or election that may be made by the Administrative Agent and the Lenders pursuant to this Section 3.03(b) including,

without limitation, any determination with respect to a tenor, rate or adjustment, or implementation of any Conforming Changes, the timing of implementation of any Benchmark Replacement or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding on all parties hereto absent manifest error and may be made in its sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.03(b), and shall not be a basis of any claim of liability of any kind or nature by any party hereto, all such claims being waived individually by each party hereto.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if any then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Administrative Agent may modify the definition of “**Interest Period**” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “**Interest Period**” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for the applicable Term SOFR Borrowing of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon Adjusted Term SOFR (or then-current Benchmark) will not be used in any determination of Base Rate.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy, etc.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) [reserved]; or

(iii) (A) impose on any Lender any increase in the cost to such Lender of agreeing to make or making, funding or maintaining Term SOFR Loans or BBSY Rate Loans or (as the case may be) issuing or participating in Letters of Credit (other than, in each case, with respect to taxes governed by Section 3.01), or (B) cause a reduction in the amount received or receivable by any Lender in connection with any of the foregoing, that is not otherwise accounted for in the definition of Adjusted Term SOFR (excluding for purposes of this Section 3.04(a) any such increased costs or reduction in amount resulting from (x) reserve requirements contemplated by Section 3.04(d) and (y) amounts otherwise excluded in the parenthetical in clause (ii) immediately above);

or the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Term SOFR or BBSY Bid or issuing or participating in any Letters of Credit (or of maintaining its obligation to make any such Loan or issue or participate in any such Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs or such reduction in amount (with a copy of such demand to the Administrative Agent), the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered. At any time that any Term SOFR Loan or BBSY Rate Loan is affected by the circumstances described in this Section 3.04(a), the Borrowers may, subject to Section 3.05, either (i) if the affected Term SOFR Loan or BBSY Rate Loan is then being made pursuant to a Borrowing, cancel such Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrowers receive any such demand from such Lender or (ii) if the affected Term SOFR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert such Term SOFR Loan into a Base Rate Loan (determined without reference to the Adjusted Term SOFR component thereof), if applicable.

(b) Capital Requirements. If any Lender reasonably determines that the introduction of any Change in Law regarding capital adequacy or liquidity requirements, or any change therein or the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender, or any corporation or holding company controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrowers will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in clause (a) or (b) of this Section 3.04 and delivered to the Lead Borrower shall be conclusive absent manifest error. The Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) [Reserved].

(e) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Lead Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof). No Lender shall demand compensation pursuant to this Section 3.04 unless such Lender is generally making corresponding demands on similar types of borrowers for similar amounts pursuant to similar provisions in other loan documents to which such Lender is a party.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion (in the case of Term SOFR Loans only), payment or prepayment of any Term SOFR Loan or BBSY Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert (in the case of Term SOFR Loans only) any Term SOFR Loan or a BBSY Rate Loan on the date or in the amount notified by the Lead Borrower; or

(c) any assignment of a Term SOFR Loan or a BBSY Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Lead Borrower pursuant to Section 3.07.

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender or L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender or L/C Issuer, as applicable shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender or L/C Issuer, as applicable, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or Section 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or L/C Issuer, as applicable to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or L/C Issuer, as applicable, in any material economic, legal or regulatory respect.

The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender any L/C Issuer in connection with any such designation or assignment.

(b) Suspension of Lender Obligations. If any Lender requests compensation by the Borrowers under Section 3.04, the Lead Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Term SOFR Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Term SOFR Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue from one Interest Period to another Interest Period any Term SOFR Loan, or to convert Base Rate Loans into Term SOFR Loans, shall be suspended pursuant to Section 3.06(b) hereof, such Lender's Term SOFR Loans shall be automatically converted into Base Rate Loans (determined without reference to the Adjusted Term SOFR component thereof, if applicable) on the last day(s) of the then current Interest Period(s) for such Term SOFR Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Term SOFR Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Term SOFR Loans shall be applied instead to its Base Rate Loans (which shall be determined without reference to the Adjusted Term SOFR component thereof, if applicable); and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another Interest Period by such Lender as Term SOFR Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Term SOFR Loans shall remain as Base Rate Loans (which shall be determined without reference to the Adjusted Term SOFR component thereof).

(d) Conversion of Term SOFR Loans. If any Lender gives notice to the Lead Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Term SOFR Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Term SOFR Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Term SOFR Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Term SOFR Loans and by such Lenders are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(e) Notwithstanding anything contained herein to the contrary, a Lender shall not be entitled to any compensation pursuant to Section 3.04 to the extent such Lender is not generally making corresponding demands from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

Section 3.07 Replacement of Lenders under Certain Circumstances. If (i) any Lender becomes a Defaulting Lender, (ii) any Lender requests compensation under Section 3.04 or ceases to make Term

SOFR Loans or BBSY Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (iii) the Borrowers are required to pay any Taxes, Other Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (iv) any Lender is a Non-Consenting Lender or (v) any other circumstance exists hereunder that gives the Borrowers the right to replace a Lender as a party hereto, then the Lead Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees (none of whom shall be a Defaulting Lender) that shall assume such obligations (any of which assignees may be another Lender, if a Lender accepts such assignment); provided that:

(a) the Borrowers shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv) (unless waived by the Administrative Agent in its sole discretion);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts payable under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, and (ii) deliver any Notes evidencing such Loans to the Lead Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to deliver such Assignment and Assumption or such Notes (or such indemnity in lieu thereof) shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such assignment;

(d) pursuant to any Assignment and Assumption executed pursuant to Section 3.07(c), (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Borrowers owing to the assigning Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, delivery to the assignee Lender of the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(f) such assignment does not conflict with applicable Laws.

In connection with any such replacement, if any such Lender being replaced pursuant to this Section 3.07 does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Lender being replaced pursuant to this Section 3.07,

then such Lender being replaced pursuant to this Section 3.07 shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of such Lender.

Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit issued and outstanding hereunder unless any such Letters of Credit have been Cash Collateralized or other arrangements reasonably satisfactory to such L/C Issuer shall have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

In the event that (i) the Lead Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment or modification thereto, (ii) the consent, waiver or amendment or modification in question requires the agreement of each Lender, all affected Lenders or all the Lenders in accordance with the terms of Section 10.01 with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders, Required Term Lenders, Required Revolving Credit Lenders or Required Facility Lenders, as applicable, have agreed (to the extent required by Section 10.01) to such consent, waiver or amendment or modification, then any Lender who does not agree to such consent, waiver or amendment or modification shall be deemed a “**Non-Consenting Lender.**”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

Section 3.08 Survival. All of the Borrowers’ obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations and resignation of the Administrative Agent or the Collateral Agent.

Section 3.09 Public Offer.

(a) Each Borrower represents and acknowledges that invitations to become a Lender under this Agreement have been made on its behalf prior to the date of this Agreement to at least ten parties, each of whom, as at the date the relevant invitation was made, such Borrower’s relevant officers involved in the transaction on a day-to-day basis believed carried on the business of providing finance, or investing or dealing in securities, in the course of operating in financial markets.

(b) Each Borrower confirms that none of the parties under Section 3.09(a) were known or suspected by it to be an Offshore Associate of it or an Associate of any other such offeree.

(c) Each Lender which became a Lender under this Agreement as a result of accepting an invitation under Section 3.09(a) represents and warrants to the Borrowers that it was at the time it received the invitation, carrying on the business of providing finance, or investing or dealing in securities, in the course of operating in financial markets, and its relevant officers involved in its participation under this Agreement did not know or suspect that it was an Offshore Associate of any Borrower at the time it received the invitation or at the time of advancing its participation in the Loans.

(d) Each Lender will provide to the Lead Borrower when reasonably requested by the Lead Borrower any factual information in its possession or which it is reasonably able to provide to assist the Borrowers to demonstrate that Section 128F of the Australian Tax Act has been

satisfied where to do so will not in the reasonable opinion of such Lender breach any Law or duty of confidence. The Lead Borrower will reimburse each Lender for any reasonable costs incurred in complying with this Section 3.09(d).

(e) If, for any reason, the requirements of Section 128F of the Australian Tax Act have not been satisfied in relation to interest payable on Loans (except to an Offshore Associate of a Borrower), then upon request by the Administrative Agent, any Lead Arranger or the Lead Borrower, each Secured Party shall cooperate and take steps reasonably requested with a view to satisfying those requirements:

- (i) where a Secured Party breached Section 3.09(c), at the cost of that Secured Party; or
- (ii) in all other cases, at the cost of the Borrowers

Section 3.10 Cost of Funds.

(a) If this Section 3.10 applies in a provision set out in this Agreement, the rate of interest on each relevant Lender's share of the relevant Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:

- (i) the Applicable Rate; and

(ii) the rate notified to the Administrative Agent by the Required Lenders, to be that which expresses as a percentage rate per annum, the cost to the relevant Lender(s) of funding its participation in that Loan from whatever source it may reasonably select. That rate is to be notified as soon as practicable and in any event before interest is due to be paid in respect of that Interest Period.

(b) If this Section 3.10 applies in a provision set out in this Agreement and the Administrative Agent or the Lead Borrower so requires, the Administrative Agent and the Lead Borrower shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest.

(c) Any alternative basis agreed pursuant to subparagraph (b) above shall, with the prior consent of all the Lenders and the Lead Borrower, be binding on all parties to this Agreement.

(d) If this Section 3.10 applies in a provision set out in this Agreement, but any Lender does not supply a quotation by the time specified in paragraph (a)(ii) above, the rate of interest for that Lender shall be calculated on the basis of the quotations of the remaining Lenders.

ARTICLE IV CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02 (with such Cash Collateralization to be undertaken in the manner described in clause (a) of such definition)), subject to any Intercreditor Agreement, any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent, in each case, in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Fifth, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Notwithstanding the foregoing, no amount received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, shall be returned to the Borrowers or as otherwise required by Law.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, for purposes of determining whether any Event of Default or potential Event of Default under the covenant set forth in Section 7.10 has occurred, as of any date, and at any time after the end of the applicable fiscal quarter until the expiration of the fifteenth (15th) Business Day after the date

on which financial statements are required to be delivered pursuant to Section 6.01(a) or (b), as applicable with respect to the applicable fiscal quarter hereunder (the “**Cure Expiration Date**”), the Permitted Holders (or any other Person so long as no Change of Control results therefrom) may make a cash Specified Equity Contribution, directly or indirectly, to the Borrowers, and the Borrowers may apply the amount of the net cash proceeds thereof to increase Consolidated EBITDA with respect to such fiscal quarter (the “**Cure Right**”); *provided* that (i) such net cash proceeds are actually received by the Borrowers as cash common equity or any other Qualified Equity Interests (including through capital contribution of such net cash proceeds to the Borrowers) no later than the Cure Expiration Date and (ii) the Borrowers shall have provided notice to the Administrative Agent on the date such amounts are designated as a “**Specified Equity Contribution**” and such amounts shall have not been previously designated as an Excluded Contribution or applied to increase the Available Amount (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such net cash proceeds that is designated as the Specified Equity Contribution may be lower than specified in such notice to the extent that the amount necessary to cure any Event of Default under the covenant set forth in Section 7.10 is less than the full amount of such originally designated amount).

(b) The right to make a Specified Equity Contribution is subject to the following conditions: (i) no more than two Specified Equity Contributions may be made in any period of four consecutive fiscal quarters, (ii) no more than five Specified Equity Contributions will be made in the aggregate during the term of this Agreement, (iii) the net cash proceeds of any Specified Equity Contribution shall be no more than the amount required to cause the Borrowers to be in pro forma compliance with Section 7.10 for any applicable period, (iv) there shall be no pro forma reduction in Indebtedness (including by way of “netting”) with the proceeds of any Specified Equity Contribution for determining compliance with Section 7.10 for the 4-fiscal quarter period ending with the fiscal quarter ended immediately prior to the exercise of the Cure Right, (v) all Specified Equity Contributions shall be disregarded for purposes of determining pricing, financial ratio-based conditions (including the determination of compliance with the financial covenants set forth in Section 7.10 on a pro forma basis in connection with the utilization of any basket or exception or the taking of any action), Available Amount, Excluded Contributions, baskets with respect to covenants contained in the Loan Documents and all other purposes and (vi) following delivery to the Administrative Agent of any notice indicating an intent to make a Specified Equity Contribution, until such Specified Equity Contribution is made, unless consented to by the Required Revolving Credit Lenders, no Credit Extension under the Revolving Credit Facility shall be made under this Agreement.

(c) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, (A) upon receipt of a Specified Equity Contribution by any Borrower or any other Loan Party, the covenant set forth in Section 7.10 shall be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with Section 7.10 and any Default related to any failure to comply with Section 7.10 (and any other Default as a result thereof) shall be deemed not to have occurred for any purpose under the Loan Documents and (B) following delivery to the Administrative Agent of any notice indicating an intent to make a Specified Equity Contribution, unless the Administrative Agent has received a written notice from the Lead Borrower of its intent not to make a Specified Equity Contribution and exercise its rights under this Section 8.04 prior to the Cure Expiration Date, neither the Administrative Agent nor any Lender shall exercise any rights or remedies under Section 8.02 (or under any other provisions of the Loan Documents) available during the continuance of any Event of Default on the basis of any actual or purported failure to comply with Section 7.10 (and any other Default as a result thereof) until such failure is not cured with the proceeds of a Specified Equity Contribution on or prior to the Cure Expiration Date.

ARTICLE IX
ADMINISTRATIVE AGENT AND OTHER AGENTS

Section 9.01 Appointment and Authority of the Administrative Agent.

(a) Each Lender hereby irrevocably appoints KeyBank to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such rights, powers and remedies as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto (including but not limited to acting as the disbursing and collecting agent for the Lenders and the L/C Issuers with respect to all payments and collections arising in connection with the Loan Documents (including any proceeding described in Section 8.01(f) or any other bankruptcy, insolvency or similar proceeding), and each Person making any payment in connection with any Loan Document to any Secured Party is hereby authorized to make such payment to the Administrative Agent). The provisions of this Article IX, other than in respect of Section 9.03(b)(v), Section 9.09, Section 9.11, Section 9.13 and Section 9.14, are solely for the benefit of the Administrative Agent and the Lenders, and the Loan Parties shall not have rights as a third party beneficiary of any such provisions.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term “Agent” as used in this Article IX and in the definition of “**Agent-Related Person**” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent and security trustee of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) the Secured Parties for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, co-security trustees, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05(b) for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, co-security trustees, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, each of the Lenders (including in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank and/or Cash Management Bank) hereby expressly authorizes the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement and/or any other intercreditor agreements entered into in connection herewith, and security trust documents), as contemplated by, in accordance with or otherwise in connection with the provisions of this Agreement and the

Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Rights as a Lender. Any Person serving as an Agent (including as Administrative Agent), Swing Line Lender or L/C Issuer hereunder shall have the same rights and powers in its capacity as a Lender (including but not limited to (A) execution and delivery of the Loan Documents, on its own behalf, and acceptance of delivery thereof on its own behalf from any Loan Party, and (B) approval, execution and delivery, on its own behalf, of any amendment, consent or waiver under any of the foregoing Loan Documents or other agreements related thereto) as any other Lender and may exercise the same as though it were not an Agent, Swing Line Lender or L/C Issuer and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent, Swing Line Lender or L/C Issuer hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not an Agent, Swing Line Lender or L/C Issuer hereunder and without any duty to provide notice or account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent, Swing Line Lender or L/C Issuer or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent, Swing Line Lender or L/C Issuer shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions.

Neither the Administrative Agent nor any other Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent):

(i) shall not be subject to any fiduciary or other implied (or express) duties, regardless of whether a Default or Event of Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under any agency doctrine of any applicable Laws and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action (or where so instructed, refrain from exercising) (i) unless, upon reasonable request, such Agent receives an indemnification reasonably satisfactory to it from the Lenders (or, to the extent applicable and acceptable to Agent, any other Person) against all liabilities that, by reason of such action or omission, may be imposed on, incurred by or asserted against such Agent or any Agent-Related Person thereof or (ii) that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Laws; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of the Affiliates of the Borrowers that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 8.02 and Section 10.01) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default (including, without limitation, compliance with the terms and conditions of Section 10.07(h)(iii)), (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or (vii) to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

Section 9.04 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any Electronic Transmission, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan (or the issuance, extension, renewal or increase of such Letter of Credit). The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

No Agent nor any of its Agent-Related Persons shall be liable for any action taken or omitted to be taken by any of them under or in connection with any Loan Document, and each Secured Party hereby waives and shall not assert any right, claim or cause of action based thereon, except to the extent of liabilities resulting primarily from the gross negligence, bad faith or willful misconduct of such Agent or, as the case may be, such Agent-Related Person (each as determined by a court of competent jurisdiction by final and nonappealable judgment) in connection with the duties expressly set forth herein. Without limiting the foregoing, the Secured Parties agree that each Agent and its Agent-Related Persons:

(i) shall not be responsible to any Secured Party, or otherwise incur liability to any Secured Party, for any action or omission taken in reliance upon the instructions of the Required Lenders or for the actions or omissions of any of its Agent-Related Persons selected with reasonable care (other than employees, officers and directors of such Agent, when acting on behalf of such Agent);

(ii) shall not be responsible to any Secured Party for the due execution, legality, validity, enforceability, effectiveness, genuineness, sufficiency or value of, or the attachment, perfection or priority of any Lien created or purported to be created under or in connection with, any Loan Document;

(iii) makes no warranty or representation, and shall not be responsible, to any Secured Party for any statement, document, information, representation or warranty made or furnished by or on behalf of any Loan Party or any Related Person of any Loan Party in connection with any Loan Document or any transaction contemplated therein or any other document or information with respect to any Loan Party, whether or not transmitted or omitted to be transmitted by such Agent, including as to completeness, accuracy, scope or adequacy thereof, or for the scope, nature or results of any due diligence performed by such Agent in connection with the Loan Documents;

(iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any provision of any Loan Document, whether any condition set forth in any Loan Document is satisfied or waived, as to the financial condition of any Loan Party or as to the existence or continuation or possible occurrence or continuation of any Default and shall not be deemed to have notice or knowledge of such occurrence or continuation unless it has received a notice from the Lead Borrower or any Secured Party describing such Default clearly labeled "notice of default" (in which case Agent shall promptly give notice of such receipt to all Lenders); and

(v) for each of the items set forth in clauses (i) through (iv) above, each Secured Party hereby waives and agrees not to assert any right, claim or cause of action it might have against any Agent based thereon.

The Administrative Agent may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the Loan Documents the Administrative Agent is permitted or desires to take or to grant, and the Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. No Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Laws.

Section 9.05 Exclusive Right to Enforce Rights and Remedies; Delegation of Duties.

(a) The authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, each Agent to the extent provided in, and in accordance with, the Loan Documents for the benefit of all the Secured Parties; provided that the foregoing shall not prohibit (i) any Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (ii) each L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer) hereunder and under the other Loan Documents, (iii) any Lender from exercising setoff rights in accordance with Section 10.09 and this Section 9.05 or (iv) any Secured Party from filing proofs of claim (and thereafter appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any bankruptcy, other debtor relief law or Australian Insolvency Event in relation to any Australian Loan Party), but in the case of this clause (iv) if, and solely if, the applicable Agent has not filed such proof of claim or other instrument of similar character in respect of the Obligations within five (5) days before the expiration of the time to file the same.

(b) The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.06 Non-Reliance on Administrative Agent and Other Lenders; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Expenses; Indemnification of Agents.

(a) Each Lender agrees to reimburse the Administrative Agent and each of its Agent-Related Persons (to the extent not reimbursed by any Loan Party) promptly upon demand, severally and ratably, for any costs and expenses (including fees, charges and disbursements of financial, legal and other advisors and Other Taxes paid in the name of, or on behalf of, any Loan Party) that may be incurred by the Administrative Agent or any of its Agent-Related Persons in connection with the preparation, execution, delivery, administration, modification, consent, waiver or enforcement of, or the taking of any other action (whether through negotiations, through any work-out, bankruptcy, restructuring or other legal or other proceeding (including preparation for and/or response to any subpoena or request for document production relating thereto) or otherwise) in respect of, or legal advice with respect to, its rights or responsibilities under, any Loan Document.

(b) Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so) in accordance with their respective Pro Rata Shares, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; provided that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence, bad faith or willful misconduct, as determined by the final, non-appealable judgment of a court of competent jurisdiction; provided that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07(b). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07(b) applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrowers; *provided that* such reimbursement by the Lenders shall not affect the Borrowers' continuing reimbursement obligations with respect thereto; *provided, further*, that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07(b) shall survive termination of the Aggregate Commitments, the payment and satisfaction of all other Obligations and the resignation of the Administrative Agent.

Section 9.08 No Other Duties; Other Agents, Lead Arrangers, Managers, Etc. Each Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Loan Documents, as applicable. Anything herein to the contrary notwithstanding, none of the Bookrunners, the Lead Arrangers or the Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder and such Persons shall have the benefit of this Article IX. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrowers or any of the other Subsidiaries. Each Lender acknowledges that it has not relied, and will not

rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.09 Resignation of Administrative Agent or Collateral Agent. The Administrative Agent or Collateral Agent may at any time resign by giving thirty (30) days' prior written notice of its resignation to the Lenders, the L/C Issuer, the Swing Line Lender and the Lead Borrower. If an Agent-Related Distress Event has occurred, either the Required Lenders or the Lead Borrower (other than during the existence of an Event of Default pursuant to Section 8.01(a) or Section 8.01(f) (solely with respect to the Lead Borrower)) may, upon ten (10) days' notice, remove the Administrative Agent or Collateral Agent. Upon receipt of any such notice of resignation or removal, the Required Lenders shall have the right, with the consent of the Lead Borrower, in its sole discretion, at all times other than during the existence of an Event of Default pursuant to Section 8.01(a) or 8.01(f) (solely with respect to the Lead Borrower), to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States (in each case, other than a Disqualified Institution or a Defaulting Lender). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the receipt of such removal notice or the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation, then the Administrative Agent or the Collateral Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment and then (i) in the case of the retiring Administrative Agent or Collateral Agent, the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above with the consent of the Lead Borrower, in its sole discretion; *provided* that no consent of the Lead Borrower shall be required if an Event of Default under Section 8.01(a) or, solely with respect to the Lead Borrower, Section 8.01(f) has occurred and is continuing or (ii) in the case of a removal, the Lead Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; *provided* that if no qualifying Person has accepted such appointment, then such resignation or removal shall nonetheless become effective (in the case of clause (i) above, in accordance with such notice from the Administrative Agent or the Collateral Agent, as applicable, to that effect) and (A) the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that (x) in the case of any Collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders, the Swing Line Lender or L/C Issuers under any of the Loan Documents, the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall continue to hold such Collateral security (including any Collateral security subsequently delivered to the Administrative Agent or Collateral Agent, as applicable) as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed, (y) the Administrative Agent or Collateral Agent, as applicable, shall continue to act as collateral agent and security trustee for the purposes of identifying a "security agent" (or similar title) in any filing or recording financing statements, amendments thereto or other applicable filings or recordings with any Governmental Authority necessary for the perfection of the liens on Collateral securing the Obligations to the extent required by the Loan Documents and (z) it shall continue to be subject to Section 10.08) and (B) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender, Swing Line Lender and the L/C Issuer directly (and each Lender, Swing Line Lender and L/C Issuer will cooperate with the Borrowers to enable the Borrowers to take such actions), until such time as the Required Lenders or the Lead Borrower, as applicable, appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in this Section 9.09. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise

ensure that the requirements of Section 6.11 and the Collateral and Guarantee Requirement are satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Administrative Agent or Collateral Agent, as applicable, and the retiring (or retired) or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.09) other than its obligations under Section 10.08. The fees payable by the Borrowers to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. After the retiring or removed Administrative Agent's or Collateral Agent's resignation or removal hereunder and under the other Loan Documents, (x) the provisions of this Article IX and Section 10.04 and Section 10.05 shall continue in effect for the benefit of such retiring or removed Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable and (y) Section 10.08 shall continue to be binding upon the Administrative Agent, the Collateral Agent and such other Persons.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party or an Australian Insolvency Event in relation to any Australian Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, the L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.03(i), Section 2.03(j), Section 2.09 and Section 10.04) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Section 2.09 and Section 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably agree (and authorizes the Administrative Agent and/or the Collateral Agent, as the case may be, to take any necessary or advisable action to effectuate any of the following):

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon expiration or termination of the Aggregate Commitments and payment in full of all Obligations (other than (w) outstanding Letters of Credit that have been Cash Collateralized, (x) Obligations under Secured Hedge Agreements, (y) Obligations under Secured Cash Management Agreements and (z) unasserted contingent indemnification obligations not yet accrued and payable) (the “**Termination Date**”), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than a Loan Party (whether as a Disposition or an Investment), (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below or (v) if and to the extent such property constitutes an Excluded Asset;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(b), Section 7.01(i), Section 7.01(o) or, to the extent related to the foregoing, Section 7.01(dd);

(c) that any Borrower (other than the Lead Borrower) or Guarantor shall be automatically released from its obligations hereunder and under the Guaranty, as applicable, if (i) in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary (in the case of an Excluded Subsidiary of the type described in clause (d) of the definition thereof, only if (w) such transaction is not undertaken primarily for the purpose of causing such Borrower or Guarantor to cease being a Borrower or Guarantor, as applicable, (x) such release occurs as a result of a transaction involving the sale of Equity Interests in such Subsidiary to a non-affiliated third party for a bona fide business purpose for fair market value, in each case as a result of a transaction permitted hereunder (including as a result of a Subsidiary Guarantor being designated as an Unrestricted Subsidiary), (y) no Event of Default under Section 8.01(a) or Section 8.01(f) shall have occurred and be continuing after giving effect thereto and (z) at the time of such release and immediately after giving effect thereto on a Pro Forma Basis, the fair market value of such Subsidiary is deemed to be an Investment by the Loan Parties in such Subsidiary and such Investment is permitted by the Loan Documents), or (ii) in the case of Holdings, as a result of a transaction permitted hereunder; provided that no such release shall occur if such Guarantor continues (after giving effect to the consummation of such transaction or designation) to be a guarantor in respect of any Junior Financing; and

(d) to act collectively through the Administrative Agent and, without limiting the delegation of authority to the Administrative Agent set forth herein, the Required Lenders shall direct the Administrative Agent with respect to the exercise of rights and remedies hereunder (including with respect to alleging the existence or occurrence of, and exercising rights and remedies as a result of, any Default in each case that could be waived with the consent of the Required Lenders), and such rights and remedies shall not be exercised other than through the Administrative Agent; provided that the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.09 or enforcing compliance

with the provisions set forth in the first proviso of Section 10.01 or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Loans made by it.

Upon request by the Administrative Agent at any time, the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) will confirm in writing the Administrative Agent's or Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11; *provided that* (i) the applicable Agent shall have received a certificate of a Responsible Officer of the Lead Borrower containing such certifications as such Agent shall reasonably request and (ii) the applicable Agent shall not be required to execute any such document on terms which, in its reasonable opinion, would expose such Agent to liability or create any obligation or entail any consequence other than the release of such Guaranty and/or Liens without recourse or warranty.

No Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall any Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.12 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable

by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 10.04 and Section 10.05 (obligating the Borrowers to pay the Administrative Agent's expenses and to indemnify the Administrative Agent and Collateral Agent) that refer to the Administrative Agent shall inure to the benefit of, and the provisions of Section 10.08 shall be binding upon, such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Lead Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon the reasonable request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.13 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized to enter into any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith or contemplated hereby (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements or arrangements in connection with the incurrence by any Loan Party of any Indebtedness (or any Permitted Refinancing of the foregoing) to the extent permitted hereby) and the parties hereto acknowledge that any First Lien Intercreditor Agreement (if entered into), any Second Lien Intercreditor Agreement (if entered into) and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith or contemplated hereby, will be binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any First Lien Intercreditor Agreement (if entered into), any Second Lien Intercreditor Agreement (if entered into) and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith or contemplated hereby and (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into, if applicable, any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith or contemplated hereby (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements or arrangements in connection with the incurrence by any Loan Party of any Indebtedness (or any Permitted Refinancing of the foregoing) to the extent permitted hereby) and, in the case of any such Intercreditor Agreement or intercreditor agreement, to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.14 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations under Secured Cash Management Agreements or Obligations arising under

Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations under Secured Cash Management Agreements or such Obligations arising under Secured Hedge Agreements, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.15 Withholding Taxes. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of such Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax, ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 9.15. The agreements in this Section 9.15 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of any Loans and all other amounts payable hereunder. For the avoidance of doubt, (i) the term “Lender” shall, for purposes of this Section 9.15 include any L/C Issuer or Swing Line Lender, (ii) the Loan Parties shall not be responsible for any amount described in this Section 9.15 and (iii) nothing in this Section 9.15 shall expand or limit the obligations of the Loan Parties under Section 3.01.

Section 9.16 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, L/C Issuer or Secured Party (any such Lender, L/C Issuer or Secured Party (and each of their respective successors and permitted assigns), a “**Payment Recipient**”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under Section 9.16(b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer or Secured Party) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.16 and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Party shall promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect

in the currency of the relevant payment. A notice of the Administrative Agent to any Payment Recipient under this Section 9.16(a) shall be conclusive, absent manifest error.

(b) Without limiting Section 9.16(a), each Lender, L/C Issuer or Secured Party (and each of their respective successors and permitted assigns) agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, L/C Issuer or Secured Party otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, L/C Issuer or Secured Party shall promptly (and, in all events, within two Business Days of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.16(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.16(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.16(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, L/C Issuer or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Party under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under Section 9.16(a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with Section 9.16(a), from any Lender that has received such Erroneous Payment (or portion thereof) (such unrecovered amount, an **"Erroneous Payment Return Deficiency"**), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the **"Erroneous Payment Impacted Class"**) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the **"Erroneous Payment Deficiency Assignment"**) (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the

Administrative Agent in such instance)), and is hereby deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Lead Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent shall be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 10.07 (but excluding, in all events, any assignment consent or approval requirements (other than the consent or approval of the Lead Borrower)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, L/C Issuer or Secured Party, to the rights and interests of such Lender, L/C Issuer or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the “**Erroneous Payment Subrogation Rights**”) (provided that the Loan Parties’ Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party; provided that this Section 9.16 shall not be interpreted to increase (or

accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrowers relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of Holdings or any of its Subsidiaries, directly or indirectly, for the purpose of making a payment to satisfy any Obligation.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 9.16 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(h) Notwithstanding anything to the contrary herein or in any other Loan Document, this Section 9.03(b) will not increase or otherwise alter the Loan Parties’ obligations or liabilities under the Loan Documents.

ARTICLE X MISCELLANEOUS

Section 10.01 Amendments, Etc. (a) Except as otherwise set forth in this Agreement, no amendment, modification, supplement or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrowers or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than with respect to any amendment or waiver contemplated in Sections 10.01(a)(i) through 10.01(a)(ix) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) and the Lead Borrower or other applicable Loan Party, as the case may be, and each such waiver, amendment, modification, supplement or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, modification, supplement, waiver or consent shall:

(ii) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or Section 2.08 without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest and it further being understood that any change to the definition of “**Total Net First Lien Leverage**”

Ratio”, **“Total Net Leverage Ratio”**, **“Total Net Secured Leverage Ratio”** or any other ratio used as a basis to calculate the amount of any principal or interest payment or in the component definitions thereof shall not constitute a reduction in any amount of interest or fee;

(iii) postpone any date scheduled for, or reduce the principal of, or the rate of interest specified herein on, any Loan, Swing Line Borrowing or L/C Borrowing or (subject to clauses (i), (ii) and (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that (x) a waiver of (or amendment to the terms of) any condition precedent set forth in Section 4.01 or Section 4.02 or the waiver of any Default or mandatory prepayment shall not constitute a reduction in principal and (y) any change to the definitions of the **“Total Net First Lien Leverage Ratio”**, **“Total Net Leverage Ratio”** or **“Total Net Secured Leverage Ratio”** or, in each case, in the component definitions thereof shall not constitute a reduction in the rate of interest; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(iv) except in a transaction permitted by Section 7.04, permit assignment of rights and obligations of any Borrower hereunder, without the written consent of each Lender;

(v) (x) change any provision of this Section 10.01 or the definition of **“Required Lenders,” “Required Facility Lenders,” “Required Revolving Credit Lenders”** or **“Required Term Lenders”**, (y) amend or modify the definition of **“Pro Rata Share”**, the pro-rata sharing provisions contained in Sections 2.03(d), 2.04(d), 2.05(a)(i), 2.05(b)(v), 2.12 or 2.13, or amend or modify Section 8.03 (including in all cases any changes, amendments or modifications that have the effect of adversely impacting the applicable pro-sharing or payment waterfalls set forth therein), or (z) change any provision of the definition of “Material Intellectual Property”, the second proviso of Section 6.14, Section 7.02(ff), the last paragraph of Section 7.02, the last paragraph of Section 7.03 or Section 9.11(c) in each case, without the written consent of each Lender directly and adversely affected thereby; provided that the written consent of each Lender shall be required with respect to a reduction of any of the voting percentages set forth in the definition of **“Required Lenders”**;

(vi) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release the Liens on all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(vii) other than in connection with a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guaranty or all or substantially all of the Guarantors, without the written consent of each Lender;

(viii) amend, waive or otherwise modify (A) any term or provision (including the availability and conditions to funding under Section 2.14 with respect to New Term Loans and New Revolving Credit Commitments) which directly affects Lenders of one or more New Term Loans and New Revolving Credit Commitments and does not directly adversely affect Lenders under any other Class, in each case, without the written consent of the Required Facility Lenders under such applicable New Term Loans or New

Revolving Credit Commitments (and in the case of multiple Classes which are affected, such Required Facility Lenders shall consent together as one Class), or (B) any term or provision of Section 4.02 without the consent of the Required Revolving Credit Lenders;

(ix) without the written consent of each Lender directly and adversely affected thereby, (i) contractually subordinate any Obligations in right of payment to any other Indebtedness for borrowed money of the Loan Parties or (ii) contractually subordinate the Liens securing the Obligations on all or substantially all of the Collateral to Liens on all or substantially all of the Collateral securing other Indebtedness for borrowed money (any such other Indebtedness for borrowed money to which such Obligations or such Liens securing any of the Obligations, as applicable, are subordinated, “**Senior Indebtedness**”), in either the case of subclause (i) or (ii), unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, “**Ancillary Fees**”) as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely-affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer made to each such adversely affected Lender describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to each adversely affected Lender for a period of not less than five (5) Business Days (it being understood that this clause (ix) shall not (A) override the permission for (x) Liens expressly permitted by Section 7.01 as in effect on the Restatement Date, (y) Indebtedness expressly permitted by Section 7.03 as in effect on the Restatement Date or (z) any debtor-in-possession financing, in the case of clauses (x), (y) and (z), in accordance with Section 9.11 as in effect on the Restatement Date or (B) restrict an amendment to permit an increase in the maximum amount of Indebtedness (including secured Indebtedness) permitted hereunder);

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, adversely affect the rights or duties of such L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it, (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, adversely affect the rights or duties of such Swing Line Lender under this Agreement or any other Loan Documents, (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, adversely affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document and (iv) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Any such waiver and any such amendment, modification or supplement in accordance with the terms of this Section 10.01 shall apply equally to each of the Lenders and shall be binding on the Loan Parties, the Lenders, the Agents and all future holders of the Loans and Commitments. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver, or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any

Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders).

(b) Notwithstanding anything to the contrary herein:

(i) amendments and waivers of Section 7.10, Section 7.11 and Section 8.04 (or any definition related thereto (as such definition is used therein)) or any Default resulting from a failure to perform or observe Section 7.10, Section 7.11 or Section 8.04 will only require the approval of the Required Lenders;

(ii) no Lender consent is required to effect any amendment, modification or supplement to any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith or contemplated hereby (i) that is for the purpose of adding the holders of Indebtedness (or any Permitted Refinancing of the foregoing) (or a Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such First Lien Intercreditor Agreement, Second Lien Intercreditor Agreement or such other intercreditor or subordination agreement or arrangement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable intercreditor or subordination agreement or arrangement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; *provided* that such other changes, if material to the interests of the Lenders, are permitted under the succeeding clauses (ii) and (iv)), (ii) that is expressly contemplated by any First Lien Intercreditor Agreement, any Second Lien Intercreditor Agreement and/or any other intercreditor or subordination agreement or arrangement entered into in connection herewith, (iii) that effects changes that are not material to the interests of the Lenders or (iv) that effects changes material to the interests of the Lenders which such changes have been posted to the Lenders not less than five (5) Business Days before execution thereof and with respect to which the Required Lenders shall not have objected in writing within five (5) Business Days after posting; *provided* further that no such agreement shall directly and adversely amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable.

(iii) this Agreement may be amended (or amended and restated) with the written consent of the Administrative Agent, the Lead Borrower and the Lenders providing the relevant Replacement Term Loans (as such term is defined below) to permit the refinancing of all or any portion of any Class of Term Loans outstanding (the “**Replaced Term Loans**”) with one or more tranches of term loans hereunder (the “**Replacement Term Loans**”); *provided* that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Replaced Term Loans plus an amount equal to unpaid accrued interest, fees, premium (including call and tender premiums) thereon, defeasance costs, and fees and expenses incurred (including OID, upfront fees and similar items), in connection with such refinancing, (ii) the All-In-Yield for such Replacement Term Loans shall not be higher than the All-In-Yield for such Replaced Term Loans, (iii) the Weighted Average Life to Maturity and final maturity of such Replacement Term Loans shall not be shorter or earlier, as the case may be, than the Weighted Average Life to Maturity and maturity of such Replaced Term Loans at the time of such refinancing and (iv) all other terms (other than maturity and pricing) applicable to such Replacement Term Loans shall be substantially the same as, and no more favorable

to the Lenders providing such Replacement Term Loans than, the terms applicable to such Replaced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the maturity date in respect of the Replaced Term Loans in effect immediately prior to such refinancing or such other terms applicable to such Replacement Term Loans that are reflective of market terms and conditions for such Replacement Term Loans at the time of the issuance thereof (as determined by the Lead Borrower in good faith). Each amendment to this Agreement providing for Replacement Term Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary;

(iv) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Lead Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(v) amendments and waivers of Section 2.03 and definitions used therein with respect to the matters regarding the mechanics and terms of issuance of Letters of Credit will require only the approval of the Lead Borrower, the Administrative Agent and each L/C Issuer so long as any such amendment or waiver are not adverse, in any material respect (taken as a whole), to the interests of the Lenders; and

(vi) this Agreement may be amended pursuant to an Incremental Amendment in accordance with the requirements of Section 2.14, a Refinancing Amendment in accordance with the requirements of Section 2.15 and an Extension Amendment in accordance with the requirements of Sections 2.17 or 2.18, as the case may be.

Notwithstanding anything to the contrary contained in this Section 10.01, the Guaranty, the Collateral Documents and related documents executed by the Loan Parties or the Subsidiaries in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, modified and waived with the consent of the Administrative Agent at the request of the Lead Borrower without the need to obtain the consent of any other Lender if such amendment, modification or waiver is delivered in order (i) to comply with local Law or advice of local counsel, or (ii) to cause such Guaranty, Collateral Document or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything to the contrary contained in this Section 10.01, if at any time after the Restatement Date, the Administrative Agent and the Lead Borrower shall have jointly identified an obvious error (including, but not limited to, an incorrect cross-reference) or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Lead Borrower or any other relevant Loan Party shall be permitted to amend such provision. The Administrative Agent shall notify the Lenders of such amendment and such amendment shall become effective five (5) Business Days after such notification

unless the Required Lenders object to such amendment in writing delivered to the Administrative Agent prior to such time.

Subject to the provisions of Section 10.02(a), (i)(A) no posting to any E-System shall be denied legal effect merely because it is made electronically, (B) each E Signature on any such posting shall be deemed sufficient to satisfy any requirement for a “signature” and (C) each such posting shall be deemed sufficient to satisfy any requirement for a “writing”, in each case including pursuant to any Loan Document, any applicable provision of any Uniform Commercial Code, the federal Uniform Electronic Transactions Act, the Electronic Signatures in Global and National Commerce Act and any substantive or procedural requirement of Law governing such subject matter, (ii) each such posting that is not readily capable of bearing either a signature or a reproduction of a signature may be signed, and shall be deemed signed, by attaching to, or logically associating with such posting, an E-Signature, upon which the Administrative Agent, each other Secured Party and each Loan Party may rely and assume the authenticity thereof, (iii) each such posting containing a signature, a reproduction of a signature or an E-Signature shall, for all intents and purposes, have the same effect and weight as a signed paper original and (iv) each party hereto or beneficiary hereto agrees not to contest the validity or enforceability of any posting on any E-System or E-Signature on any such posting under the provisions of any applicable requirement of Law requiring certain documents to be in writing or signed; *provided, however*, that nothing herein shall limit such party’s or beneficiary’s right to contest whether any posting to any E-System or E-Signature has been altered after transmission.

(iii) Separate Agreements. All uses of an E-System shall be governed by and subject to, in addition to this Section 10.02, the separate terms, conditions and privacy policy posted or referenced in such E-System (or such terms, conditions and privacy policy as may be updated from time to time, including on such E-System) and related contractual obligations executed by the Administrative Agent and the Loan Parties in connection with the use of such E-System.

(c) Email Communication. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement); *provided* that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

NONE OF THE ADMINISTRATIVE AGENT, ANY LENDER, ANY LOAN PARTY OR ANY OF THEIR RELATED PERSONS WARRANTS THE ACCURACY, ADEQUACY OR COMPLETENESS OF ANY E-SYSTEMS OR ELECTRONIC TRANSMISSION AND DISCLAIMS ALL LIABILITY FOR ERRORS OR OMISSIONS THEREIN. NO WARRANTY OF ANY KIND IS MADE BY THE ADMINISTRATIVE AGENT, ANY LENDER, ANY LOAN PARTY OR ANY

OF THEIR RELATED PERSONS IN CONNECTION WITH ANY E SYSTEMS OR ELECTRONIC COMMUNICATION, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS. Each party executing this Agreement and each Secured Party agrees that no Agent or Loan Party has any responsibility for maintaining or providing any equipment, software, services or any testing required in connection with any Electronic Transmission or otherwise required for any E-System.

(e) Change of Address. Any Loan Party and the Administrative Agent may change its address, facsimile, electronic mail address or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile, electronic mail address or telephone number for notices and other communications hereunder by written notice to the Lead Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(f) Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Lead Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrowers, the Administrative Agent, the Collateral Agent and each other Secured Party hereby agree that (a) subject to Section 10.09, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent, and (b) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

Section 10.04 Attorney Costs and Expenses.

The Borrowers agree (a) to pay or reimburse the Administrative Agent and the Lead Arrangers for all reasonable and documented in reasonable detail out-of-pocket expenses incurred prior to, on or after the Restatement Date (provided that in the case of payment to be made on the Restatement Date, such expenses are to be invoiced three (3) Business Days prior to the Restatement Date and otherwise, within thirty (30) days following written demand therefor) in connection with the preparation, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), limited, in the case of legal fees and expenses, to the Attorney Costs of one counsel to the Administrative Agent and the Lead Arrangers taken as a whole (and, to the extent reasonably deemed necessary by the Administrative Agent, of a single local counsel in each relevant jurisdiction material to the interests of the Administrative Agent and the Lead Arrangers taken as a whole (which may be a single local counsel acting in multiple material jurisdictions)) (in each case, except allocated costs of in-house counsel) and no other advisors, and (b) after the Restatement Date, promptly following written demand therefor, to pay or reimburse the Administrative Agent, the Lead Arrangers and the Lenders for all reasonable and documented in reasonable detail out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or an Australian Insolvency Event in relation to an Australian Loan Party, limited in the case of out-of-pocket legal fees and expenses, to the Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole and of a single local counsel in each relevant jurisdiction material to the interests of the Administrative Agent and the Lenders taken as a whole (which may be a single local counsel acting in multiple material jurisdictions) and, solely in the event of an actual conflict of interest between the Administrative Agent, the Lead Arrangers and the Lenders, where the Lender or Lenders affected by such conflict of interest inform the Lead Borrower in writing of such conflict of interest and thereafter retain its or their own counsel, one additional counsel in each relevant material jurisdiction to each group of affected Lenders similarly situated taken as a whole) (in each case, except allocated costs of in-house counsel) and no other advisors). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

Section 10.05 Indemnification by the Borrowers. The Borrowers shall indemnify and hold harmless the Administrative Agent, any Supplemental Administrative Agent, the Collateral Agent, each Lender, the Lead Arrangers, the Bookrunners and their respective Affiliates, directors, officers, employees, representatives, agents and advisors (collectively the “**Indemnitees**”) from and against any and all losses, claims, damages and liabilities that may be asserted or awarded against the Indemnitees and expenses of any third party that may be awarded against any Indemnatee and other out of pocket expenses incurred in connection therewith asserted against any such Indemnatee relating to or arising out of or in connection with (but limited, in the case of out-of-pocket legal fees and expenses, to the Attorney Costs of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of the Lenders (which may be a single local counsel acting in multiple material jurisdictions), and solely in the case of an actual conflict of interest where the Indemnatee affected by such conflict of interest informs the Lead Borrower in writing of such conflict of interest and thereafter retains its own counsel, one additional counsel in each relevant material jurisdiction to each group of affected Indemnitees taken as a whole) (in each case, except allocated costs of in-house counsel) and no other advisors (a) the execution, delivery, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented

in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or release of Hazardous Materials on or from any real property currently or formerly owned or operated by any Borrower or any other Loan Party, or any Environmental Liability arising out of the activities or operations of any Borrower or any other Loan Party or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitor is a party thereto and without regard to the exclusive or contributory negligence of any Indemnities (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitor, be available to the extent that such Indemnified Liabilities resulted from (w) the gross negligence, fraud, bad faith or willful misconduct of such Indemnitor or of any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (x) a material breach of any obligations under any Loan Document by such Indemnitor or of any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) any dispute solely among Indemnities or of any Related Indemnified Person other than any claims against an Indemnitor in its capacity or in fulfilling its role as the Administrative Agent, the Collateral Agent, a Lead Arranger, a Bookrunner or a similar role under the Facilities and other than any claims arising out of any act or omission of any Borrower or any of the Affiliates of the Borrowers or (z) any settlement entered into by any Indemnitor or of any Related Indemnified Person in connection with the foregoing without the Lead Borrower’s prior written consent (such consent not to be unreasonably withheld, delayed or conditioned), but, if such settlement occurs with the Lead Borrower’s written consent or if there is a final judgment for the plaintiff in any action or claim with respect to any of the foregoing, the Borrowers will be liable for such settlement or such final judgment and will indemnify and hold harmless each Indemnitor from and against any and all losses, claims, damages, liabilities and reasonable and documented out-of-pocket expenses by reason of such settlement or judgment in accordance with this Section 10.05. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable Laws or public policy, the Borrowers shall contribute the maximum portion that they are permitted to pay and satisfy under applicable Laws to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnities or any of them. Notwithstanding the foregoing, each Indemnitor shall be obligated to refund or return any and all amounts paid by the Borrowers under this Section 10.05 to such Indemnitor for any losses, claims, damages, liabilities and expenses to the extent such Indemnitor is not entitled to payment of such amounts in accordance with the terms hereof. No Indemnitor shall, without the Lead Borrower’s prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) consent to the entry of any judgment on or otherwise terminate any action referred to herein. The Borrowers shall not, without the prior written consent of any Indemnitor (which consent shall not be unreasonably withheld, delayed or conditioned), effect any settlement of any pending or threatened claim, litigation, investigation or proceeding in respect of which indemnity could have been sought hereunder by such Indemnitor unless such settlement (a) includes an unconditional release of such Indemnitor from all liability arising out of such claim, litigation, investigation or proceeding and (b) does not include any statement as to, or any admission of, fault, culpability, wrongdoing or a failure to act by or on behalf of such Indemnitor. Each Indemnitor shall give (subject to restrictions pursuant to attorney-client privilege, law, rule or regulation, or any obligation of confidentiality) such information and assistance to the Borrowers as the Lead Borrower may reasonably request in connection with any claim, litigation, investigation or proceeding in connection with any losses, claims, damages, liabilities and expenses, unless the Indemnitor reasonably determines there are conflicts of interest between the Borrowers and the Indemnitor. No Indemnitor or any Loan Party or Affiliate thereof shall be liable for any damages arising from the use by others of any information or other materials obtained through Intralinks®, Syndtrak® or other similar information transmission systems in connection with this Agreement, except to the extent resulting from the willful misconduct, fraud, bad faith or gross negligence of such Loan Party or Affiliate or such Indemnitor or any of its Related Indemnified Persons, as the case may be, as determined by a final and non-appealable judgment of a court

of competent jurisdiction), nor shall any Indemnatee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Restatement Date) (in each case, other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnatee to a third party and otherwise required to be indemnified by a Loan Party under this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, equity holders or creditors or an Indemnatee or any other Person, whether or not any Indemnatee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents are consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnatee shall promptly refund such amount to the extent that there is a final non-appealable judicial determination that such Indemnatee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. Each Indemnatee shall promptly notify the Lead Borrower upon receipt of written notice of any claim or threat to institute a claim; *provided* that any failure by any Indemnatee to give such notice shall not relieve the Borrowers from the obligation to indemnify such Indemnatee in accordance with the terms of this Section 10.05 except to the extent that the Borrowers are materially prejudiced by such failure. This Section 10.05 shall not apply to taxes except to the extent such amounts represent losses, claims, damages, etc. arising from a non-tax claim (including a value added tax or similar tax charged with respect to the supply of legal or other services).

Section 10.06 Marshaling: Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrowers is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff pursuant to Section 10.09, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law, Australian Insolvency Event in relation to an Australian Loan Party, or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to (x) for payments in Dollars, the Federal Funds Rate from time to time in effect and (y) for payments in Australian Dollars, the rate notified by the Administrative Agent to be that which expresses as a percentage rate per annum, the cost to the Administrative Agent of funding the payment from whatever source it may reasonably select.

Section 10.07 Successors and Assigns.

- (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings nor the Borrowers may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subclause (b)

of this Section, (ii) by way of participation in accordance with the provisions of subclause (d) of this Section, (iii) by way of pledge or assignment of a security interest subject to the restrictions of subclause (f) of this Section, or (iv) to an SPC in accordance with the provisions of subclause (g) of this Section 10.07. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subclause (d) of this Section and, to the extent expressly contemplated hereby, the Agent-Related Persons of each of the Administrative Agent and the Lenders and the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b)), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) **Minimum Amounts.**

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subclause (b)(i)(A) of this Section, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than a Dollar Amount of \$5,000,000 (in the case of the Revolving Credit Facility), or a Dollar Amount of \$1,000,000 (in the case of a Term Loan), unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a) or, solely with respect to the Lead Borrower, Section 8.01(f) has occurred and is continuing, the Lead Borrower otherwise consents, but in the case of the Borrowers, only if their consent is otherwise required for such assignment pursuant to clause (iii) below (each such consent not to be unreasonably withheld, conditioned or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) **Proportionate Amounts.** Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned.

(iii) **Required Consents.** No consent shall be required for any assignment except to the extent required by subclause (b)(i)(B) of this Section and, in addition:

(A) the consent of the Lead Borrower shall be required unless (1) an Event of Default under Section 8.01(a) or, solely with respect to the Lead

Borrower, Section 8.01(f), has occurred and is continuing at the time of such assignment or (2) in the case of an assignment of a Term Loan only, such assignment is to a Term Lender, an Affiliate of a Term Lender or an Approved Fund of a Term Lender;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) shall be required, unless, in the case of an assignment of a Term Loan, such assignment is to a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender; *provided, however*, that the consent of the Administrative Agent shall not be required for any assignment pursuant to Section 10.07(m) or to an Affiliated Lender, or a Person that upon effectiveness of an assignment would be an Affiliated Lender, pursuant to Section 10.07(h), *provided further*, that the consent of the Administrative Agent shall not be required in connection with any assignment pursuant to Section 2.14 provided such assignment is to an Eligible Assignee;

(C) the consent of each L/C Issuer (such consent not to be unreasonably withheld, conditioned or delayed) shall be required in the case of an assignment of Revolving Credit Commitments or Revolving Credit Loans; and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld, conditioned or delayed) shall be required in the case of an assignment of Revolving Credit Commitments or Revolving Loans.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption (which shall include, inter alia, a representation by the assignee that it is an Eligible Assignee and a representation that the assignee is not a Disqualified Institution) (A) via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, mutually execute and deliver to the Administrative Agent an Assignment and Assumption, in each case, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing and recordation fee in the case of any assignment. The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. All assignments shall be by novation unless otherwise agreed to, or required by, the Administrative Agent.

(v) No Assignments to Certain Persons. Notwithstanding anything to the contrary contained herein, no such assignment shall be made (A) to any Borrower or any of the other Subsidiaries except as permitted under Section 2.05(a)(v) or Section 10.07(m), (B) subject to the immediately preceding clause (A) above and subclause (h) below, to any Affiliates of the Borrowers, (C) to a natural person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of one or more natural persons), (D) to a Defaulting Lender (or any Affiliate of a Defaulting Lender) or (E) to a Disqualified Institution unless, in the case of this clause (E), consented to in writing by the Lead Borrower in its sole discretion (which consent shall be required regardless of whether a Default or Event of Default shall be continuing).

The Administrative Agent shall have the right, and the Borrowers hereby expressly authorize the Administrative Agent, to provide the list of Disqualified Institutions provided by the Lead Borrower and any updates thereto from time to time made in accordance with the definition of **“Disqualified Institution”**

(collectively, the “**DQ List**”) to each Lender requesting the same from the Administrative Agent and the Borrowers in connection with a proposed assignment or participation; *provided* that such list may be updated from time to time by the Lead Borrower in accordance with the definition of “**Disqualified Institution**” and the Administrative Agent shall not be under any obligation to notify any Lender of any such update. Notwithstanding anything to the contrary contained herein, the Administrative Agent shall not have any responsibility or liability for monitoring the DQ List for enforcing any Borrower’s or any Lender’s compliance with the terms of any of the provisions set forth herein with respect to Disqualified Institutions or otherwise have any liability in connection with clause (b)(v)(E) above or the first parenthetical appearing in clause (d) below (to the extent such parenthetical relates to Disqualified Institutions), except to the extent of any liability determined by a court of competent jurisdiction in a final and non-appealable decision to have resulted from the bad faith, gross negligence or willful misconduct of the Administrative Agent.

This clause (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities or Classes of Loans or Commitments on a non-pro rata basis.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Lead Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Laws without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, subject to the requirements of clause (h) of this Section), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 3.01, Section 3.04, Section 3.05, Section 10.04 and Section 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment and shall continue to be bound by Section 10.08); *provided* that, except to the extent otherwise agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. Upon request, and the surrender by the assigning Lender of its Note(s) with respect to the applicable assigned rights and interests, the Borrowers (at their own expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings, Swing Line Loans, Swing Line Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). No assignment shall be effective unless it has been recorded in the Register pursuant to this Section 10.07(c). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Section 163(f), Section 165(j), Section 871(h)(2), Section 881(c)(2) and Section 4701 of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Lead Borrower, the Administrative Agent, Swing Line Lender, any other Lender or the L/C Issuers, sell participations to any Person (other than a natural person or any Borrower or any of the Affiliates of the Borrowers or any other Subsidiaries (other than Affiliated Debt Funds), a Defaulting Lender or a Disqualified Institution, to the extent the Disqualified Institution list has been made available to such Lender upon request, unless, with respect to a Disqualified Institution, consented to in writing by the Lead Borrower in its sole discretion (which consent shall be required regardless of whether a Default or Event of Default shall be continuing)) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clauses (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii) of the first proviso to Section 10.01(a) that directly and adversely affects such Participant, in each case only to the extent that the affirmative vote of such Lender from which such Participant purchased the participation would be required under such Section. Subject to clause (e) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the limitations and requirements of such section, including Sections 3.01(c)(i) and (c)(ii) or Section 3.01(c)(iii), as applicable and Section 3.06 and Section 3.07) (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section (it being understood that the documentation required under Section 3.01(b) and (c) shall be delivered to the participating Lender). To the extent permitted by applicable Laws, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. If a Lender (or any of its registered assigns) sells a participation pursuant to Section 10.07(d), that Lender (or its registered assign, as the case may be) that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrowers) maintain a register complying with the requirements of Section 163(f), Section 165(j), Section 871(h), Section 881(c)(2) and Section 4701 of the Code and the Treasury regulations issued thereunder relating to the exemption from withholding for portfolio interest on which is entered the name and address of each Participant and the principal and interest amounts of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or to any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Lead Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected, and shall become effective upon recording, in the Participant Register in the same manner as to participations as otherwise provided under Section 10.07(e). Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including their obligations under Section 3.01, 3.04 or 3.05), unless the grant to such SPC is made with the Lead Borrower's prior written consent, which consent shall state that it is being given pursuant to Section 10.07(g) of this Agreement, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable (and such liabilities shall be retained by the Granting Lender), and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain and be liable as the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender.

In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Lead Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Term Lender may, at any time, assign all or a portion of its rights and obligations solely with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender or an Affiliated Debt Fund through (x) Dutch auctions or other offers to purchase open to all Term Lenders on a pro rata basis consistent with the procedures of the type described in Section 2.05(a)(v) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article II;

(ii) each Affiliated Lender shall either (I) make a representation to the selling Lender that it does not possess material non-public information with respect to any Borrower and any of the other Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or (II) disclose that it cannot make such representation, in which case, the applicable assigning Lender shall be deemed to expressly re-make the acknowledgement set forth in the second succeeding paragraph in connection with such assignment;

(iii) after giving effect to such assignment, the aggregate principal amount of Term Loans held by Affiliated Lenders shall not exceed 25% of the principal amount of all Term Loans at such time outstanding, in each case, after giving effect to any substantially simultaneous cancellation thereof (such percentage, the “**Affiliated Lender Cap**”); *provided* that each of the parties hereto agrees and acknowledges that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (h)(iii) or any purported assignment exceeding the Affiliated Lender Cap; and

(iv) as a condition to each assignment pursuant to this clause (h), the Administrative Agent shall have been provided a notice in the form of Exhibit E-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender, and (without limitation of the provisions of clause (iii) above) shall be under no obligation to record such assignment in the Register until three (3) Business Days after receipt of such notice.

Notwithstanding anything to the contrary contained herein, any Affiliated Lender or Affiliated Debt Fund that has purchased Term Loans pursuant to this clause (h) may, in its sole discretion but subject to the consent of the Lead Borrower, contribute, directly or indirectly, the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrowers (through any direct or indirect parent thereof) for the purpose of immediately cancelling and extinguishing such Term Loans and such contribution may be in exchange for debt or equity securities of the Borrowers (or any direct or indirect parent thereof) otherwise permitted by the terms of this Agreement to be issued or incurred at such time. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrowers and (y) the Lead Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation and extinguishing of the applicable Term Loans in the Register.

Each Lender participating in any assignment to Affiliated Lenders acknowledges and agrees that in connection with such assignment, (1) the Affiliated Lenders then may have, and later may come into possession of material non-public information, (2) such Lender has independently and, without reliance on the Affiliated Lenders or any of their Subsidiaries, the Borrowers or any of their Subsidiaries, the Administrative Agent or any other Agent-Related Persons, made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the material non-public information, (3) none of the Affiliated Lenders or any of their Subsidiaries, the Borrowers or any of their Subsidiaries shall be required to make any representation that it is not in possession of material non-public information, (4) none of the Affiliated Lenders or its Affiliates, the Borrowers or any of their Subsidiaries or Affiliates, the Administrative Agent or any other Agent-Related Persons shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against any Affiliated Lender or Affiliate thereof, the Borrowers or any of their Subsidiaries or Affiliates, the Administrative Agent and any other Agent-Related Persons, under applicable Laws or otherwise, with respect to the nondisclosure of the material non-public information and (5) that the material non-public information may not be available to the Administrative Agent or the other Lenders. Each Affiliated Lender and each Affiliated Debt Fund agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender or an Affiliated Debt Fund. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit E-2.

(i) Notwithstanding anything in Section 10.01 or the definition of “**Required Lenders**”, “**Required Term Lenders**” or “**Required Facility Lenders**” to the contrary:

(i) for purposes of determining whether (as applicable) the Required Lenders, Required Term Lenders and/or Required Facility Lenders have (A) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and all Term Loans held by such Affiliated Lenders shall be deemed to have been voted in the same proportion as the allocation of voting by Term Lenders that are not Affiliated Lenders for all purposes of calculating whether the Required Lenders, Required Term Lenders or Required Facility Lenders have taken any actions;

(ii) Affiliated Debt Funds may not in the aggregate account for more than 49.9% of the amounts set forth in the calculation of Required Lenders;

(iii) notwithstanding the above, Affiliated Lenders and Affiliated Debt Funds shall have the right to vote on any amendment, modification, waiver, consent or other action described in the first proviso to Section 10.01 or otherwise requiring the written consent of each Lender or of each Lender directly and adversely affected thereby; and

(iv) notwithstanding the above, no amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom may (x) directly and adversely affect any Affiliated Lender or Affiliated Debt Fund in its capacity as a Term Lender in a manner that is disproportionate to the effect on any Term Lender of the same Class or (y) deprive such Affiliated Lender or Affiliated Debt Fund of its Pro Rata Share of any payments to which it is entitled, in each case subject to the prior consent of such Affiliated Lender and/or Affiliated Debt Fund, as applicable.

(j) [Reserved].

(k) Notwithstanding anything to the contrary contained herein, any L/C Issuer or the Swing Line Lender may, upon thirty (30) days' notice to the Lead Borrower, the Administrative Agent and the Lenders, resign as an L/C Issuer or the Swing Line Lender, as the case may be, and any L/C Issuer or the Swing Line Lender may be removed at any time by the Lead Borrower by notice to the L/C Issuer, the Administrative Agent and the Lenders; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer or the Swing Line Lender shall have identified a successor L/C Issuer or Swing Line Lender, as the case may be, acceptable to the Administrative Agent and the Lead Borrower in its sole discretion, willing to accept its appointment as successor L/C Issuer or successor Swing Line Lender, as the case may be. In the event of any such resignation or removal of an L/C Issuer or the Swing Line Lender, the Lead Borrower (with the consent of the Administrative Agent not to be unreasonably withheld, delayed or conditioned) shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or successor Swing Line Lender; *provided* that no failure by (x) the Lead Borrower to appoint or (y) the Lead Borrower or the Administrative Agent to accept the appointment of, any such successor shall affect the resignation or removal of the relevant L/C Issuer or Swing Line Lender, as the case may be, as expressly provided above. If an L/C Issuer resigns or is removed as an L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit issued by it and outstanding as of the effective date of its resignation or removal as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Revolving Credit Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns or is removed as the Swing Line Lender, it shall retain all the rights and obligations of the Swing Line Lender hereunder with respect to all Swing Line Loans outstanding as of the effective date of its resignation or removal as the Swing Line Lender, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

(l) [Reserved].

(m) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrowers or any of the other Subsidiaries through (x) Dutch

auctions or other offers to purchase open to all Lenders on a pro rata basis consistent with the procedures set forth in Section 2.05(a)(v) or (y) notwithstanding Sections 2.12 and 2.13 or any other provision in this Agreement, open market purchase on a non-pro rata basis; provided further that:

(i) upon such assignment, transfer or contribution, Holdings shall automatically be deemed to have contributed the principal amount of such Term Loans, plus accrued and unpaid interest thereon, to the Borrowers;

(ii) (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishment and (c) Holdings, any Borrower or any of the other Subsidiaries, as applicable, shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(iii) Holdings, the Borrowers or any of the other Subsidiaries that purchases any Term Loans pursuant to this clause (m) shall either (I) make a representation to the selling Lender that it does not possess material non-public information with respect to Holdings, the Borrowers and the other Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information) or (II) disclose that it cannot make such representation, in which case, the applicable assigning Lender shall be deemed to expressly re-make the acknowledgement set forth in the immediately succeeding paragraph in connection with such assignment; and

(iv) purchases of Term Loans pursuant to this Section 10.07(m) shall not be funded with the proceeds of Revolving Credit Loans or Swing Line Loans.

Each Lender participating in any assignment to Holdings, any Borrower or any other Subsidiary (including pursuant to Section 2.05(a)(v)) acknowledges and agrees that in connection with such assignment, (1) Holdings, the Borrowers and the other Subsidiaries then may have, and later may come into possession of material non-public information, (2) such Lender has independently and, without reliance on the Affiliated Lenders or any of their Subsidiaries, Holdings, the Borrowers or any of the other Subsidiaries, the Administrative Agent or any other Agent-Related Persons, made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the material non-public information, (3) none of Holdings, any Borrower or any of the other Subsidiaries shall be required to make any representation that it is not in possession of material non-public information, (4) none of Holdings, any Borrower or any of the other Subsidiaries, the Administrative Agent or any other Agent-Related Persons shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Holdings, any Borrower or any of the other Subsidiaries, the Administrative Agent and any other Agent-Related Persons, under applicable Laws or otherwise, with respect to the nondisclosure of the material non-public information and (5) that the material non-public information may not be available to the Administrative Agent or the other Lenders.

(n) The aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans purchased by, or contributed to (in each case, and immediately cancelled hereunder), the Borrowers pursuant to Section 10.07(h) or (m) and the principal repayment installments with

respect to the Term Loans of such Class pursuant to Section 2.07(a)(i) or (a)(ii), as applicable, shall be reduced pro rata by the par value of the aggregate principal amount of Term Loans so purchased or contributed (and subsequently cancelled), with such reduction being applied solely to the Term Loans of the Lenders which sold such Term Loans.

Section 10.08 Confidentiality. Each of the Administrative Agent, the Collateral Agent and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective directors, officers, employees, legal counsel, independent auditors and other experts or agents who need to know such information in connection with the Transaction or the Loan Documents (or the transactions contemplated therein), are informed of the confidential nature of such Information and instructed to keep such Information confidential, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), in which case, the Administrative Agent, the Collateral Agent and the Lenders agree to inform the Lead Borrower promptly thereof prior to such disclosure, unless such Person is prohibited by applicable Laws from so informing the Lead Borrower, or except in connection with any request as part of any regulatory audit or examination conducted by bank accountants or any governmental or regulatory authority exercising examination or regulatory authority, (c) to the extent required by applicable Laws or by any subpoena or similar legal process; *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Lead Borrower promptly thereof, unless such notification is prohibited by law, rule or regulation, or except in connection with any request as part of any regulatory audit or examination conducted by accountants or any governmental or regulatory authority exercising examination or regulatory authority, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations, (g) with the consent of the Lead Borrower or (h) to the extent such Information (i) is at the time of such disclosure, or becomes, publicly available other than as a result of a breach of this Section by such Person or any Person identified in clause (a) above, (ii) is at the time of such disclosure, or becomes, available to the Administrative Agent, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any of the other Subsidiaries, and which source is not known by such Agent or Lender, after due inquiry, to be subject to a confidentiality restriction in respect thereof in favor of any Borrower or any Affiliate of any Borrower or (iii) is independently developed by such Person without reliance upon the Information; *provided, however*, that (A) no disclosure shall be made to any Disqualified Institution unless such Person has previously become a Lender hereunder with the consent of the Lead Borrower (but only for so long as such Person does not cease being a Lender following the initial grant of such consent) or (B) to the extent the applicable list of Disqualified Institutions has previously been provided to such disclosing party, no disclosure shall be made to any other Disqualified Institution unless such Person has previously become a Lender hereunder with the consent of the Lead Borrower (but only for so long as such Person does not cease being a Lender following the initial grant of such consent). In addition, each of the Administrative Agent and the Collateral Agent may disclose the existence of this Agreement and information about this Agreement to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities or market data collections, similar service providers to the lending industry and service providers to the Administrative Agent in connection with the administration and management of this Agreement and the other Loan Documents (it being understood that, prior to any such disclosure, such bureau, data collector or service provider shall undertake to preserve the confidentiality of any such information). To the extent permitted by section 275

of the PPSA, the parties agree to keep all information of the kind mentioned in section 275(1) of the PPSA confidential and not to disclose that information to any other person, other than to the extent permitted hereunder.

For purposes of this Section, “**Information**” means all information received from any Loan Party or any Subsidiary thereof (including, for the avoidance of doubt, their respective directors, officers, employees, members of managements, consultants, representatives, agents and advisors) or in connection with an inspection of the books, records or properties of Holdings, any Borrower or any of the other Subsidiaries relating to any Loan Party or any Subsidiary thereof or their respective businesses; it being understood that all information received from Holdings, any Borrower or any other Subsidiary after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning Holdings, any Borrower or any other Subsidiary, as the case may be, (b) it has policies and procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Laws, including United States Federal, state and foreign securities Laws, in accordance with its policies and procedures.

Section 10.09 Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates and each L/C Issuer and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent to the fullest extent permitted by applicable Laws, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held (other than payroll, trust, tax, fiduciary, employee health and benefits, pension and 401(k) accounts) and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of any Borrower or any other Loan Party against any and all of the Obligations (other than, with respect to any Guarantor, Excluded Swap Obligations of such Guarantor), irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Borrower or such Loan Party may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuer(s), and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of set-off) that such Lender or its Affiliates may have. Each Lender and L/C Issuer agrees to notify the Lead Borrower and the Administrative Agent promptly after any such set-off and application made by such Lender or L/C Issuer, as the case may be; provided that the failure to give such notice shall not affect the validity of such set-off and application.

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Laws (the “**Maximum Rate**”). If any Agent

or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Laws, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to agency fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 10.12 Electronic Execution; Electronic Records.

(a) The words “delivery,” “execute,” “execution,” “signed,” “signature,” and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. For the avoidance of doubt, the authorization under this Section 10.12(a) may include, without limitation, use or acceptance by the Administrative Agent and each of the Secured Parties of a manually signed paper document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a “**Communication**”) which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention.

(b) The Borrowers hereby acknowledge the receipt of a copy of this Agreement and all other Loan Documents. The Administrative Agent and each Lender may, on behalf of the Borrowers, create a microfilm or optical disk or other electronic image of this Agreement and any or all of the other Loan Documents. The Administrative Agent and each Lender may store the electronic image of this Agreement and the other Loan Documents in its electronic form and then destroy the paper original as part of the Administrative Agent’s and each Lender’s normal business practices, with the electronic image deemed to be an original and of the same legal effect, validity and enforceability as the paper originals.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto

or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied (other than (i) unasserted contingent indemnification obligations as to which no claim has been asserted and (ii) Obligations under Secured Hedge Agreements and Obligations under Secured Cash Management Agreements) or any Letter of Credit shall remain outstanding (other than Letters of Credit which have been Cash Collateralized).

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.15 GOVERNING LAW AND JURISDICTION.

(a) THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL, EXCEPT AS OTHERWISE PROVIDED IN CERTAIN OF THE COLLATERAL DOCUMENTS, BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) HOLDINGS, EACH BORROWER, EACH AGENT AND EACH LENDER IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTION RELATING HERETO OR THERETO (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN CERTAIN GUARANTY AND COLLATERAL DOCUMENTS), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT, HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS

UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) HOLDINGS, EACH BORROWER, EACH AGENT AND EACH LENDER IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.16 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.17 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of each Borrower, Holdings, each Agent and each Lender and their respective successors and permitted assigns.

Section 10.18 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of set-off, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent (which shall not be withheld in contravention of Section 9.04). The provision of this Section 10.18 is for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.19 Acknowledgment Regarding any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in

fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Section 10.20 PATRIOT Act Notice. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.21 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. IN ADDITION, EACH AUSTRALIAN LOAN PARTY HEREBY APPOINTS THE LEAD BORROWER AS ITS AGENT FOR THE PURPOSE OF ACCEPTING SERVICE WITHIN THE STATE OF NEW YORK AND THE LEAD BORROWER HEREBY ACCEPTS SUCH APPOINTMENT. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.22 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrowers and Holdings acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Lead Arrangers and the Bookrunners are arm’s-length commercial transactions between Holdings, the Borrowers and their respective Affiliates, on the one hand, and the Agents, the Lead Arrangers and the Bookrunners, on the other hand, (B) each of Holdings and the Borrowers has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of Holdings and the Borrowers is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents, the Lead Arrangers and the Bookrunners are and have been, and each Lender is and has been, acting solely as a principal and, except as expressly agreed in writing by the relevant

parties, have or has not been, are or is not, and will not be acting as an advisor, agent or fiduciary for Holdings, any Borrower or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Lead Arrangers, the Bookrunners nor any Lender has any obligation to Holdings, any Borrower or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Lead Arrangers, the Bookrunners, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of Holdings, the Borrowers and their respective Affiliates, and none of the Agents, the Lead Arrangers, the Bookrunners nor any Lender has any obligation to disclose any of such interests to Holdings, any Borrower or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrowers and Holdings hereby waives and releases any claims that it may have against the Agents, the Lead Arrangers, the Bookrunners or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.23 Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Lead Borrower, the Administrative Agent and such Lender.

Section 10.24 Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.25 Joint and Several Liability of Borrowers.

- (a) All Borrowers shall be liable, on a joint and several basis, for all Obligations, including, without limitation, all amounts due to the Administrative Agent and Lenders under this Agreement and the other Loan Documents, regardless of which Borrower actually receives the Loans or other proceeds of the Obligations or the manner in which the Administrative Agent and Lenders account for such Loans or other Obligations on its books and records or for any other

reason. The Obligations with respect to Loans made to, and Letters of Credit issued to, any Borrower, and the Obligations arising as a result of the joint and several liability of any Borrower hereunder, with respect to Loans made to, or Letter of Credit issued to, the other Borrowers hereunder, shall be separate and distinct obligations, but all such Obligations shall be primary obligations of all Borrowers. The Obligations arising as a result of the joint and several liability of any Borrower hereunder with respect to Loans or other Obligations shall, to the fullest extent permitted by applicable Law, be unconditional irrespective of (i) the validity or enforceability, avoidance or subordination of the Obligations of the other Borrowers or of any promissory note or other document evidencing all or any part of the Obligations of the other Borrowers, (ii) any incapacity or lack of power, authority or legal personality of any other Borrower or other Person, (iii) the absence of any attempt to collect the Obligations from the other Borrowers or any other security therefor, or the absence of any other action to enforce or failure to realize the full value of the same, (iv) any amendment (however fundamental), replacement, variation, assignment, termination and/or the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or Lenders with respect to any provisions of any instrument evidencing the Obligations of the other Borrowers, or any part thereof, or any other agreement now or hereafter executed by the other Borrowers and delivered to the Administrative Agent or Lenders, (v) the failure by the Administrative Agent, Lenders or any other Person to take any steps to perfect and maintain its Lien in, or to preserve its rights and maintain its security or collateral for the Obligations of the other Borrowers, (vi) the election of the Administrative Agent, Lenders or any other Person in any proceeding instituted under applicable Debtor Relief Laws, of the application of Section 1111(b)(2) of the Bankruptcy Code of the United States (or equivalent provision of Australian law), (vii) the disallowance of all or any portion of the claim(s) of the Administrative Agent, Lenders or any other Person for the repayment of the Obligations of the other Borrowers under Section 502 of the Bankruptcy Code of the United States (or equivalent provision of Australian law), (viii) any insolvency, liquidation, administration or similar procedure or corporate action in respect of any other Borrower and/or any legal proceedings or procedures by any of the other Borrowers' creditors or (ix) any other circumstances which might constitute a legal or equitable discharge or defense of the other Borrowers. With respect to the Obligations arising as a result of the joint and several liability of a Borrower hereunder with respect to Loans, Letters of Credit or other Obligations, each Borrower waives, until the Termination Date has occurred, any right to enforce any right of subrogation or any remedy which the Administrative Agent, Lenders or any other Person now has or may hereafter have against any other Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent, Lenders or any other Person. Upon any Event of Default and for so long as the same is continuing and in accordance with this Agreement, the Administrative Agent and Lenders may proceed directly and at once, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against the other Borrowers or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that none of the Administrative Agent, Lenders or any other Person shall be under any obligation to marshal any assets in favor of Borrowers or any other Person or against or in payment of any or all of the Obligations.

(b) Each Borrower expressly waives any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against the other Borrowers or any other Person directly or contingently liable for the Obligations hereunder, or against or with respect to the other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement until the Termination Date has occurred.

Section 10.26 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of each Loan Party in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from any Loan Party in the Agreement Currency, such Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to such Loan Party (or to any other Person who may be entitled thereto under applicable Law).

Section 10.27 Effect of Amendment and Restatement of Existing Credit Agreement; Reallocation of Commitments and Loans.

(a) As of the Restatement Date, the terms and conditions of the Existing Credit Agreement are amended as set forth in, and are restated in their entirety and superseded by, this Agreement. The parties hereto acknowledge and agree that (i) this Agreement and the other Loan Documents, whether executed and delivered in connection herewith or otherwise, do not constitute, and nothing in this Agreement or any of the other Loan Documents shall be deemed to be, a novation or termination of the Existing Obligations as in effect prior to the Restatement Date and which remain outstanding and (ii) the Existing Obligations are in all respects continuing (as amended and restated hereby and which are hereinafter subject to the terms herein), and the incurrence of the obligations of the Loan Parties hereunder and under the other Loan Documents shall be in substitution for, but not in payment of, the Existing Obligations owed by the Loan Parties under the Existing Credit Agreement and the Existing Loan Documents. As of the Restatement Date, each Loan Party including the Borrower hereby confirms and ratifies all of its obligations under the Loan Documents to which it is a party. By its execution on the respective signature lines provided below, as of the Restatement Date, each of the Loan Parties party hereto hereby (x) confirms, ratifies and reaffirms all of its obligations and the security interests and Liens granted by it under the Loan Documents to which it is a party and confirms and agrees that such security interests and Liens hereafter secure all of the Obligations as amended hereby, (y) represents and warrants that the representations and warranties set forth in such Loan Documents are true and correct in all material respects on the Restatement Date as if made on and as of such date (except to the extent that any representation or warranty expressly relates to an earlier date, in which case such representation or warranty shall have been true and correct in all material respects as of such earlier date) and (z) confirms that all references in such Loan Documents to the “Credit Agreement” (or words of similar import) refer to the Existing Credit Agreement as amended hereby as of the Restatement Date without impairing any such obligations or Liens in any respect.

(b) The Amended and Restated Loan Guaranty restates, amends, replaces and supersedes in its entirety that certain Loan Guaranty, dated as of September 24, 2021, executed by the Guarantors party thereto in favor of the Administrative Agent and certain other lender parties.

(c) The Lenders have agreed among themselves, in consultation with the Loan Parties, to reallocate the Existing Revolving Commitments, Existing Revolving Loans and Existing Term Loans and to, among other things, add certain Persons as “**Lenders**” under this Agreement (each a “**New Lender**”), and the Existing Lenders that are not parties to this Agreement on the Restatement Date have decided to exit as Lenders (the “**Exiting Lenders**”). The Administrative Agent and each Loan Party hereby consents to such reallocation and the Lenders’ and Exiting Lenders’ assignments of their Commitments, including assignments to the New Lenders. On the Restatement Date and after giving effect to such reallocations, the Commitments of each Lender shall be as set forth on Schedule 2.01 of this Agreement, which Schedule 2.01 supersedes and replaces Schedule 2.01 to the Existing Credit Agreement. With respect to such reallocation, each Lender shall be deemed to have acquired the Commitment allocated to it from each of the other Lenders and the Exiting Lender(s) pursuant to the terms of the Assignment Agreement attached as Exhibit E-1 to this Agreement as if each such Lender and Exiting Lender had executed an Assignment Agreement with respect to such allocation. In connection with this assignment and for purposes of this assignment only, the Lenders, the New Lenders, the Exiting Lenders, the Administrative Agent and Loan Parties waive the processing and recordation fee under Section 10.07.

(d) Each Australian Loan Party confirms that (i) each Guaranty and each Australian Security Agreement provided by it prior to the Restatement Date continues in full force and effect on and from the Restatement Date to guarantee and secure all of its Obligations under the Loan Documents; (ii) the amendments to the Existing Credit Agreement effected by this Agreement do not affect the validity or enforceability of this Agreement or any other Loan Document (including the Guaranty or a Security Agreement) to which it is a party; (iii) nothing in this Agreement: (x) prejudices or adversely affects any right, power, authority, discretion or remedy arising under the Existing Credit Agreement or any of the other Loan Documents to which it is a party before the Restatement Date; or (y) discharges, releases or otherwise affects any liability or obligation arising under the Existing Credit Agreement or any of the other Loan Documents to which it is a party before the Restatement Date.

Section 10.28 Lender ERISA Representations.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Refinances Credit Facility and Extends Overall Debt Maturity

San Francisco, CA (BUSINESS WIRE) –October 15, 2025 – a.k.a. Brands Holding Corp. (NYSE: AKA), a portfolio of next generation fashion brands, today announced the successful refinancing of its credit facility, extending the maturity of its debt and enhancing its financial flexibility.

The amended and restated credit agreement, which became effective on October 14, 2025, provides for an \$85 million term loan and approximately \$35 million in revolving credit capacity, replacing the company's existing credit facility. "This financing agreement provides us with additional balance sheet flexibility to execute our strategic priorities and create long-term value for our shareholders."

Additional terms of the Amended and Restated Credit Agreement are set forth in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on October 15, 2025.
